The overlook is accessible via an unimproved impoundment trail that connects to an existing road within the Forest Lake subdivision.

Wetland Overlook General Information

The existing 240-foot-long boardwalk was constructed in the late 1990's, and requires complete replacement. The replacement will occur within the same footprint as the original boardwalk. The location of equipment and supply staging areas shall be approved in the field by County staff prior to mobilization.

 2. Each committee member shall then rank the firms on the basis of the total number of points received for all criteria, with the firm receiving the most points being ranked # 1.
- b. As a "committee of the whole", develop a combined ranking order of all Submittals meeting minimum qualifications. The ranking of firms shall be done in the following manner:
 1. The rankings received by each firm from all committee members shall be totaled and divided by the number of committee members, to produce an average ranking.

- c. The County may, solely at its own option, seek additional Submittals with this or a similar Submittal in the event the County, solely at its own option, determines that the quantity and/or quality of Submittals

received is insufficient to meet the County's needs and/or that award of a contract arising from this RFP would not be in the public interest.

- d. The Committee shall forward its recommendations in accordance with the ranking to the Indian River County Board of County Commissioners, which shall, at its sole option, authorize negotiations of a contract pursuant to the requirements of Florida law.
- e. The Indian River County Board of County Commissioners possesses sole authority to award a contract for the services sought herein.
