

QUESTIONS SUBMITTED FOR CLARIFICATION

1.23.23

1. Is Spalding County open to all media formats in the exhibition design?
 - a. Yes, we are open to all media formats in the exhibition design. We anticipate the primary forms of media used within the exhibit space to include photographs, video, and audio.

2. Are there any operational or maintenance constraints that the designer should take into consideration when developing the initial budget?
 - a. No, this budget is only for the museum's exhibit.

3. The budget of \$200,000 is for “design and fabrication.” Does that include installation? If the design firm recommends digital components, must any minor electrical work be included in this budget?
 - a. Yes, the \$200,000 budget includes installation.
 - b. Yes, minor electrical work should be included in this budget.
