FOR SCHOOL-BASED MENTAL HEALTH SERVICES**

This addendum is issued to answer questions that have been submitted regarding the RFP for Multiple At-Risk Counselors for School-Based Mental Health Services.

1. **Question:** What are the names of your current vendors and what are their bill rates?

Answer: Frontier Health, currently this is being paid by an outside agency.

2. **Question:** Approximately how many at-risk counselors does Sullivan County Purchasing anticipate needing?

Answer: It depends on the cost per counselor.

3. **Question:** Will the positions be full-time or part-time?

Answer: It will be the same schedule as students (173 days during the school year), and possibly some extra days that teachers are there for Professional Development. Each day is 7 hours and 15 minutes per day.

4. **Question:** If the positions are part-time, approximately how many hours per week will the counselors work?

Answer: Refer to question 3.

5. **Question:** How many contracts do you think you will award as a result of this solicitation? If your district is looking to hire staffing companies, then approximately how many firms would you like to work with to fulfill your staffing needs? If your district prefers to hire counselor's directly as independent contractors and not work with staffing companies, would like to know that too.

Answer: The district would prefer one company and would want that company to be the one to supervise the counselors, similar to a contracted employee.
