ADDENDUM NO. 1

DATE: February 22, 2018
PROJECT: ITB 0118-0640
HALIFAX HARBOR GASOLINE & DIESEL FUEL

OPENING DATE: MARCH 5, 2018

This addendum is hereby incorporated into the Bid Documents for the project referenced above. The following items are clarifications, corrections, additions, deletions and/or revisions to and shall take precedence over the original documents. Additions are indicated by underlining, deletions are indicated by ~~strikethrough~~.

1. Formal request for two invoices per month from your current gasoline and diesel provider and corresponding bill of ladings for the most recent 12 months. (see attached).
2. Answers to Bidders' written questions:
Q1: Please verify that the Avg. Rack rate per gallon price for the bid is to be based off of the Jacksonville Florida OPIS Gross Daily Rack Average Price report at 10:00 AM each day.
A1: Yes
Q2: Please verify that the placeholder reference price of 2.06 and 2.16 are for reference only, making sure each person bidding would use the same price.
A2: Yes
3. All other terms and conditions remain the same.

The Bidder shall acknowledge receipt of this addendum on the Bid Proposal Form.

The City of Daytona Beach

Kirk Zimmerman, CPPB
Buyer

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. **Transmix - Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – Prevention: Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – Prevention: Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – Prevention: Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

Addendum 4 - 0118-0640 - 2/22/2018

POTENTIAL HAZARDS**Fire Or Explosion**

- HIGHLY FLAMMABLE: Will be easily ignited by heat, sparks or flames.
- Vapors may form explosive mixtures with air.
- Vapors may travel to source of ignition and flash back.
- Most vapors are heavier than air. They will spread along ground and collect in low or confined areas (sewers, basements, tanks).
- Vapor explosion hazard indoors, outdoors or in sewers.
- Some may polymerize (P) explosively when heated or involved in a fire.
- Runoff to sewer may create fire or explosion hazard.
- Containers may explode when heated.
- Many liquids are lighter than water.
- Substance may be transported hot.

Health

- Inhalation or contact with material may irritate or burn skin and eyes.
- Fire may produce irritating, corrosive and/or toxic gases.
- Vapors may cause dizziness or suffocation.
- Runoff from fire control or dilution water may cause pollution.

PUBLIC SAFETY

- Call Emergency Response Telephone Number on Shipping Paper First. If shipping paper not available or no answer, refer to appropriate telephone number listed on the inside back cover.
- Isolate spill or leak immediately for at least 25 to 50 meters (80 to 160 feet) in all directions.
- Keep unauthorized personnel away.
- Stay upwind.
- Keep out of low areas.
- Ventilate closed spaces before entering.

Protective Clothing

- Wear positive pressure self-containing breathing apparatus (SCBA).
- Structural firefighters' protective clothing will only provide limited protection.

Evacuation**Large Spill**

- Consider initial downward evacuation for at least 300 meters (1000 feet).

Fire

- If tank, rail car or tank truck is involved in a fire, ISOLATE for 800 meters (1/2 mile) in all directions; also, consider initial evacuation for 800 meters (1/2 mile) in all directions.

EMERGENCY RESPONSE**Fire**

CAUTION: All these products have a very low flash point: Use of water spray when firefighting may be inefficient.

Small Fires

- Dry chemical, CO₂, water spray or regular foam.

Large Fires

- Water spray, fog or regular foam.
- Do not use straight streams.
- Move containers from fire area if you can do it without risk.

Fires Involving Tanks or Car/Trailer Loads

- Fight fire from maximum distance or use unmanned hose holders or monitor nozzles.
- Cool containers with flooding quantities of water until well after fire is out.
- Withdraw immediately in case of rising sound from venting safety devices or discoloration of tank.
- ALWAYS stay away from the ends of tank.
- For massive fire, use unmanned hose holders or monitor nozzles; if this is impossible, withdraw from area and let fire burn.

Spill Or Leak

- ELIMINATE all ignition sources (no smoking, flares, sparks or flames in immediate area).
- All equipment used when handling the product must be grounded.
- Do not touch or walk through spilled material.
- Stop leak if you can do it without risk.
- Prevent entry into waterways, sewers, basements or confined areas.
- A vapor suppressing foam may be used to reduce vapors.
- Absorb or cover with dry earth, sand or other non-combustible material and transfer to containers.
- Use clean non-sparking tools to collect absorbed material.

Large Spills

- Dike far ahead of liquid spill for later disposal.
- Water spray may reduce vapor; but may not prevent ignition in closed spaces.

First Aid

- Move victim to fresh air.
- Call emergency medical care.
- Apply artificial respiration if victim is not breathing.
- Administer oxygen if breathing is difficult.
- Remove and isolate contaminated clothing and shoes.
- In case of contact with substance, immediately flush skin or eyes with running water for at least 20 minutes.
- Wash skin with soap and water.
- Keep victim warm and quiet.
- Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.

**FOR FIRES INVOLVING ALCOHOLS (ETHANOL & METHANOL), DO NOT USE REGULAR FOAM
USE ALCOHOL-RESISTANT FOAM.**

BILL OF LADING INFORMATION**FOR FREIGHT COLLECT SHIPMENTS:**

If this shipment is to be delivered to the consignee, without recourse on the consignor, the consignor shall sign the following statement

The carrier may decline to make delivery of this shipment without payment of freight and all other lawful charges.

...BUCKEYE TERMINALS LLC
(Signature of Consignor)

RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and shipper, if applicable, otherwise to the rates classifications and rules that have been established by the carrier and are available to the shipper, on request.

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown) marked, consigned and destined as shown below, which said carrier agrees to carry to destination, if on its route or otherwise to deliver to another carrier on the route to destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Bill of Lading set forth in the National Motor Freight Classification 100-X and successive issues. The shipper hereby certifies that he is familiar with all the terms and conditions of the said Bill of Lading, including those on the back thereof, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

IF THIS DOCUMENT EVIDENCES A DELIVERY INTO SHIPPER'S TRUCK OR INTO CONSIGNEE'S TRUCK, IT IS NOT A BILL OF LADING, BUT CONSIGNEE'S RECEIPT FOR THE DELIVERY.

Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up.

Disposal: Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up.

Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof, and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR: May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR: May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray. No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

REFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

PILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 71). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF EXPOSED, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. Storage: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF EXPOSED, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. Storage: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. Disposal: Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – Prevention: Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – Prevention: Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – Prevention: Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF EXPOSED or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Storage: Store in a well-ventilated place. Keep cool. Store Locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. Response: IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. Storage: Store locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Response: If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up.

Disposal: Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up.

Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF EXPOSED, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention.

Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. RECEIPT IS ACKNOWLEDGED OF THE ABOVE MERCHANDISE IN GOOD CONDITIONS AND IN THE QUANTITIES INDICATED.
 X Addendum 1 - 0118-0640 - 2/22/2018 : CUSTOMER / CONSIGNEE

OSHA HAZARD LABEL #1 - GASOLINE-RELATED PRODUCTS

GENERAL HAZARDS: DANGER: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

Transmix - Prevention: Do not breathe mist/vapors/spray.

GENERAL HAZARDS: DANGER: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

Transmix - Prevention: Do not breathe mist/vapors/spray.

GENERAL HAZARDS: DANGER: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

Transmix - Prevention: Do not breathe mist/vapors/spray.

GENERAL HAZARDS: DANGER: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

Transmix - Prevention: Do not breathe mist/vapors/spray.

GENERAL HAZARDS: DANGER: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

OSHA HAZARD LABEL #4 - BIODIESEL-RELATED PRODUCTS

GENERAL HAZARDS: DANGER: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Response: IF SWALLOWED: Immediately call a POISON CENTER or doctor if you feel unwell. IF SKIN: Wash with plenty of soap and water. IF SKIN IRRITATION OR RASH OCCURS: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. Storage: Store locked up.

DISPOSAL: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Response: IF EXPOSED OR CONCERNED: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, water spray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee for payment of all charges. According to the receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariffs (s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. **Transmix - Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – Prevention: Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – Prevention: Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – Prevention: Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - **Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – **Response:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. **Transmix - Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled. May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – **Prevention:** Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – **Prevention:** Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – **Prevention:** Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - **Prevention:** Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof, and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. Storage: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. Storage: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. Disposal: Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – Prevention: Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – Prevention: Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – Prevention: Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Storage: Store in a well-ventilated place. Keep cool. Store Locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. Response: IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. Storage: Store locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Response: If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

Amendment 1 - 0118 0640 - 2/22/2018

POTENTIAL HAZARDS

Fire Or Explosion

- HIGHLY FLAMMABLE: Will be easily ignited by heat, sparks or flames.
- Vapors may form explosive mixtures with air.
- Vapors may travel to source of ignition and flash back.
- Most vapors are heavier than air. They will spread along ground and collect in low or confined areas (sewers, basements, tanks).
- Vapor explosion hazard indoors, outdoors or in sewers.
- Some may polymerize (P) explosively when heated or involved in a fire.
- Runoff to sewer may create fire or explosion hazard.
- Containers may explode when heated.
- Many liquids are lighter than water.
- Substance may be transported hot.

Health

- Inhalation or contact with material may irritate or burn skin and eyes.
- Fire may produce irritating, corrosive and/or toxic gases.
- Vapors may cause dizziness or suffocation.
- Runoff from fire control or dilution water may cause pollution.

PUBLIC SAFETY

- Call Emergency Response Telephone Number on Shipping Paper First. If shipping paper not available or no answer, refer to appropriate telephone number listed on the inside back cover.
- Isolate spill or leak immediately for at least 25 to 50 meters (80 to 160 feet) in all directions.
- Keep unauthorized personnel away.
- Stay upwind.
- Keep out of low areas.
- Ventilate closed spaces before entering.

Protective Clothing

- Wear positive pressure self-containing breathing apparatus (SCBA).
- Structural firefighters' protective clothing will only provide limited protection.

Evacuation

Large Spill
- Consider initial downward evacuation for at least 300 meters (1000 feet).

Fire
- If tank, rail car or tank truck is involved in a fire, ISOLATE for 800 meters (1/2 mile) in all directions; also, consider initial evacuation for 800 meters (1/2 mile) in all directions.

EMERGENCY RESPONSE

Fire

CAUTION: All these products have a very low flash point: Use of water spray when firefighting may be inefficient.

Small Fires

- Dry chemical, CO2, water spray or regular foam.

Large Fires

- Water spray, fog or regular foam.
- Do not use straight streams.
- Move containers from fire area if you can do it without risk.

Fires Involving Tanks or Car/Trailer Loads

- Fight fire from maximum distance or use unmanned hose holders or monitor nozzles.
- Cool containers with flooding quantities of water until well after fire is out.
- Withdraw immediately in case of rising sound from venting safety devices or discoloration of tank.
- ALWAYS stay away from the ends of tank.
- For massive fire, use unmanned hose holders or monitor nozzles; if this is impossible, withdraw from area and let fire burn.

Spill Or Leak

- ELIMINATE all ignition sources (no smoking, flares, sparks or flames in immediate area).
- All equipment used when handling the product must be grounded.
- Do not touch or walk through spilled material.
- Stop leak if you can do it without risk.
- Prevent entry into waterways, sewers, basements or confined areas.
- A vapor suppressing foam may be used to reduce vapors.
- Absorb or cover with dry earth, sand or other non-combustible material and transfer to containers.
- Use clean non-sparking tools to collect absorbed material.

Large Spills

- Dike far ahead of liquid spill for later disposal.
- Water spray may reduce vapor; but may not prevent ignition in closed spaces.

First Aid

- Move victim to fresh air.
- Call emergency medical care.
- Apply artificial respiration if victim is not breathing.
- Administer oxygen if breathing is difficult.
- Remove and isolate contaminated clothing and shoes.
- In case of contact with substance, immediately flush skin or eyes with running water for at least 20 minutes.
- Wash skin with soap and water.
- Keep victim warm and quiet.
- Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves.

FOR FIRES INVOLVING ALCOHOLS (ETHANOL & METHANOL), DO NOT USE REGULAR FOAM USE ALCOHOL-RESISTANT FOAM.

BILL OF LADING INFORMATION

FOR FREIGHT COLLECT SHIPMENTS:

If this shipment is to be delivered to the consignee, without recourse on the consignor, the consignor shall sign the following statement:

The carrier may decline to make delivery of this shipment without payment of freight and all other lawful charges.

BUCKEYE TERMINALS, LLC.
(Signature of Consignor)

RECEIVED, subject to individually determined rates or contracts that have been agreed upon in writing between the carrier and shipper, if applicable, otherwise to the rates, classifications and rules that have been established by the carrier and are available to the shipper, on request.

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown) marked, consigned and destined as shown below, which said carrier agrees to carry to destination if on its route or otherwise to deliver to another carrier on the route to destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in it or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Bill of Lading set forth in the National Motor Freight Classification 100-X and successor issues. The shipper hereby certifies that he is familiar with all the terms and conditions of the said Bill of Lading, including those on the back hereof, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

IF THIS DOCUMENT EVIDENCES A DELIVERY INTO SHIPPER'S TRUCK OR INTO CONSIGNEE'S TRUCK, IT IS NOT A BILL OF LADING, BUT CONSIGNEE'S RECEIPT FOR THE DELIVERY.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer. Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF EXPOSED, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. **Transmix - Prevention:** Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways. Causes skin irritation; May cause drowsiness or dizziness. Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF EXPOSED, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. **Storage:** Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. **Disposal:** Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – Prevention: Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – Prevention: Do not breathe mist/vapors/spray. Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – Prevention: Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. **Response:** IF EXPOSED or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair) Take off immediately all contaminated clothing. Rinse skin with water/shower. **Storage:** Store in a well-ventilated place. Keep cool. Store Locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. **Response:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. **Storage:** Store locked up. **Disposal:** Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **Response:** If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-3802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. Storage: Store in a well-ventilated place. Keep cool. Store Locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

OSHA HAZARD LABEL #4 – BIODIESEL-RELATED PRODUCTS

BIODIESEL B100; BIODIESEL B99; SE1885 SOY METHYL ESTER; B99 FOR NON-TRANSPORT USE

GENERAL HAZARDS: Danger: May be fatal if swallowed and enters airways; May cause an allergic skin reaction; Toxic to aquatic life.

ADDITIONAL HAZARDS: Biodiesel B99 & B99 for Non-Transport Use - Suspected of causing cancer.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves. Contaminated work clothing should not be allowed out of the workplace. Avoid release to the environment. Response: IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician. Do NOT induce vomiting. Storage: Store locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Biodiesel B99 & B99 for Non-Transport Use - Prevention: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Response: If exposed or concerned: Get medical attention.

EMERGENCY RESPONSE GUIDELINE

FIREFIGHTING: For extremely flammable materials, vapors may travel along ground and cause flash fires. For small fires, use Class B media such as carbon dioxide, dry chemical, foam or water spray. For large fires, waterspray, fog or regular foam can be used. Avoid using straight water streams. Water spray and foam must be applied carefully to avoid frothing. Firefighting should be attempted only by those who are adequately trained and equipped with proper protective equipment.

SPILL, RELEASE AND LEAK PROCEDURES: Isolate and evacuate area, shut off source if safe to do so. Eliminate all ignition sources. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.

OSHA HAZARD LABEL #1 – GASOLINE-RELATED PRODUCTS

Marathon Petroleum: Gasoline, Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83), Wholesale Gasoline Additive Blend, Transmix

GENERAL HAZARDS: Danger: EXTREMELY FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause respiratory irritation; May cause drowsiness or dizziness; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend - Causes serious eye irritation.

For Transmix - Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect spillage. Storage: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. Disposal: Dispose of contents/container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: Gasoline with Ethanol, Ethanol Flex-Fuel (E51-E83) & Wholesale Gasoline Additive Blend – Response: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists. Get medical attention. Transmix - Prevention: Do not breathe mist/vapors/spray.

OSHA HAZARD LABEL #2 – DIESEL/DISTILLATE-RELATED PRODUCTS

Marathon Petroleum: No. 1 Ultra Low Sulfur Diesel, No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel, Jet Fuel, K-1 Kerosene, Jet Fuel with Deicer, No. 2 Ultra Low Sulfur Diesel with Biodiesel, No. 2 Low Sulfur Diesel with Biodiesel, No. 1 Ultra Low Sulfur Diesel with Biodiesel

GENERAL HAZARDS: Danger: FLAMMABLE LIQUID AND VAPOR; May accumulate electrostatic charge and ignite or explode; May be fatal if swallowed and enters airways; Causes skin irritation; May cause drowsiness or dizziness; Suspected of causing cancer; Toxic to aquatic life with long lasting effects.

ADDITIONAL HAZARDS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel: Harmful if inhaled; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel: Harmful if inhaled; May cause an allergic skin reaction; May cause damage to organs (thymus, liver, bone marrow) through prolonged or repeated exposure.

No. 1 Ultra Low Sulfur Diesel with Biodiesel: May cause an allergic skin reaction.

Jet Fuel with Deicer - Suspected of damaging fertility or the unborn child.

GENERAL PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/protective clothing/eye protection/face protection. Avoid breathing mist/vapor/spray. Use only outdoors or in a well-ventilated area. Wash hands and any possibly exposed skin thoroughly after handling. Avoid release to the environment. Response: IF exposed, concerned or feel unwell: Get medical attention. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or rash occurs: Get medical attention. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell. IF SWALLOWED: Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. In case of fire: Use water spray, fog or regular foam for extinction. Collect Spillage. Storage: Store in a well-ventilated place. Keep container tightly closed. Keep cool. Store Locked up. Disposal: Dispose of contents/ container at an approved waste disposal plant.

ADDITIONAL PRECAUTIONARY STATEMENTS: No. 2 Ultra Low Sulfur Diesel & No. 2 Low Sulfur Diesel – Prevention: Do not breathe mist/vapors/spray.

No. 2 Ultra Low Sulfur Diesel with Biodiesel & No. 2 Low Sulfur Diesel with Biodiesel – Prevention: Do not breathe mist/vapors/spray; Contaminated work clothing must not be allowed out of the workplace.

No. 1 Ultra Low Sulfur Diesel with Biodiesel – Prevention: Contaminated work clothing must not be allowed out of the workplace.

OSHA HAZARD LABEL #3 – MARATHON PETROLEUM DENATURED ETHANOL

HAZARDS: Danger: HIGHLY FLAMMABLE LIQUID AND VAPOR; Causes serious eye irritation; May cause genetic defects; May cause cancer; Suspected of damaging fertility or the unborn child; Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Prevention: Keep away from heat/sparks/open flames/hot surfaces. No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/lighting/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Obtain special instructions before use. Advise National Response Center (800-424-8802) if substance has entered a watercourse or sewer. Notify local health and pollution control agencies, if appropriate. Contain liquid with sand or soil. Recover and return free liquid to proper containers.

DISPOSAL CONSIDERATIONS: It is the responsibility of the user to determine if waste material is hazardous at the time of disposal in accordance with RCRA regulations (40 CFR 260 through 271). State and local regulations may be more restrictive.

ADDITIONAL TERMS AND CONDITIONS

Unless expressly indicated to the contrary in a written agreement between Company and Carrier, this shipment is to be delivered to Customer/Consignee without recourse on Company. Accordingly, Carrier shall look solely to Customer/Consignee for payment of all charges, and, if desired by Carrier for assurance of payment, shall not make delivery of this shipment without payment of all charges.

The receipt of product hereunder is subject to pertinent contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof; and, as between Customer and Carrier, any pertinent contracts in effect between such parties, as well as the terms of any lawfully applicable tariff(s) if Carrier is a common carrier.

This document shall not constitute a Bill of Lading, but merely a receipt for product, when such product is moved in a vehicle operated by the shipper or owner of the product, or when title to product passes on a non-consignment basis. Nothing herein shall alter, in any manner, any contracts between Company and Customer and/or Carrier, as applicable, in effect on the date of issuance hereof.
