General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. The IRS has created a page on www.irs.gov/w9 for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Either Party may terminate this Contract without cause upon thirty (30) days prior written notice to the other party. Termination or cancellation of the contract will not relieve the Proposer of any deliverables and work product due prior to the termination of the Contract (this will include but not be limited to reports, statements of accounts, payments due the Village and any other records requested by the Village prior to the termination of the Contract, or after termination in the Village's discretion if needed for a post contract audit of money due on Proposer's performance). Termination or cancellation of the contract will not relieve the Proposer of any obligations or liabilities resulting from any acts committed by the Proposer prior to the termination of the contract.

B. Termination Because of Default

Without waiving the right to terminate without cause on thirty (30) days' notice, a party may issue a written notice to the other claiming that the other party is in breach of contract and giving the other party ten (10) calendar days to cure the default. If the alleged breach of contract is not cured, then the party serving the notice may terminate the Contract and be excused from further performance following termination. However, termination of the Contract will not relieve the Proposer of any deliverables and work product due prior to the termination of the Contract (this will include but not be limited to reports, statements of accounts, payments due the Village and any other records requested by the Village prior to the termination of the Contract.)

Article 7 Hold Harmless and Indemnification of the Village

The Village shall not be liable for any damages or claims of any type including but not limited to lost profits, special damages, consequential damages or business interruption on account of the Village's decision to terminate this Contract. Additionally, the Proposer agrees that in the event this Contract is terminated for the Village's breach, the damages that Proposer may have against the Village shall be limited to actual damages for a period of thirty (30) days given the fact that this Contract may be terminated by the Village without cause on thirty (30) days' notice.

Article 8 Term

The term of this Agreement shall commence upon the date of execution hereof and shall remain in effect for a period of three (3) years with an option to renew at the Villages request, every year after contract expires but will not exceed more than five (5) consecutive years, or until terminated by the Village as herein set forth. This option will only be exercised by the Village when such continuation is clearly in the best interest of the Village. Should the Village exercise its option to continue this this agreement, an updated insurance certificate will be needed annually.

Article 9 Audit and Inspection Rights

The Village may, at reasonable times, and for a period of up to three (3) years following the date of final performance of Services by the Proposer under this Agreement, audit, or cause to be audited, those books and records of Proposer which are related to Proposer's performance under this Agreement. Proposer agrees to maintain all such books and records at its principal place of business for a period of three (3) years after final payment is made under this Agreement. The Village may, at reasonable times during the term hereof, inspect Proposer's facilities and perform such inspections, as the Village deems reasonably necessary, to determine whether the services required to be provided by Proposer under this Agreement conform to the terms hereof and/or the terms of the Solicitation Documents, if applicable. Proposer shall make available to the Village all reasonable facilities and assistance to facilitate the performance of inspections by the Village's representatives. All inspections shall be subject to, and made in accordance with, the provisions of the Village Code as same may be amended or supplemented, from time to time.

Article 10 Federal and State Tax

The Village is exempt from payment of Florida State Sales and Use Taxes. The Village will sign an exemption certificate submitted by the Proposer. The Proposer shall not be exempted from paying sales tax to its suppliers for materials used to fulfill contractual obligations with the Village, nor is the Proposer authorized to use the Village's Tax Exemption Number in securing such materials.

The Proposer shall be responsible for payment of its own and its share of its employee taxes and Social Security benefits.

Article 11 Indemnification

Proposer shall indemnify and hold harmless the Village and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the Village or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Proposer or its employees, agents, servants, partners, principals or sub-Proposers. Proposer shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Village, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Proposer expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by Proposer shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Village or its officers, employees, agents and instrumentalities as herein provided. 1% of the contract amount shall represent the consideration to be provided for this indemnification. Nothing contained herein shall be deemed a waiver of sovereign immunity.

Article 12 Insurance

Award of this Contract is contingent upon the receipt of the insurance documents, as required, within ten (10) calendar days after Village notification to Proposer. Certificates of Insurance must be submitted to the Procurement Division, Certificates of Insurance that indicate that insurance coverage has been obtained which meets the requirements as outlined below:

- Comprehensive General Liability - \$1,000,000 combined single limit for each occurrence for bodily injury and property damage – designating the Village as Additional Insured
- Workers Compensation - Statutory Limits
- Automobile Liability - \$1,000,000 per occurrence for all claims arising out of bodily injuries or death and property damages.

All insurance policies must be issued by companies authorized to do business under the laws of the State of Florida. The companies must be rated no less than "B+" as to management and no less than "Class V" as to strength by the latest edition of Best's Insurance guide, published by A.M. Best Company, Olwick, New Jersey, or its equivalent, or the companies must hold a valid Florida Certificate of Authority as shown in the latest "List of All Insurance Companies Authorized or Approved to do Business in Florida," issued by the State of Florida Department of Insurance and are members of the Florida Guaranty Fund.

Certificates of Insurance must indicate that for any cancellation of coverage before the expiration date, the issuing insurance carrier will endeavor to mail thirty (30) day written advance notice to the certificate holder. In addition, the Proposer hereby agrees not to modify the insurance coverage without thirty (30) days written advance notice to the Village.

Compliance with the foregoing requirements shall not relieve the Proposer of this liability and obligation under this section or under any other section in the Agreement.

If the insurance certificate is received within the specified time frame but not in the manner prescribed in the Agreement, the Proposer shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the Village. If the Proposer fails to submit the required insurance documents in the manner prescribed in the Agreement within fifteen (15) calendar days after Village notification to comply, the Proposer shall be in default of the contractual terms and conditions and award of the Contract will be rescinded, unless such time frame for submission has been extended by the Village.

The Proposer shall be responsible for assuring that the insurance certificates required in conjunction with this Section remain in force for the duration of the contractual period of the Contract, including any and all option years or extension periods that may be granted by the Village. If insurance certificates are scheduled to expire during the contractual period, the Proposer shall be responsible for submitting new or renewed insurance certificates to the Village at a minimum of thirty (30) calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates which cover the

contractual period, the Village shall suspend the Contract until such time as the new or renewed certificates are received by the Village in the manner prescribed herein; provided, however, that this suspended period does not exceed thirty (30) calendar days. Thereafter, the Village may, at its sole discretion, terminate this contract.

Article 14 Severability

Article 15 Governing Law

This Agreement shall be construed in accordance with and governed by the laws of the State of Florida. Exclusive venue for any litigation shall be in Miami-Dade County, Florida.

Article 16 Waiver

The failure of either party to this Agreement to object to or to take affirmative action with respect to any conduct of the other which is in violation of the terms of this Agreement shall not be construed as a waiver of the violation or breach, or of any future violation, breach or wrongful conduct. No waiver by the Village of any provision of this Agreement shall be deemed to be a waiver of any other provisions hereof or of any subsequent breach by Proposer of the same, or any other provision or the enforcement thereof. The Village's consent to or approval of any act by Proposer requiring the Village's consent or approval shall not be deemed to render unnecessary the obtaining of the Village's consent to or approval of any subsequent consent or approval of Proposer, whether or not similar to the act so consented to or approved.

Article 24 Entire Agreement

No statements, representations, warranties, either written or oral, from whatever source arising, except as expressly stated in this Agreement, shall have any legal validity between the parties or be binding upon any of them. The parties acknowledge that this Agreement contains the entire understanding and agreement of the parties. No modifications hereof shall be effective unless made in writing and executed by the parties hereto with the same formalities as this Agreement is executed.

Article 25 Captions and Paragraph Headings

Captions and paragraph headings contained in this Agreement are for convenience and reference only and in no way define, describe, extend or limit the scope and intent of this Agreement, nor the intent of any provisions hereof.

Article 26 Joint Preparation

The preparation of this Agreement has been a joint effort of the parties, and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. It is the parties' further intention that this Agreement be construed liberally to achieve its intent.

Article 30 Sovereign Immunity And Attorney's Fees.

The Village does not waive sovereign immunity under 768.28, Florida Statutes, for any claim for breach of contract or for an award of prejudgment interest; provided, however, that in any action arising out of or to enforce this contract, the prevailing party shall be entitled to its reasonable attorney's fees and costs in any state or federal administrative, circuit court and appellate court proceedings. In the event of any litigation arising out of this agreement or project agreement, each party hereby knowingly, irrevocably, voluntarily, and intentionally waives its right to trial by jury.

Article 31 Permits, Licenses and Filing Fees

The Proposer shall procure all permits and licenses, pay all charges and fees, and file all notices as they pertain to the completion of the Proposer's work.

Article 32 Safety Provisions

The Proposer shall conform to the rules and regulations pertaining to safety established by OSHA and the California Division of Industrial Safety.

Article 33 Public and Employee Safety

Whenever the Proposer's operations create a condition hazardous to the public or Village employees, it shall, at its expense and without cost to the Village, furnish, erect and maintain such fences, temporary railings, barricades, lights, signs and other devices and take such other protective measures as are necessary to prevent accidents or damage or injury to the public and employees.

Article 34 Preservation of Village Property

The Proposer shall provide and install suitable safeguards, approved by the Village, to protect Village property from injury or damage. If Village property is injured or damaged resulting from the Proposer's operations, it shall be replaced or restored at the Proposer's expense. The facilities shall be replaced or restored to a condition as good as when the Proposer began work.

Article 35 Immigration Act of 1986

The Proposer warrants on behalf of itself and all sub-Proposers engaged for the performance of this work that only persons authorized to work in the United States pursuant to the Immigration Reform and Control Act of 1986 and other applicable laws shall be employed in the performance of the work hereunder.

Article 36 Proposer Non-Discrimination

In the award of subcontracts or in performance of this work, the Proposer agrees that it will not engage in, nor permit such sub-Vendors as it may employ, to engage in discrimination in employment of persons on any basis prohibited by State or Federal law.

Article 37 Accuracy of Specifications

The specifications for this project are believed by the Village to be accurate and to contain no affirmative misrepresentation or any concealment of fact. Proposers are cautioned to undertake an independent analysis of any test results in the specifications, as Village does not guaranty the accuracy of its interpretation of test results contained in the specifications package. In preparing its proposal, the Proposer and all sub-Vendors named in its proposal shall bear sole responsibility for proposal preparation errors resulting from any misstatements or omissions in the specifications that could easily have been ascertained by examining either the project site or accurate test data in the Village's possession. Although the effect of ambiguities or defects in the specifications will be as determined by law, any patent ambiguity or defect shall give rise to a duty of Proposer to inquire prior to proposal submittal. Failure to so inquire shall cause any such ambiguity or defect to be construed against the Proposer. An ambiguity or defect shall be considered patent if it is of such a nature that the Proposer, assuming reasonable skill, ability and diligence on its part, knew or should have known of the existence of the ambiguity or defect. Furthermore, failure of the Proposer or sub-Vendors to notify Village in writing of specification defects or ambiguities prior to proposal submittal shall waive any right to assert said defects or ambiguities subsequent to submittal of the proposal.

To the extent that these specifications constitute performance specifications, the Village shall not be liable for costs incurred by the successful Proposer to achieve the project's objective or standard beyond the amounts provided therefore in the proposal.

In the event that, after awarding the contract, any dispute arises as a result of any actual or alleged ambiguity or defect in the specifications, or any other matter whatsoever, Proposer shall immediately notify the Village in writing, and the Proposer and all sub-Proposers shall continue to perform, irrespective of whether or not the ambiguity or defect is major, material, minor or trivial, and irrespective of whether or not a change order, time extension, or additional compensation has been granted by Village. Failure to provide the hereinbefore described written notice within one (1) working day of Proposer's becoming aware of the facts giving rise to the dispute shall constitute a waiver of the right to assert the causative role of the defect or ambiguity in the plans or specifications concerning the dispute.

Article 38 Warranty Of Authority

The signatories to this contract warrant that they are duly authorized by action of their respective Village commission, board of directors or other Village to execute this contract and to bind the parties to the promises, terms, conditions and warranties contained in this contract.
