RE: Recommendation for RFQu #20-074: FY 21 CTC Road Repair & Resurfacing

A blue ink signature of Ray C. Funnye, written in a cursive style.

On October 28, 2020, Georgetown County Department of Public Services solicited proposals for the resurfacing and repair of five designated roads with Hot Mix Asphalt Pavement through bid #20-074.

This solicitation requested pricing services that would be required for the resurfacing of County road projects pre-approved through the County Transportation Committee (CTC) for C-Fund reimbursement. Proposals were received from three reputable vendors: Coastal Asphalt from Conway, SC; Southern Asphalt from Conway, SC; and Palmetto Corp of Conway, SC.

Unit rates from all vendors were competitive. However, in total, Coastal Asphalt's overall rates provided the most economical solution by \$81,527.85 to the next lowest bidder. Coastal Asphalt has previously and successfully completed multiple road projects for Georgetown County.

Based on the aforementioned, I hereby recommend RFQu #20-074 CTC Road Repair and Resurfacing be awarded to Coastal Asphalt of Conway, SC, for the total amount of \$779,963.05.
