RFQ 21-02 Architectural & Engineering Services
Question/Response

1. Criteria-referenced discussion-Limit 10 pages total; Question: Is this limited to single sided? **Yes. The District Selection Committee has no obligation to examine extraneous materials or material incorporated by reference that is outside the size limitations requested.**
2. Criteria referenced discussion (b); Programming assistance will be required; please discuss your methods and techniques for the programming phase; Question: Would you please confirm what is the programming phase and what is programming assistance? **What is your personnel method for assistance with projects?**
3. Under submission requirements, #3, is there a page limit for the SF-330s? **No.**
4. We specialized in roofing, waterproofing, and building enclosure design and engineering consulting services. Is Fairfield County School District interested in receiving qualifications to provide such services under the subject RFQ? Or will the district release a separate RFQ in the near future for roofing, waterproofing and building enclosure services? **Yes. No.**
