## 1.0 PURPOSE AND BACKGROUND

### 1.1 Purpose of this Request for Quotes (RFQ)

Lindbergh Schools recently retired various quantities of the following equipment:

- A. Desktop computers
- B. iPads
- C. Wall mounted projectors
- D. Document cameras
- E. Computer monitors and accessories
- F. Damaged equipment, electronic recycling, and electronic parts

The purpose of this Request for Quotes (RFQ) is to solicit bids and sell surplus technology equipment through a fair and competitive process. The District intends to acquire the best possible price for these devices and invites appropriately qualified vendors to submit a quote for purchasing equipment described herein.

This document does not commit the District to sell the surplus equipment or to pay any costs incurred in the preparation of a response to this RFQ. Lindbergh Schools reserves the right to request clarification, conduct discussions with vendors and/or request additional information.

### 1.2 Objective

Lindbergh Schools seeks vendor quotes for purchase of surplus technology equipment. Lindbergh Schools will only accept and consider quotes for purchasing and removing all of the equipment. An offer for a subset of the equipment will not be considered. Section 2 of this document provides details regarding the surplus equipment for sale. ## **2.0 EQUIPMENT DESCRIPTION**

Lindbergh Schools seeks to sell surplus technology devices. See attached document (SurplusJune2022VendorDetail.xls) for a list of equipment for sale. All equipment was visually inspected for damage, sorted, boxed, wrapped on pallets, and is available for pick up in two locations, with a loading dock. The dock area can accommodate box trucks and regular cabs with up to 53' trailers. Equipment is stored on 37 pallets; carts and server racks are not on pallets.

## **3.0 REQUIREMENTS**

The following requirements must be met by the vendor, for all purchased equipment:

### **3.1 Asset Tag Removal and District Identifier**

Lindbergh Schools devices each include a district asset tag sticker. The vendor will remove this sticker. Some iPads are printed on the back with the district name (eg: "Property of Lindbergh Schools").

### **3.2 Equipment Recycling and Data Wiping**

The selected vendor must also provide the District with certification verifying that all purchased equipment will be either responsibly recycled (e.g., R2, ISO 14001, e-Stewards) or prepared for resale after erasing all data using an international data wiping standard (e.g., U.S. Department of Defense 5220.28-STD, Pfitzner Algorithm, Germany VSITR, Gutmann MFM). The vendor submitting the bid must be certified. Bids will not be accepted from non-certified vendors who partner with another company for this service.

#### **4.0 EVALUATION CRITERIA AND VENDOR SELECTION**

##### **4.1 Evaluation Criteria and Process**

Lindbergh Schools will evaluate quotes received using a scoring process. The most important criterion is price, but the District will also consider vendor qualifications.

##### Evaluation Overview

Weight	Criterion
80	Price
20	Vendor Qualifications

The District will review each RFP response and score each response based on this predefined assessment criteria. As a result, items such as solution price, company experience, ability to achieve desired service levels, and references may be considered in the final decision. The winning bid will be posted to the Lindbergh Schools Vendor Registry. All contracts and supporting documentation will be approved by both parties before any costs are incurred. Any contract terms that are not acceptable by the District may be grounds for dismissing the selected vendor.

Lindbergh Schools will use information provided in Vendor Response Forms, Form 3: Executive Summary, Form 4 Company Profile, Form 5: Ease of Transition, as well as completed Form 6: References, to assign scores for the vendor qualifications criterion.

##### **4.2 Quote Acceptance and Rejection Criteria**

All proposals shall be deemed final and no bid shall be subject to correction or amendment for any error or miscalculation after the bid closing date. Selection is, at a minimum, contingent upon a complete and satisfactory quote. Lindbergh Schools reserves the right to reject any bid which, through bidder error or omission, is found to be mathematically incorrect, otherwise incomplete, or not in compliance with District bid specifications. The right to reject bids which are incomplete, inaccurate, or not in compliance shall be exercised in the best interest of Lindbergh Schools.

##### **4.3 Competitive Negotiation**

Lindbergh Schools reserves the right to request clarification, conduct discussions with vendors, to request revisions, and/or waive minor informalities. The District also retains the right to negotiate the final contract terms and conditions with one or more of the most responsive vendors as solely determined by the District. Finally, Lindbergh Schools may discard all vendor responses if none meets the stated requirements or if the evaluation team deems none serves the best interests of the District.
