Notes

- 1 - As required by FEMA, Contractor shall submit to the County a record of disposed materials. The record shall include site name, date of disposal, and GPS coordinates of the site. If the demolished materials are recycled, the Contractor shall submit a statement to the County certifying the materials have been recycled.
- 2 - All items shall be bid as Furnish and Install, to include all appurtenances necessary to complete the project.
- 3 - All material replacements shall be of like kind and quality, unless otherwise specified in the bid documents.
