RE: CUSTODIAL SAMPLES BID 17-02

Please submit a sample of the products listed below at or before the pre-bid meeting on Wednesday, April 19, 2017 at 11:00 a.m. I would appreciate your immediate cooperation in this matter, as this will expedite the entire process. If samples are not provided, we have no way to verify and compare the quality of your products. This may result in the bid not being awarded to you even if you are the low bidder. Please indicate, **on the sample submitted, not on the packaging (ex: dispenser should be labeled, not the box it came in)**, the vendor, the bid number and item number of the product. Dispensers and other equipment may be picked up by the vendor **after the bids have been awarded if requested in writing**; however, we will not be responsible for shipping or delivery of items back to the vendor. Please call to set up a convenient time to pick items up after the bids have been awarded if you need them back. **Vendor must attend the pre-bid meeting with the products requested below to be able to submit a bid. Bids will be awarded on a per item basis. Please feel free to bid on any or all items.**

SAMPLES NEEDED

**If we do not receive a sample, it is likely the bid for that item to another vendor.
We use samples to compare the quality of the products submitted for bid consideration.
Please let us know in writing with your bid packet if you want to pick up your samples.
You may pick up samples by appointment only after bid is awarded.**
