Procurement Manager, the Offeror will be notified in writing of such determination and the method of protesting that determination (see Section II.C.1.).

6. Proposal Evaluation

The Evaluation Committee will review each Offerors proposal. Points will be allocated, by each member, as outlined in Section V of this RFP. 4. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The City of Aztec's personnel will not merge, collate, or assemble proposal materials.

5. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

7. Disclosure of Proposal Contents

Proposals will be kept confidential until negotiations and the award are completed by the City of Aztec. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

- A. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.
- B. Confidential data is restricted to:
 - 1. confidential financial information concerning the Offeror's organization;

2. and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.

C. PLEASE NOTE: The price of products offered or the cost of services proposed **shall not be designated** as proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the City of Aztec shall examine the Offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

8. No Obligation

This RFP in no manner obligates the City of Aztec to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

9. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the City of Aztec determines such action to be in the best interest of the City of Aztec.

10. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be effected by sending written notice to the contractor. The City of Aztec's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

11. Legal Review

The City of Aztec requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

12. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

13. Basis for Proposal

Only information supplied, in writing, by the City of Aztec through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.

14. Contract Terms and Conditions

The contract between the City of Aztec and a contractor will follow the format specified by the City of Aztec and contain the terms and conditions set forth in the Sample Contract Appendix H. However, the City of Aztec reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The City of Aztec discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the City of Aztec (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX H) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The City of Aztec may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the City of Aztec and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief description of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

Describe any work, whether by subject area or nature of work, which would not be covered by your compensation proposal.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

15. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the City of Aztec. Please see Section II.C.15 for requirements.

16. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the City of Aztec and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

17. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.

18. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

19. Change in Contractor Representatives

The City of Aztec reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the City of Aztec, adequately meeting the needs of the City of Aztec.

20. Notice of Penalties

The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

21. City Rights

The City of Aztec in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

22. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the City of Aztec written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or the City of Aztec's contracts deriving from this procurement. Failure to adhere to this

requirement may result in disqualification of the Offeror's proposal or removal from the contract.

23. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the City of Aztec.

24. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the City of Aztec.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring the City of Aztec's written permission.

25. Electronic mail address required

27. Campaign Contribution Disclosure Form

Offeror must complete, sign, and return the Campaign Contribution Disclosure Form, APPENDIX C, as a part of their proposal. This requirement applies regardless whether a covered contribution was made or not made for the identified official. Failure to complete and return the signed unaltered form will result in disqualification.

- A. Identify the submitting business entity.

CITY OF AZTEC
PROFESSIONAL SERVICES CONTRACT
RFP 2024-842 MUNICIPAL LEGAL SERVICES

THIS AGREEMENT is made and entered into by and between the **CITY OF AZTEC**, hereinafter referred to as the "City," and _____, hereinafter referred to as the "Contractor," and is effective as of _____, "Effective Date".

IT IS AGREED BETWEEN THE PARTIES:

1. Scope of Work.

Contractor agrees to perform the services as set forth in Scope of Services RFP 2024-842 MUNICIPAL LEGAL SERVICES, Exhibit 1, attached hereto, "Services", in a timely manner and in accordance with the terms and conditions of this Agreement and applicable laws. Contractor shall furnish, at its own expense, all labor, transportation, materials, consumables, qualified supervisory personnel, tools, equipment and facilities, to properly perform the Services, except as otherwise provided in the Services.

2. Compensation.

A. For performance and completion of the Services, the City shall pay the Contractor based on Compensation Schedule, Exhibit 2, attached hereto, "Compensation", excluding gross receipts tax. The New Mexico gross receipts tax levied on the amounts payable under this Agreement shall be paid by the City to the Contractor. **The monthly retainer fee payable to the Contractor under this agreement, shall not exceed \$_____ per month. Hours in excess of 40 hours per month will be compensated at \$_____ per hour for the period through Month day, 20__.**

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City. All invoices MUST BE received by the City no later than fifteen (15) days after the termination of the Fiscal Year (June 30) in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the City shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Agreement shall terminate on _____ unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with Section 13-1-150 NMSA 1978, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in Section 13-1-150 NMSA 1978.

4. Termination.

A. Termination. This Agreement may be terminated by either of the parties hereto upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Agreement, the City's sole liability upon such termination shall be to pay for acceptable work performed prior to the Contractor's receipt of the notice of termination, if the City is the terminating party, or the Contractor's sending of the notice of termination, if the Contractor is the terminating party; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor if the Contractor becomes unable to perform the services contracted for, as determined by the City or if, during the term of this Agreement, the Contractor or any of its officers, employees or agents is indicted for fraud, embezzlement or other crime due to misuse of city funds or due to the Appropriations paragraph herein. THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.

B. Termination Management. Immediately upon receipt by either the City or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the City; 2) comply with all directives issued by the City in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the City shall direct for the protection, preservation, retention or transfer of all property titled to the City and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the City upon termination and shall be submitted to the City as soon as practicable.

5. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the City of Aztec for the performance of this Agreement. If sufficient appropriations and authorization are not made by the City, this Agreement shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor.

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of city vehicles, or any other benefits afforded to employees of the City as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Assignment.

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the City.

8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the City.

9. Release.

Final payment of the amounts due under this Agreement shall operate as a release of the City, its officers and employees, from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City.

11. Product of Service -- Copyright.

All materials developed or acquired by the Contractor under this Agreement shall become the property of the City and shall be delivered to the City no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:

1) in accordance with Section 10-16-4.3 NMSA 1978, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any City employee while such employee was or is employed by the City and participating directly or indirectly in the City's contracting process;

2) this Agreement complies with Section 10-16-7(A) NMSA 1978 because (i) the Contractor is not a public officer or employee of the City; (ii) the Contractor is not a member of the family of a public officer or employee of the City; (iii) the Contractor is not a business in which a public officer or employee or the family of a public officer or employee has a substantial interest; or (iv) if the Contractor is a public officer or employee of the City, a member of the family of a public officer or employee of the City, or a business in which a public officer or employee of the City or the family of a public officer or employee of the City has a substantial interest, public notice was given as required by Section 10-16-7(A) NMSA 1978 and this Agreement was awarded pursuant to a competitive process;

3) in accordance with Section 10-16-8(A) NMSA 1978, (i) the Contractor is not, and has not been represented by, a person who has been a public officer or employee of the City within the preceding year and whose official act directly resulted in this Agreement and (ii) the Contractor is not, and has not been assisted in any way regarding this transaction by, a former public officer or employee of the City whose official act, while in City employment, directly resulted in the City's making this Agreement;

4) in accordance with Section 10-16-13 NMSA 1978, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

5) in accordance with Section 10-16-3 and Section 10-16-13.3 NMSA 1978, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the City.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the City relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

14. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

15. Penalties for violation of law.

The Procurement Code, Sections 13-1-28 through 13-1-199, NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

16. Equal Opportunity Compliance.

The Contractor agrees to abide by all federal and state laws and rules and regulations, and executive orders of the Governor of the State of New Mexico, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

17. Applicable Law.

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a San Juan County, New Mexico court of competent jurisdiction in accordance with Section 38-3-1 (G) NMSA 1978. By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

18. Insurance

Prior to commencement of the Services, Contractor shall obtain the insurance required by this Agreement and all insurance that may be required under the applicable laws, ordinances and regulations of any governmental authority. Each insurance policy of the Contractor shall provide, either in its printed text or by endorsement, that it shall be primary with respect to the interest of the City, and any insurance maintained by the City is in excess and not contributory to Contractor's insurance policies regardless of any like insurance coverage that the City may have. Contractor shall furnish to City a completed certificate of insurance coverage which references City's project number and project title for the Services and which specifically requires thirty (30) days prior notice to City of cancellation, termination or any material change of any such insurance policy. Review of the Contractor's insurance by City shall not relieve or increase the liability of Contractor. Where applicable, all insurance policies shall provide for waiver of subrogation in favor of the City, include cross liability provisions, and all policies, except Workers' Compensation and professional liability (a/k/a errors and omissions insurance), shall name the City as additional insured.

Without limiting any of the liabilities or other obligations of Contractor under this Agreement, Contractor shall obtain and maintain in effect, at its sole cost and expense, with forms and insurers acceptable to City, until all the obligations under this Agreement are satisfied, insurance policies providing coverage protecting against claims for personal and bodily injury or death, as well as claims for property damage which may arise from operations in connection with the Services whether such operations are by Contractor or any subcontractor for at least the following minimum coverage:

(a) Worker's Compensation Insurance. The Contractor agrees to comply with state laws and rules applicable to workers compensation benefits for its employees. If the Contractor fails to comply with the Workers Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the City.

(b) Commercial General Liability Insurance, or the equivalent, with a minimum limit of One Million Dollars (\$1,000,000) per occurrence. The policy shall include coverage for bodily injury liability, broad form property damage liability, blanket contractual, Engineer's protective, products liability and completed operations. Where applicable, the policy shall include coverage for the hazards commonly referred to as "XCU." The policy shall be endorsed to include City as an additional insured only to the extent the City is vicariously liable for the negligence, acts or omissions of Contractor.

(c) Business Automobile Liability Insurance, or the equivalent, with limit of not less than One Million Dollars (\$1,000,000) per accident with respect to Contractor's vehicles whether owned, hired, or non-owned, assigned to or used in the performance of any Services required to be performed by Contractor pursuant to the Agreement.

(d) Errors and Omissions Insurance, or the equivalent, with limit of not less than One Million Dollars (\$1,000,000).

19. Records and Financial Audit.

The Contractor shall maintain detailed time and expenditure records that indicate the date; time, nature and cost of services rendered during the Agreement's term and effect and retain them for a period of three (3) years from the date of final payment under this Agreement. The records shall be subject to inspection by the City. The City shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the City to recover excessive or illegal payments

20. Indemnification.

The Contractor shall defend, indemnify and hold harmless the City from all actions, proceeding, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the performance of this Agreement, caused by the negligent act or failure to act of the Contractor, its officers, employees, servants, subcontractors or agents, or if caused by the actions of any client of the Contractor resulting in injury or damage to persons or property during the time when the Contractor or any officer, agent, employee, servant or subcontractor thereof has or is performing services pursuant to this Agreement. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City by certified mail.

21. Invalid Term or Condition.

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

22. Enforcement of Agreement.

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

23. Notices.

Any notice required to be given to either party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. mail, either first class or certified, return receipt requested, postage prepaid, as follows:
