

**CITY OF CALLAWAY
GORE PARK BUILDING WORK
BID NO.: LS2022-06**

ADDENDUM #3

Date Issued: March 9, 2022

This addendum is being released to address the following questions:

1. The plans state on page "A1" in the legend, note #5, and the above mentioned sink is to be installed in the concession area. In my attempts to locate said sink, I am unable to locate a 91" double compartment sink from that manufacturer. I am only able to locate a 72". All 91" sinks from that manufacturer I have been able to locate are triple compartments. Do you have submittals on this specific item?

Please use the Regency 86" 16 Gauge Stainless Steel Two Compartment Commercial Sink with Galvanized Steel Legs and 2 Drainboards – 18" x 24" x 14" Bowls

2. I am working on the bid for the Gore Park Building work and the specification, nor the drawings discuss anything regarding the proposed asphalt. Is there any additional information that can be provided regarding the asphalt work?

There is no asphalt work in this scope of work for the building.

Janice L. Peters, City Clerk

This Addendum must be acknowledged and included with the bid packet submission.
