You warrant and represent that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. The two underlying principles are:

- a) Preventing the existence of conflicting roles that might bias a contractor's judgment, and
- b) Preventing an unfair competitive advantage. If you have an unfair competitive advantage or a conflict of interest, the District may withhold award. Before withholding award on these grounds, an offeror will be notified of the concerns and provided a reasonable opportunity to respond. Efforts to avoid or mitigate such concerns, including restrictions on future activities, may be considered. Without limiting the foregoing, you represent that your offer identifies any services that relate to either this solicitation or the work and that has already been performed by you, a proposed subcontractor, or an affiliated business of either.

2.0.13 DEADLINE FOR SUBMISSION:

Any offer received after the Procurement Officer of the governmental body or his designee has declared that the time set for opening has arrived, shall be rejected unless the offer has been delivered to the designated purchasing mail room at 2900 Mink Point Blvd, which services the procurement office prior to the bid opening (R.19-445.2070(H)).

Offeror, by submitting an Offer, represents that it has read and understands the Solicitation and that its Offer is made in compliance with the Solicitation. Offerors are expected to examine the Solicitation thoroughly and should request an explanation of any ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation. Failure to do so will be at the Offeror's risk. All ambiguities, discrepancies, errors, omissions, or conflicting statements in the Solicitation shall be interpreted to require the better quality or greater quantity of work and/or materials, unless otherwise directed by amendment. Offeror assumes responsibility for any patent ambiguity in the Solicitation that Offeror does not bring to BCSD's attention.

2.0.16 ETHICS CERTIFICATE (MAY 2008):

By submitting an Offer, the offeror certifies that the offeror has and will comply with, and has not, and will not, induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (ethics act). The following statutes require special attention:

- d) Sections 8-13-755 and 8-13-760, regarding restriction on employment by former public official;

The District may rescind any contract and recover all amounts expended as a result of any action taken in violation of this provision. If contractor participates, directly or indirectly, in the evaluation or award of public contracts, including without limitation, change orders or task orders regarding a public contract, contractor shall, if required by law to file such a statement, provide the statement required by Section 8-13-1150 to the procurement officer at the same time the law requires the statement to be filed.

2.0.17 OMIT TAXES FROM PRICE (JAN 2004):

Do **not** include any sales or use taxes in your price that BCSD may be required to pay.

2.0.18 PROTESTS (MAY 2019):

If you are aggrieved in connection with the solicitation or award of the contract, you may be entitled to protest, but only as provided in Section 11-35-4210. To protest a solicitation, you must submit a protest within fifteen days of the date the applicable solicitation document is issued. To protest an award, you must (i) submit notice of your intent to protest within seven business days of the date the award notice is posted, and (ii) submit your actual protest within fifteen days of the date the award notice is posted. Days are calculated as provided in Section 11-35-310(13). Both protests and notices of intent to protest must be in writing and must be received by the appropriate Chief Procurement Officer within the time provided. See clause entitled "Protest- CPO". The grounds of the protest and the relief requested must be set forth with enough particularity to give notice of the issues to be decided

2.0.19 PROHIBITED COMMUNICATIONS AND DONATIONS (FEB 2015):

Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of law.

- a) During the period between publication of the solicitation and final award, **you must not communicate, directly or indirectly, with the District or its employees, agents or officials regarding any aspect of this procurement activity**, unless otherwise approved in writing by the Procurement Officer. All communications must be solely with the Procurement Officer.
- b) You are advised to familiarize yourself with Regulation 19-445.2165, which restricts donations to a governmental entity with whom you have or seek to have a contract. **You represent that your offer discloses any gifts made, directly or through an intermediary, by you or your named subcontractors to or for the benefit of the District during the period beginning eighteen months prior to the Opening Date.**

2.0.20 PUBLIC OPENING (JAN 2004):

Offers will be publicly opened at the date/time and at the location identified on the cover page, or last Amendment, whichever is applicable.

2.0.21 QUESTIONS FROM OFFERORS (FEB 2015):

- a) Any prospective Offeror desiring an explanation or interpretation of the solicitation, drawings, specifications, etc., must request it in writing. Questions regarding the original solicitation or any amendment must be received by the Procurement Officer no later than five (5) days prior to opening unless an earlier date is stated on the Cover Page. Label any communication regarding your questions with the name of the Procurement Officer, and the solicitation's title and number. Oral explanations or instructions will not be binding. Any information given a prospective Offeror concerning a solicitation will be furnished promptly to all other prospective Offerors as an Amendment to the solicitation if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective Offerors. See clause entitled "Duty to Inquire." **We will not identify you in our answer to your question.**
- b) The BCSD seeks to permit maximum practicable competition. Offerors are urged to advise the Procurement Officer – as soon as possible – regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition.

2.0.22 REJECTION/CANCELLATION (JAN 2004):

The BCSD may cancel this solicitation in whole or in part. The BCSD may reject any or all proposals in whole or in part. A minimum of three bids is desired. If less than three bids are received, BCSD will make a determination.

2.0.23 RESPONSIVENESS / IMPROPER OFFERS (JUN 2015):

- a) Bid as Specified: Offers for supplies or services other than those specified will not be considered unless authorized by the Solicitation.
- b) Multiple Offers: Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements. If this solicitation is an Invitation for Bids, each separate Offer must be submitted as a separate document. If this solicitation is a Request for Proposals, multiple Offers may be submitted as one document, provided that you clearly differentiate between each Offer and you submit a separate cost proposal for each Offer, if applicable.
- c) Responsiveness: Any Offer that fails to conform to the material requirements of the Solicitation may be rejected as non-responsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer will be rejected if the total possible cost to the BCSD cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]
- d) Price Reasonableness: Any Offer may be rejected if the Procurement Officer determines in writing that it is unreasonable as to price. [R. 19-445.2070].
- e) Unbalanced Bidding: The BCSD may reject an Offer as non-responsive if the prices bid are materially unbalanced between line items or subline items. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the BCSD even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment.
- f) **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provision of the solicitation.

2.0.24 SIGNING YOUR OFFER (JAN 2004):

Every Offer must be signed by an individual with actual authority to bind the Offeror.

- a) If the Offeror is an individual, the Offer must be signed by that individual. If the Offeror is an individual doing business as a firm the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm.

- b) If the Offeror is a partnership, the Offer must be submitted in the partnership name followed by the words “by its Partner” and signed by a general partner.
- c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign.
- d) An Offer may be submitted by a Joint Venture involving any combination of individuals, partnerships, or corporations. If the Offeror is a Joint Venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the Joint Venture in the manner prescribed in paragraphs a) through c) above for each type of participant.
- e) If an Offer is signed by an Agent, other than as stated in subparagraphs a) through d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the Agent’s authorization to bind the principal.

2.0.25 BCSD OFFICE CLOSINGS (JAN 2004):

If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the BCSD office designated for receipt of bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first workday on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If BCSD offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference.

2.0.26 DISCLOSURE OF YOUR BID / PROPOSAL & SUBMITTING CONFIDENTIAL DATA (FEB 2021)

- a) According to Section 11-35-410, any person submitting a document in response or with regard to any solicitation or other request must "comply with instructions provided in the solicitation for marking information exempt from public disclosure. Information not marked as required by the applicable instructions may be disclosed to the public." IF YOU IDENTIFY YOUR ENTIRE RESPONSE AS EXEMPT FROM PUBLIC DISCLOSURE, OR IF YOU DO NOT SUBMIT A REDACTED COPY AS REQUIRED, THE DISTRICT MAY, IN ITS SOLE DISCRETION, DETERMINE YOUR BID OR PROPOSAL NONRESPONSIVE AND INELIGIBLE FOR AWARD.
- b) By submitting a response to this solicitation or request, Offeror agrees to the public disclosure of every page, or portion thereof, of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless

the page, or portion thereof, was redacted and conspicuously marked "Trade Secret" or "Confidential" or "Protected",

- 1) agrees that any information not redacted and marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and
 - 2) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure.
- c) If your offer includes any information that you claim is exempt from public disclosure, you must submit one complete copy of your offer from which you have removed or concealed such information (the redacted copy). Except for the information removed or concealed, the redacted copy must be identical to your original offer.
- d) Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If only portions of a page are subject to some protection, do not redact the entire page. The redacted copy must reflect the same pagination as the original and show the empty space from which information was redacted. The Procurement Officer must be able to view, search, copy and print the redacted copy without a password. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the District may, in its sole discretion, determine it nonresponsive.
- e) On the redacted copy, you must identify the basis of your claim by marking each redaction as follows: You must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that you redacted and claim as exempt from public disclosure because it is either
- 1) a trade secret as defined in Section 30-4-40(a)(1) of the Freedom of Information Act, or
 - 2) privileged and confidential, as that phrase is used in Section 11-35- 410. You must separately mark with the words "TRADE SECRET" every page, or portion thereof, that you redacted and claim as exempt from public disclosure as a trade secret pursuant to Section 39-8-20 of the Trade Secrets Act. You must separately mark with the word "PROTECTED" every page, or portion thereof, that you redacted and claim as exempt from public disclosure pursuant to Section 11-35- 1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text.
- f) In determining whether to release documents, the District will detrimentally rely on your redaction and marking of documents, as required by these bidding instructions,

as being either "Confidential" or "Trade Secret" or "Protected". By submitting a response, you agree to defend, indemnify and hold harmless the District, its agencies, officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from withholding information by the Beaufort County School District or any of its agencies, that you have redacted or marked as "Confidential" or "Trade Secret" or "Protected". (All references to S.C. Code of Laws.) [02-2A125-3] agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (All references to S.C. Code of Laws.)

3.0 SCOPE OF WORK/SPECIFICATIONS

3.0.1 PROJECT DESCRIPTION:

The Beaufort County School District (“Owner,” “District”) is pleased to invite professional Architectural design firms to submit qualifications in response to this Request for Qualifications (“RFQ”). The scope of this work will focus on the new build replacement school for Lady’s Island Middle School on an active campus and a new Bluffton Early Childhood Center. This project is funded by the referendum, approved by the voters on November 7, 2023. More than one architect may be selected for these two projects. Funds may only be used to fund projects listed in the referendum.

3.0.2 For the Lady’s Island Middle School – Replacement School on Active Campus the referendum stated the following:

“Constructing and equipping a new replacement school for Lady’s Island Middle School on its current location including demolition of the existing facility.”

The current school is a one story, 144,000 sf, middle school with student capacity for 1,088. The plan for the replacement school is to construct a two-story facility, smaller in size to the existing, with a lower student capacity. The plan is to build a school for 650 students with a core capacity for 800. The architectural team will need to work with the

Owner, Lady’s Island Middle School staff, alumni, and Beaufort County citizens to develop the program for this school. The work for this project shall begin immediately following the award announcement. Community participation in the programing stage is of utmost importance.

The new school shall include a full middle school athletic complex, gymnasium, parking, bus drop-off, cafeteria, media center and academic wings. The school shall be designed according to the District’s 2020 and Beyond facility standards. The school shall allow for after-hours community use. The facility shall meet the District’s current safety, security and technology standards.

- The construction of this replacement Lady’s Island Middle will occur while the current school remains in session. Safety of the students on the existing campus during construction is the top priority of BCSD. The architect shall be responsible for planning multiple phases of construction while keeping students safe.

3.0.3 For the New Bluffton Early Childhood Center – this involves the construction of a building on a green site located a property adjacent to River Ridge Academy. The referendum stated the following related to this construction project:

“Constructing and equipping a new early childhood center in Bluffton, including space for support services;”

The building constructed is to serve as a center for early childhood screening center, office space for early childhood education staff and a small school for Pk-K students. The estimated size of the building would be an approximately 50,000 sf building.

This design for this project is scheduled to begin toward the end of this school year. There will need to be significant early childhood education staff, River Ridge Academy parents and staff participation in the project scope of this project. The work for this project will follow immediately after the announcement of the award of this project.

3.0.4 After award, all services shall be provided to the location specified by this Solicitation.

3.0.5 The District anticipates using the construction delivery method of construction management at-risk using modified AIA Standard Forms of Agreement A133-2019 (Construction Manager as Constructor) and A201-2017 (General Conditions); the construction managers as constructors have not been selected.

7.1 TERMS AND CONDITIONS – B. SPECIAL:

7.1.1 BANKRUPTCY – GOVERNMENT INFORMATION (FEB 2015):

Subparagraphs 4) to 5) apply only if services are performed under this contract.

- b) Adjustments of Price or Time for Performance: If any such change increases or decreases the Contractor's cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, an adjustment shall be made in the contract price, the delivery schedule, or both, and the contract modified in writing accordingly. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause of this contract. Failure of the parties to agree to an adjustment shall not excuse the Contractor from proceeding with the Contract as changed, provided that the BCSD promptly and duly make such provisional adjustments in payment or time for performance as may be reasonable. By proceeding with the work, the Contractor shall not be deemed to have prejudiced any claim for additional compensation, or an extension of time for completion.
- c) Time Period for Claim: Within 30 days after receipt of a written contract modification under Paragraph a) of this clause, unless such period is extended by the Procurement Officer in writing, the Contractor shall file notice of intent to assert a claim for an adjustment. Later notification shall not bar the Contractor's claim unless the BCSD is prejudiced by the delay in notification.
- d) Claim Barred After Final Payment: No claim by the Contractor for an adjustment hereunder shall be allowed if notice is not given prior to final payment under this contract.

7.1.3 COMPLIANCE WITH LAWS (JAN 2006):

During the term of the Contract, Contractor shall comply with all applicable provisions of laws, codes, ordinances, rules, regulations, and tariffs.

7.1.4 CONTRACT LIMITATIONS (JAN 2006):

No sales may be made pursuant to this Contract for any item or service that is not expressly listed. No sales may be made pursuant to this contract after expiration of this contract. Violation of this provision may result in termination of this Contract and may subject contractor to suspension or debarment.

7.1.5 CONTRACTOR'S LIABILITY INSURANCE – GENERAL (FEB 2015):

- a) Without limiting any of the obligations or liabilities of Contractor, Contractor shall procure from a company or companies lawfully authorized to do business in South Carolina and with a current A.M. Best rating of no less than A: VII, and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work and the results of that work by the contractor, his agents, representatives, employees or subcontractors.
- b) Coverage shall be at least as broad as:
 - 1) Commercial general Liability (CGL): Insurance Services Office (ISO) Form Number CG 00 01 12 07 covering CGL on an “occurrence” basis, including products-completed operations, personal and advertising injury, with limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, the general aggregate limit shall be twice the required occurrence limit. This contract shall be considered to be an “insured contract” as defined in this policy.
 - 2) Auto Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limits no less than \$1,000,000 per accident for bodily injury and property damage.
 - 3) Worker's Compensation: As required by the State of South Carolina, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

General Liability coverage can be provided in the form of an endorsement to the Contractor's insurance at least as broad as ISO Form Number CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used.
- d) For any claims related to this contract, the Contractor's insurance coverage shall be primary insurance as respects the District, its officers, officials, employees and volunteers of any of them. Any insurance or self-insurance maintained by the District,

its officers, officials, employees and volunteers of any of them, shall be excess of the Contractor's insurance and shall not contribute with it.

- e) Prior to commencement of the work, the Contractor shall furnish the District with original certificates and amendatory endorsements, or copies of the applicable policy language effecting coverage required by this section. All certificates are to be received and approved by the District before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The District reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by this section, at any time.
- f) Should any of the above-described policies be cancelled before the expiration date thereof; notice will be delivered in accordance with the policy provisions. In addition, the Contractor shall notify the District immediately upon receiving any information that any of the coverages required by this section are or will be changed, cancelled, or replaced.
- g) Contractor hereby grants to the District a waiver of any right to subrogation which any insurer of said Contractor may acquire against the District by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the District has received a waiver of subrogation endorsement from the insurer.
- h) Any deductibles or self-insured retentions must be declared to and approved by the District. The District may require the Contractor to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses with the retention.
- i) The District reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurance, coverage, or other special circumstances.

7.1.6 CONTRACTOR PERSONNEL (JAN 2006):

The Contractor shall enforce strict discipline and good order among the Contractor's employees and other persons carrying out the Contract. The Contractor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them.

7.1.7 CONTRACTOR'S OBLIGATION – GENERAL (JAN 2006):

The Contractor shall provide and pay for all materials, tools, equipment, labor and professional and non-professional services, and shall perform all other acts and supply all other things necessary, to fully and properly perform and complete the work. The contractor must act as the prime Contractor and assume full responsibility for any

Subcontractor's performance. The Contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements.

7.1.8 DEFAULT:

- a) 1) The District may, subject to paragraphs (c) and (d) of this clause, by written notice of default to the contractor, terminate this contract in whole or in part if the contractor fails to –
 - i) Deliver the supplies or to perform the services within the time specified in this contract or any extension;
 - ii) Make progress, so as to endanger performance of this contract (but see paragraph (a)(2) of this clause; or
 - iii) Perform any of the other material provisions of this contract (but see paragraph (a)(2) of this clause).
- 2) The District's right to terminate this contract under subdivisions (a)(1)(ii) and (1)(iii) of this clause, may be exercised if the contractor does not cure such failure within 19 days (or more if authorized in writing by the Procurement Officer) after receipt of the notice from the Procurement officer specifying the failure.
- b) If the District terminates this contract in whole or in part, it may acquire, under the terms and in the manner the Procurement Officer considers appropriate, supplies or services similar to those terminated, and the contractor will be liable to the District for any excess costs for those supplies or services. However, the contractor shall continue the work not terminated.
- c) Except for defaults of subcontractors at any tier, the contractor shall not be liable for any excess costs if the failure to perform the contract arises from causes beyond the control and without the fault or negligence of the contractor. Examples of such causes include (1) acts of God or of the public enemy, (2) acts of the District in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of the contractor.
- d) If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is beyond the control of both the contractor and subcontractor, and without the fault or negligence of either, the contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted supplies or services were obtainable from other sources in sufficient time for the contractor to meet the required delivery schedule.
- e) If this contract is terminated for default, the District may require the contractor to transfer title and deliver to the District, as directed by the Procurement Officer, any

- 1) completed supplies, and
 - 2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as “manufacturing materials” in this clause) that the contractor has specifically produced or acquired for the terminated portion of this contract. Upon direction of the Procurement Officer, the contractor shall also protect and preserve property in its possession in which the District has an interest.
- f) The District shall pay contract price for completed supplies delivered and accepted. The contractor and Procurement Officer shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property; if the parties fail to agree, the Procurement Officer shall set an amount subject to the contractor’s rights under the Disputes clause. Failure to agree will be a dispute under the Disputes clause. The District may withhold from these amounts any sum the procurement officer determines to be necessary to protect the District against loss because of outstanding liens or claims of former lien holders.
- g) If, after termination, it is determined that the contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the District, be the same as if the termination had been issued for the convenience of the District. If, in the foregoing circumstances, this contract does not contain a clause providing for termination for convenience of the District, the contract shall be adjusted to compensate for such termination and the contract modified accordingly subject to the contractor’s rights under the Disputes clause.
- h) The rights and remedies of the District in this clause are in addition to any other rights and remedies provided by law or under this contract.

7.1.9 ESTIMATED QUANTITY - UNKNOWN (JAN 2006):

The total quantity of purchases of any individual item on the contract is not known. The District does not guarantee that the District will buy any specified item or total amount. The omission of an estimated purchase quantity does not indicate a lack of need but rather a lack of historical information.

7.1.10 ILLEGAL IMMIGRATION:

(An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the District upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14.

Pursuant to Section 8-14-60, “A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both.” You agree to include in any contracts with your subcontractor’s language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractor’s language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14. [07-7B097-1]

7.1.11 INDEMNIFICATION - THIRD PARTY CLAIMS - GENERAL (NOV 2011):

Notwithstanding any limitation in this agreement, and to the fullest extent permitted by law, Contractor shall defend and hold harmless Indemnitees for and against any and all suits or claims of any character (and all related damages, settlement payments, attorneys' fees, costs, expenses, losses or liabilities) by a third party which are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property arising out of or in connection with the goods or services acquired hereunder or caused in whole or in part by any act or omission of contractor, its subcontractors, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnatee, and whether or not such claims are made by a third party of an Indemnatee; however, if an Indemnatee’s negligent act or omission is subsequently determined to be the sole proximate cause of a suit or claim, the Indemnatee shall not be entitled to indemnification hereunder. Contractor shall be given timely written notice of any suit or claim. Contractor’s obligations hereunder are in no way limited by any protection afforded under workers’ compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties’ agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, or without regard to any clause regarding insurance. As used in this clause, “Indemnitees” means the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

7.1.12 INDEMNIFICATION - THIRD PARTY CLAIMS – DISCLOSURE OF INFORMATION (FEB 2015):

- a) Without limitation, Contractor shall defend and hold harmless Indemnitees from and against any and all suits, claims, investigations, or fines (hereinafter “action”) of any character (and all related damages, settlement payments, attorneys’ fees, costs, expenses, losses or liabilities) by a third party which arise out of or in connection with a disclosure of government information (as defined in the clause titled Information Security – Definitions) cause in whole or in part by any act or omission of contractor, its subcontractors at any tier, their employees, workmen, servants, agents, or anyone directly or indirectly employed by them or anyone for whose acts any of them may be liable, regardless of whether or not caused in part by an Indemnatee, and whether or

not such action is brought by a third party or an Indemnitee, but only if the act or omission constituted a failure to perform some obligation imposed by the contract or the law.

- b) Indemnitee must notify contractor in writing within a reasonable period of time after Indemnitee first receives written notice of any action. Indemnitee's failure to provide or delay in providing such notice will relieve contractor of its obligations under this clause only if and to the extent that such delay or failure materially prejudices contractor's ability to defend such action. Indemnitee must reasonably cooperate with contractor's defense of such actions (such cooperation does not require and is without waiver of an Indemnitee's attorney/client, work product, or other privilege_ and, subject to Title 1, Chapter 7 of the South Carolina Code of Laws, allow contractor sole control of the defense, so long as the defense is diligently and capably prosecuted. Indemnitee may participate in contractor's defense of any action at its own expense. Contractor may not, without Indemnitee's prior written consent, settle, compromise, or consent to the entry of any judgment in any such commenced or threatened action unless such settlement, compromise or consent:
 - i. includes an unconditional release of Indemnitee from all liability related to such commenced or threatened action, and
 - ii. is solely monetary in nature and does not include a statement as to, or an admission of fault, culpability or failure to act by or on behalf of, an Indemnitee or otherwise adversely affect an Indemnitee. Indemnitee's consent is necessary for any settlement that requires Indemnitee to part with any right or make any payment or subjects Indemnitee to any injunction
- c) Notwithstanding any other provision, contractor's obligations pursuant to this clause are without any limitation whatsoever. Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of the contract. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, or without regard to any clause regarding insurance.
- d) "Indemnitee" means the Beaufort County School District, its instrumentalities, departments, boards and all their respective officers, agents and employees.

7.1.13 INDEMNIFICATION - INTELLECTUAL PROPERTY (FEB 2015):

- a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the BCSD, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. BCSD shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. BCSD shall allow Contractor to settle such claim so long as:

- 1) all settlement payments are made by Contractor, and
 - 2) the settlement imposes no non-monetary obligation upon BCSD.
BCSD shall reasonably cooperate with Contractor's defense of such claim.
- b) In the event an injunction or order shall be obtained against BCSD's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either:
- 1) procure for BCSD the right to continue to use, or have used, the acquired item, or
 - 2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by BCSD.

If neither (1) nor (2), above, is practical, BCSD may require that Contractor remove the acquired item from BCSD, refund to BCSD any charges paid by BCSD therefore, and take all steps necessary to have BCSD released from any further liability.

- c) Contractors' obligations under this paragraph do not apply to a claim to the extent:
- 1) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD unless Contractor knew its compliance with the BCSD's specifications would infringe an IP right, or
 - 2) that the claim is caused by Contractor's compliance with specifications furnished by the BCSD if the BCSD knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor.
- d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work.
- e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

system, provided such system is consistent with any applicable Generally Accepted Accounting Principles.

- e) Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not:
