GRIFFIN, GA 30223

TO: ALL BIDDERS

RE: Addendum No. 3, dated June 24, 2022

This Addendum forms a part of the Contract Documents and modifies the original Request for Bid dated May 27, 2022.

This Addendum consists of one (1) page.

- Add. 2.1 Modification: **The deadline to submit proposals had been extended to Tuesday, July 12, 2022, at 2:00PM.** Final written questions are due no later than Thursday, July 7, 2022, at 12:00PM.
- Add. 2.2 Clarification: The information provided in this addendum overrides the information previously provided in Addendum #2.
- Add. 2.3 Clarification: Griffin Power will run a new 120v/208v three-phase service to northeast (front) corner of the AMBUCS Park Gymnasium and remove the existing 120v/240v single-phase service from the southeast corner of the building. The awarded contractor shall provide all labor and materials for the following scope of work related to the new service: installation of a new point of attachment for the service, installation of a new mast and the related building penetration, wiring from the Griffin Power service drop to a new electrical panel to be installed by the contractor in the existing mechanical room, wiring from the new panel to power the existing electrical panel, and all wiring/electrical equipment necessary to feed the new HVAC equipment on the north side of the building. All other electrical items within the gymnasium building must continue to function as they do currently when the electrical work is complete. Griffin Power will meter the new service from the pole, so installation of a meter base by the contractor is not required. All electrical work must be performed by a licensed electrician.
- Add. 2.4 Clarification: All questions must be submitted in writing. No contractor or subcontractor should contact Spalding County personnel or Griffin Power personnel directly to ask questions or discuss the project. To arrange a site visit to either location contact Kelly Carmichael with Spalding County at kcarmichael@spaldingcounty.com or 770-467-4750.

End of Addendum No. 3
