

**CITY OF CALLAWAY  
S. BERTHE AVE. DRAINAGE IMPROVEMENTS  
BID NO.: CM2023-06**

**ADDENDUM #1**

Date Issued: March 28, 2023

This addendum is being released to address the following question and provide an updated Bid Certification Form:

1. In the bid tab for S Berthe it calls for 122 LF of 18" RCP pipe, however, on plan sheet C-105 it calls for 85 LF of 18" ADS and 37 LF of 18" RCP. Can you please confirm if this run of pipe is all RCP as shown in the bid tab or RCP and ADS as shown in the plans?

**A. The contractor is correct; we should have differentiated between the two materials in the bid. The 37' run needs to be RCP while the 85' run between structure S-6 and the endwall only needs to be ADS HP as shown in the plans.**

**B. Please see updated Bid Certification Form Attached**

*Janice L. Peters*

Janice L. Peters, City Clerk
