NOTICE IS HEREBY GIVEN – The City of Spartanburg is seeking Proposals from Licensed General Contractors or South Carolina Home Builders who are Licensed and Certified Lead Remediation Contractors for the use of Interim Abatement controls at **348 W. Hampton Ave., Spartanburg, SC**

Proposal No: 2324-11-14-02 -A

The City of Spartanburg, hereby, notifies all proposers that it will affirmatively ensure that all disadvantaged and women’s business enterprises will be afforded full opportunity to submit proposals in response to this invitation and will not be discriminated against on the grounds of gender, race, color, or national origin in consideration for an award.

The City of Spartanburg reserves the right to reject any or all proposals or to waive any informality in the qualifications process. Proposals may be held by the City of Spartanburg for a period not to exceed sixty (60) days from the date of the opening of Proposals for the purpose of reviewing the Proposals and investigating the qualifications of prospective parties, prior to awarding of the Contract. The vendor that is awarded the proposal will be required to have a City of Spartanburg Business License.

Pre-Bid Project Tour: 10:45 AM October 31, 2023 @ 348 W. Hampton Ave. Contractors do not need to be present to bid but must be aware of any addendum or questions related to the pre-bid walk-through that might occur at that meeting. This information will be emailed to all of the program’s usual contractors.

Sealed Bids no later than 3 PM on Tuesday, November 14, 2023. Proposals must be submitted to Carl Wright, Procurement and Property Manager, City Hall 145 W. Broad Street, at which time they will be publicly opened and read aloud in the Spartanburg Training Room, lower floor.

Please submit one (1) original and two (2) copies of your sealed proposals

Technical questions regarding the scope of services should be directed to David Maher, Program Manager and City of Spartanburg at 864-580-5011.

Proposals can be hand delivered or mailed to the following address:

Bidding Requirements for Contractors

This entire bid package must be submitted with two copies, or your bid will be considered incomplete and will be eliminated.

The contractor will meet with City Program officials and the property owner before work starts.

1. This is a Lump Sum Priced Project. Your total will be for two listed areas:
 - Lead Paint Remediation of areas listed within the scope of work – Lead Paint Work
 - Repairs to the exterior siding at the left rear – Healthy Homes Work
2. Contractor must have and submit a copy of these items with bid:
 - A current City Business License
 - SC State General Contractors or South Carolina Home Builders/Rehab license
 - All current Lead certifications to include a certified Company HUD Licensed Lead Supervisor, who will be overseeing lead protocol for this project and all RRP certified workers
3. Contractors and all subcontractors must be fully insured per City's insurance requirements
4. Must have a minimum of one year of experience dealing with lead paint related renovations for Residential houses and know the regulations, protocol, and adhere to them
5. Must submit a minimum of three references for work completed in the last twelve months on table D.
6. Management Companies (jobbers) (shoppers) who subcontract other companies to perform their work do not qualify
7. Return entire RFP bound, signed, or initialized, and two copies.
8. Trade-related, or special component work can be subcontracted, but the bidder must have a certified Lead Supervisor in their employment on site at all times while this related work is taking place. Contractors must also plan and have a sufficient amount of dependable equipment and personnel to complete all interior-related work in a **(12) twelve-day time period to include working on weekends.** This is due to the client having to be relocated while interior work is taking place. All exterior work as well as the entire scope of work must be completed in (19) nineteen weekdays or less.
10. Work Time Schedule

The typical acceptable working time is every day of the week Sunday thru Saturday from 8 AM to 8 PM, but work can be done later for all interior work where no occupant is onsite. Time is of the essence and the **interior work in most cases should be completed within (12) twelve days** if the owner is displaced, staying at another location until the interior work is done.
11. Pre-Bid Conference

The pre-bid conference is not mandatory however, if you do not attend the pre-bid conference and miss important information you are still responsible for information you missed.
12. Contract

The most responsive contractor will be asked to sign a contract with the City and property owner. This entire bid package with its Scope of Work will be part of the contract.

VIP: Once the winning bid is awarded, the contractor will need to have or secure a City Building Permit prior to commencing the work as needed. Contractors will not be allowed to start without a posted construction permit as well.
13. Warranty and Callback

The contractor will guarantee all work for a period of one year and return to make any corrections to the work they completed or a sub-contractor that they hired at their own expense.

14. Final Clearance

City has hired an environmentalist to conduct (1) one clearance test when all work is completed. If the clearance test fails, the contractor will be responsible for rectifying any clearance problems and will pay for any additional tests needed.

15. Liquidated Damages

Liquidated damages for non-compliance of a late or incomplete contract will be deducted at \$100.00 per day and will be deducted from the original contract amount.

16. **VIP Note:** Contractor Liability for Owners Room and Board beyond 12 days due to Relocation

If for any reason the contractor is late completing the interior work beyond the 12 days allowed by HUD, the contractor is responsible for the additional relocation costs to include food and lodging. That means if the owner/tenant has to stay in a rented unit past the 12 days and must pay for meals and living expenses, the amount the City incurs will be deducted from the final contract amount. This situation will be discussed with the contractor if it must occur, and the contractor will be made aware of all current charges.

17. **UNPAID SUB-CONTRACTORS OR VENDORS ON CITY PROJECTS**

When a sub-contractor or vendor has not been paid by the General Contractor and that project is closed and paid by the City, The General Contractor is not eligible to bid on City Projects until the sub-contractor or vendor is paid and verified in writing to this office by the owed party.

SCOPE OF WORK – Table A

NOTE THE IMPORTANT DETAILS OF THIS PROJECT

Background Information:

This house is located in the City's Hampton Heights Historical neighborhood.

The Contractor must furnish everything needed to complete the work and the daily cleaning involved per HUD's Field Guide for Painting, Interim Control and Home Maintenance. The Program Manager will communicate and/or advise the contractor accordingly if any necessary protocol is being overlooked or needs to be included in the daily work plan.

Note: Contractor will apply for a Certificate of Appropriateness (COA) through the City's Planning Department that will accompany the building permit. The cost of \$95.00 dollars will be waived as this is a City Grant project. Paperwork will be provided by the Program Manager and will be submitted by the Contractor through the Lead Safe Program Manager to Planning.

The Scope of Work for this project has been prioritized per the Lead Inspection report of Crossroads Environmental, CRE- #22888-ILP: Wet sand and scrape loose paint on the entire outside of the house then repaint all components with colors per the owner's choice is just one of the RFP items.

VIP: Contractors should note that a "Lead Supervisor" should be present on the jobsite for not only the lead remediation work but while all the painting is taking place in some capacity, especially if the painting is done and completed by a sub-contractor. The Lead Supervisor will be onsite to oversee the proper painting of all lead remediated components. Related labor oversight hours should be included as part of this RFP.

The main project items to be included are as follows:

LEAD REMEDIATION WORK: Contractors must do all their own component measurements to plan for the amount of encapsulate and paint that will be needed to cover all the siding and the rest of the related components throughout the house

All Wood siding:

- All of the initial sanding and scraping siding areas must be enclosed up to six feet from the walls, soffits and fascia on each side. Some type of enclosure must be used utilizing staging or PVC along all sides of the house. Clear 6 mil plastic will be attached to the outside of the enclosure so while scraping of the deteriorated paint is taking place, the plastic on the staging and the 6-mil plastic on the ground will catch all the lead dust and lead chips that will be present due to the wet scraping that will be taking place.
- The HEPA vacuum must be used consistently to keep up with all the dust and debris that takes place where each section of siding is wet sanded or scraped
- All workers must be overseen by the Lead Supervisor and the RRP certified assistant to work with lead remediation. All workers, while within the work area, will need to wear safety glasses, work gloves, N95 type mask and head covering. Booties should be provided for workers to wear within the Lead work area, locating a receptacle for them to be discharged into that receptacle each time they leave the work area to exit the property.
- A porta-potty and wash station will be provided on site through the grant for hand washing while being exposed and working with lead paint
- Following the wet scraping of all loose and deteriorated paint, all of the siding will be painted with (1) one coat of encapsulate and (2) two coats of a quality level paint. The owner will choose the color to be used to paint the siding. The staging barrier will remain in place during the sanding and/or scraping but moved further away from the walls (two foot maximum) to allow for more room to apply the paint, either by hand or spray gun

Front Porch

- All components of the front porch to include but not limited to the columns, windows, front door and the porch floor will be scraped as necessary. Clear plastic will be attached to the front fascia area and draped down into the porch area while all lead remediation work is taking place on the porch. All of the porch components will get one coat of encapsulate and two colors of paint with the choice of color being made by the owner
- The porch floor will need to be covered with plastic while all the porch siding, windows and door is being completed. Contractor should plan to complete the painting on the floor as the last project

Windows

- The exterior components of all of the house windows will be wet scraped as necessary, encapsulated and painted with two coats of premiere level paint. This will include all of the exterior window frames and all the window components. The following number of windows will need updated glazing: (12) twelve. These locations will be highlighted at the Pre-bid conference
- Attic windows/dormer will be painted to match the lower house windows

Interior Doors

- (6) Six interior doors, which will be noted the day and time of the Pre-bid, will be removed from their location, taken outside to be planed and re-painted so that they no longer have friction contact with each of their individual door frames. The striker jamb on each door casing will be painted with encapsulate and repainted the color of the surrounding jamb

Total for all Lead Remediation Items including related product and labor \$ _____

HEALTHY HOMES UPGRADES

1. R-19 batts of insulation will be added to the underside of the entire first floor via the crawl space. The Contractor is responsible for determining floor dimensions and amount of product necessary to complete. House is approximately 28' X 32' feet in size
2. Install gutters along the entire perimeter of the house and roof edge with appropriate downspouts in each corner
3. Replace the current Gas/Air heating and air system Ductwork per energy efficient code with all new "send and return" connections. Air test the system and all ductwork and vents prior to inspector sign off

General Eligibility Requirements:

To be considered contractors must be properly licensed by all Federal, State, and local regulations to perform the required work, complete all required documentation for the individual program and complete a contractor's project statement and an affidavit.

For work requiring abatement of Lead Based Paint Hazards, Contractors must have a Lead Based Paint Abatement Certification from the State of SC and employ Certified Lead Abatement Workers and/or Certified Lead Abatement Supervisors as required by law. **Contractors must attach current copies of State Abatement Contractor's Certification and a list of certified employees and/or supervisors.**

All General Contractors must be adequately insured and provide evidence of insurance. The contractor will also require that the City be named as an additionally insured party in conjunction with any construction contract awarded. Contractors must attach a current Certificate of Insurance showing all coverage and liability limits for general liability and workers compensation insurance. All contractors will be required to submit a completed lien waiver request for all Subcontractors that are utilized.

The city will pay contractors for completed work only and will not make deposits or down payments. City will pay contractors for completed work on a timely basis, but Contractors will need to be capable of financing construction pending reimbursement. Contractors must provide a physical company address to receive reimbursement checks and associated correspondence.

Change Orders

No Change Order request will be permitted as this is a one price completes all the work. If there are unforeseen circumstances that arise while the work is taking place, prior to any work being added, the Contractor will meet and discuss the situation with the Program Manager who will decide on the course of action to be taken, with the Contractor submitting a proposal amount for the additional work which must be approved by the homeowner and the Program Director.

Field Verification

Field measures all structures or components notes. The City will use Spartanburg County Assessors information as a guideline, but especially in the case of new windows being involved, HUD nor the City will not be responsible for Contractor ordering mistakes.

Lead Based Paint Items Disposal with Waste Manifest Receipts

The contractor must properly handle and dispose of debris containing Lead based Paint at a Subtitle D Landfill and is required to submit for verification the original receipt for the items disposed, which will be returned after verification. This would include all the removed windows and any surrounding lead painted stock/trim that would have to follow lead protocol for bagging, locating on site and waste disposal.

Improper Disposal

Improper disposal will be reported to SCDHEC. The City of Spartanburg **will not pay** a contractor any portion of the contract if improper disposal occurs. Legal action may also be taken against the contractor.

Lead Dust Control

It is the responsibility of the contractor to use HUD protocols and good judgment to control paint dust during work and meet all EPA, HUD, and OSHA regulations for its removal.

Preparation of Bid

Each bid must be submitted on the prescribed forms (contained herein). All blank spaces for bid prices must be completed in ink or typewritten, in words and/or figures, and all required Certifications must be fully completed and executed when submitted.

The lowest total **BID** will carry the most weight not the unit prices along with the contractor's experience and ability to meet the City's needs but does not guarantee the award. (See Lowest Bid)

Awarding Contracts

The City of Spartanburg shall be the sole judge of the bid and the resulting agreement that is in its best interest and its decision shall be final. All bidding and award procedures undertaken by the City in regard to this project shall be consistent with the City's adopted procurement procedures. Bid prices shall remain in effect for 60 days after bid opening.

Lowest Bid

The lowest bid does not automatically guarantee a contractor will get the work they bid on. Bids will be reviewed and scored for experience, pricing, quality of recent service, previous work history, references, State Licenses, State Registration, Insurances, Bonds, Subcontractors, Equipment Owned, Equipment Rented, Operators Experience, and Financial Stability. The City at its sole discretion will decide after a review which contractor, if any, is responsive to the RFP.

Bid Submittal

INCOMPLETE BID INFORMATION OR UNSIGNED BIDS WILL BE REJECTED IMMEDIATELY WITHOUT RECOURSE.

Please submit **BOUND** this entire RFP one (1) original and one (2) copies of your bid in a sealed envelope reflecting on the outside thereof the bidder's name and "Sealed Bid for all Services"

CITY OF SPARTANBURG
INSURANCE REQUIREMENTS FOR CONTRACTORS AND SUB CONTRACTORS
AND ALL VENDORS
September 30, 2010

NOTE: DO NOT BID ON THIS PROJECT IF YOU CAN NOT MEET THE FOLLOWING INSURANCE REQUIREMENTS!

Each sub-contractor must also complete this form and furnish a Certificate of Coverage.

CONTRACTOR'S LIABILITY AND OTHER INSURANCE: The Contractor shall purchase and maintain with a company acceptable to the City and authorized to do business in the State of South Carolina, such insurance as will protect him from claims under workers' compensation laws, disability benefit laws or other similar employee benefit laws; from claims for damages because of bodily injury, occupational sickness or disease, or death of his employees, and claims insured by usual personal injury liability coverage; from claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees, including claims insured by usual bodily injury liability coverage; and from claims for injury to or destruction of tangible property, including loss of use resulting there from - any or all of which may arise out of or result from the Contractor's operation under the contract documents, whether such operations be by himself or any subcontractor or anyone directly or indirectly employed by any of them or for whose acts any of them may be legally liable. This insurance shall be written for not less than the limits of liability specified below or required by law.

Automobile - Bodily injury and property damage liability covering all owned, non-owned and hired automobiles for limits of not less than \$1,000,000 **minimum** for bodily injury each person/each accident and \$1,000,000 property damage, or \$1,000,000 combined single limit - Bodily injury and property damage combined.

Comprehensive general liability – This coverage shall be on an “Occurrence” basis. Coverage shall include Premises and Operations; Products and Completed Operations; Medical Expense in reference to General Liability, and Contractual Liability. Bodily injury and property damage liability shall protect the Contractor and any subcontractor performing work under this contract from claims of bodily injury, Personal & Advertising injury, and property damage which could arise from operations of this contract whether such operations are performed by the Contractor, any subcontractor or anyone directly or indirectly employed by either. The amounts of such insurance shall not be less than \$1,000,000 per occurrence / personal & advertising injury, \$2,000,000 general aggregate, / Products completed operations aggregate, \$100,000 damages to rented premises, and \$10,000.00 medical expense (any one person) in reference to General Liability.

This insurance shall include coverage for products/completed operations, personal injury liability and contractual liability assumed under the indemnity provision of this contract and broad form property damage, explosion, collapse, and underground utility damage stating if policy is written on an occurrence basis. Any policy written on a claim made basis must be approved by the City of Spartanburg in advance.

Property Insurance including Builders Risks-Property coverage will name the City of Spartanburg as loss payee in instances where the City has an interest in the property unless otherwise requested.

Workers' Compensation and Employer's Liability – This coverage shall meet the statutory requirement of the State of South Carolina. Employers Liability shall be in the amount of \$1,000,000 each accident and disease - each employee and \$1,000,000 disease - policy limit. Sole Proprietors, Partners, Members of LLC, and Corporate officers will not be excluded from coverage.

The Contractor shall provide the City with insurance certificates certifying that the foregoing insurance is in force; and such insurance certificates shall include provisions that the insurance shall not be canceled, allowed to expire, or be materially changed without giving the City thirty (30) days advance notice by registered mail.

The City of Spartanburg, its employees, and agents shall be named as additional insured under the Contractor's general liability policies.

The Contractor is advised that if any part of the work under the contract is sublet, he shall require the subcontractor(s) to carry insurance as required above. However, this will in no way relieve the Contractor from providing full insurance coverage on all phases of the projects, including any that are sublet.

When certain work is to be performed inside right-of-way owned by railroads, South Carolina Department of Transportation, or other Agencies, both the Contractor and any subcontractor may be required to furnish individual insurance certificates made in favor by the controlling agency, with limits as established by that agency.

Cancellation and Re-issuance of Insurance: If any insurance required to be provided by the Contractor should be canceled or changed by the insurance company or should any such insurance expire during the period of this contract, the Contractor shall be responsible for securing other acceptable insurance to provide continuous coverage during the life of this contract.

Failure of the Contractor to maintain continuous coverage as specified herein will result in this project being shut down and any payments due, or to become due, withheld until such time as adequate, acceptable insurance is restored. This would be in addition to any legal recourse open to the City under breach of contract.

All coverages and provisions shall be in place, and documentation of such coverage shall be provided to the City of Spartanburg before any work can begin.

I will maintain the insurance requirements during all related work.

SECTION 3 CLAUSE

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic

opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implements section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, which are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section

Projects Involving Federal Funds
Federal Procurement Requirement – Appendix II

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- A. Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- B. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.
- C. Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- D. Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or sub recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.
- E. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are

applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- F. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
- G. Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and sub grants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- H. Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- I. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
- J. See 2 CFR §200.322 Procurement of recovered materials.
- K. Government Restrictions: In the event any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship or performance of the goods or services offered, it shall be the responsibility of the successful firm to immediately notify the City of Spartanburg in writing specifying the regulation which requires alteration. The City of Spartanburg reserves the right to accept any such alteration, including any reasonable price adjustments occasioned thereby, or to cancel the contract at no expense to the City of Spartanburg.
- L. Assignment or Transfer: The successful firm shall not assign or transfer any interest in the contract, in whole or part, without written approval of the City of Spartanburg. Claims for sums of money due, or to become due from the City of Spartanburg pursuant to the contract may be assigned to a bank, trust company or other financial institution. The City of Spartanburg is hereby expressly relieved and absolved of any and all liability in the event a purported assignment or subcontracting of the contract is attempted in the absence of the firm obtaining the Collaborative Partner’s prior written consent.

- M. Availability of Records: The Comptroller General of the United States, the Department of Housing and Urban Development (HUD), the City of Spartanburg and any duly authorized representative of each, shall have full and free access to, and the right to audit and to make excerpts and transcripts from, any and all pertinent books, records, documents, invoices papers and the like, of the vendor, or in the possession of the firm, which shall relate to, or concern the performance of the contract.
- N. Permits and Licenses: The successful firm shall obtain all permits and licenses that are required for performing its work. The firm shall pay all related fees and costs in connection with required permits and licenses. Proof of ownership shall be made on all software used in the execution of the contract. The firm will hold the City of Spartanburg harmless for any violation of software licensing resulting from breaches by employees, owners and agents of the firm.
- O. Taxes: The successful firm is responsible for all state and federal payroll and/or social security taxes. The firm shall hold the City of Spartanburg harmless in every respect against tax liability.
- P. Standards of Conduct: The successful firm shall be responsible for maintaining satisfactory standards of its employees' competence, conduct, courtesy, appearance, honesty, and integrity. It shall be responsible for taking such disciplinary action with respect to any of its employees as may be necessary.
- Q. Federal, State, and Local Reporting Compliance: The firm shall provide such financial and programmatic information as required by the City of Spartanburg to comply with all Federal, State and local law reporting requirements.
- R. Nondiscrimination: The firm agrees that it will abide by Federal, State and Local Laws, and City ordinances incorporated by reference herein.
- S. Section 3 Clause: Every applicant, recipient, contracting party, contractor, and subcontractor shall incorporate or cause to be incorporated a "Section 3 Clause" in all contracts for work in connection with a Section 3 covered development, if applicable. All proposals must also include a Compliance Plan to include submittal of reports applicable to Section 3 requirements, if applicable.
- T. Notices: All written notices required to be given by either party under the terms of the contract(s) resulting from the contract award shall be addressed to the firm at their legal business residence as given in the contract. Written notices to the City of Spartanburg shall be addressed as provided in the contract.
- U. Cancellation: Irrespective of any default hereunder the City of Spartanburg may also at any time, at its discretion, cancel the contract in whole or in part. In the event of cancellation, the Firm shall be entitled to receive equitable compensation for all work completed and accepted prior to such termination or cancellation as shall be indicated in the contract.
- V. Contract Documents: Written contract documents will be prepared by the City of Spartanburg. Modifications may be adopted based on final negotiations and specific requirements of the contract under this particular procurement or contract.
