

NOTICE TO CONSULTANT ENGINEERS REGARDING A REQUEST FOR QUALIFICATIONS AND LETTERS OF INTEREST

May 19, 2019

City of Knoxville, an Equal Opportunity, Affirmative Action Employer, seeks to retain the services of a professional engineering consulting firm with expertise in transportation planning and working with the Local Programs office of the Tennessee Department of Transportation. The firm will be able to provide services related to a transportation planning study for the intersection of Magnolia Avenue, Asheville Highway, and Rutledge Pike. This project will study the current intersection design of Magnolia Avenue, Asheville Highway, and Rutledge Pike to provide recommendations for more efficient design/use of space, ease of navigation from all directions, and ways to incorporate multi-modal options. A general timeline and expectation for completion of this study is approximately six to nine months. This project is federally funded and shall be accomplished in accordance with TDOT Local Programs guidelines. The contract will be an hourly cost not to exceed method of payment. The professional consultant firm must be on TDOT's pre-approved list or have a completed pre-qualification form filed with TDOT by the deadline of the Letters of Interest. The prequalified firm must have unlimited status.

Estimated Schedule for Performance Work

- Question deadline: Prospective respondents may submit questions no later than June 7, 2019 at 4:30 p.m. eastern time. All questions must be emailed to Penny Owens at powens@knoxvilletn.gov
- Letters of Interest due June 14, 2019 at 11:00 a.m. eastern time
- Short list of three firms selected by June 28, 2019
- Phase II proposals due by July 12, 2019 at 11:00 a.m. eastern time
- Final selection of highest ranked firm by July 26, 2019

Firms may request consideration by submitting a letter of interest along with qualifications to City of Knoxville, Office of Purchasing Agent, City County Building, Suite 667; 400 Main Street; Knoxville, TN 37902 Attn: Penny Owens. All letters of interest must be received by the City of Knoxville on, or before June 14, 2019 at 11:00:00 eastern time. The letter of interest and qualifications shall indicate the scope of services to be completed by any sub-consultants. The City requires a submittal of six (6) printed copies of each letter of interest and qualifications and one (1) electronic copy on CD or USB Drive format. Label outside of envelope with project name: Magnolia Avenue, Asheville Highway, Rutledge Pike Intersection Study.

Phase I Evaluation

For Phase I evaluations firms shall submit letter of interest with firm contact information including name, address, and email of primary contact. The letters of interest shall also include:

- Experience in required discipline with other government agencies and projects of similar size and scope.
- Capabilities of firm, including resumes of those employees assigned to the project.
- Staff with current TDOT Certificates for the following: Local Government Guidelines for the Management of Federal and State Funded Transportation Projects, Local Public Agency Workshop-Right of Way Division.

From the letters of interest, the City of Knoxville will select three qualified firms to submit Phase II qualifications. From this list the top ranked consultant will be selected.

Phase II Evaluation

City of Knoxville will evaluate the firms on the following criteria (relative weight):

1. **Firms Qualifications and Experience on Similar Contracts.** The firm(s) involved should be able to cite projects of similar scope and size that have been successfully completed, and that have involved team members identified in the submittal in order to demonstrate success in project management. This includes evidence of good communication with all involved parties, a record of working successfully with clients and regulatory agencies, use of creative problem solving, and the ability to manage staff, budgets, and timelines in order to meet project goals and minimize the necessity for project change orders (30%).
2. **Project Approach/Methodology.** Describe in detail how this project will be approached. Describe any innovative or progressive approach that would be used in this project. Clearly show why the firm(s) should be superior to other proposing firms in the delivery of the scope of services (25%).
3. **Key Project Personal Qualifications & Experience.** Respondents should clearly identify the principal-in-charge and include in that person's qualifications a description of project management expertise. Additionally, the names of persons, their respective titles/roles, vitae, and dedication of time should be provided for any team member playing a significant role in the project (25%).
4. **Firms Availability.** List location of key staff and their ability to meet with City personnel or conduct site visits as required (20%).

The consultant evaluation committee holds the ability to conduct interviews based on scoring as Phase III Evaluation.
