ADDENDUM-2

TO

**RFP FOR MULTIPLE AT-RISK COUNSELORS
FOR SCHOOL-BASED MENTAL HEALTH SERVICES**

This addendum is issued to answer the final question that has been submitted regarding the RFP for Multiple At-Risk Counselors for School-Based Mental Health Services.

1. **Question:** The RFP is clear about the cost proposal and the Affidavits required. What is not clear is, are you expecting a narrative description of services also? Your descriptions and requirements for services are clear and we hate to just send those back to you.

Answer: Additional services and or support can be offered as an option to be considered if the Proposer so chooses.
