Electronic Copies: Vendors are encouraged to use the MS Word version of this document. If you need an electronic copy, send an email requesting it to purchasinginfo@kcdc.org.

1. **BACKGROUND AND INTENT**

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for the County of Knox in Tennessee. KCDC's public housing property portfolio includes seventeen housing properties with approximately 3,500 dwelling units. KCDC also administers approximately 3,800 vouchers through our Section 8 department and has three tax credit properties.
- b. This is a request for quotes-not sealed bids. KCDC could simply contact three vendors, obtain quotes and move forward but KCDC has chosen to solicit written bids from all interested parties. However, this is not a formal sealed bid and the normal formal sealed bidding requirements do not apply to this solicitation.
- c. KCDC operates The Manor at Northgate Terrace (4301 Whittle Springs Road in Knoxville). The Manor provides supportive services for seniors wanting to maintain an independent life style. The Manor offers services to seniors who are 60 years and older in an active community. The Manor provides a private apartment setting specifically for individuals who are experiencing daily living issues often associated with the aging process. Residents are charged rent based on their income in addition to a flat monthly service fee. Part of that fee covers this monitoring service. The intent of this solicitation is to arrive at an arrangement with a vendor to provide medical alert monitoring services for those residents needing this service. There are 41 apartment units with a possibility of 45 maximum occupants of The Manor. However, at any given time, the actual number of residents is less than this due to vacancies.
- d. KCDC operates The Residences at Eastport (539 McConnell St., Knoxville, TN 37915). Eastport is an 85 unit complex for independent seniors 62+. Monitoring services are offered as a perk to those who believe they would benefit and choose to have a home phone. The number of active accounts can vary as people move in and out, and start or stop home phone services, et cetera.
- e. The current contract for this service will expire in April 2016 and there are no more extensions available. This solicitation allows seamless service to continue. KCDC assumes that it will require two weeks to change out this service if the solicitation results in a new provider.

2. **CHANGES AFTER AWARD**

It is possible that after award KCDC will need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the vendor. Should additional costs arise, KCDC reserves the right to accept these charges provided the vendor documents the increased costs. KCDC reserves the right to add or delete sites (properties) as needs change.

3. **CONTACT POLICY**

The vendor may not contact anyone other than the KCDC's Purchasing Division from the issuance of this solicitation until award about matters pertaining to this solicitation. Information obtained from an unauthorized officer, agent, or employee of KCDC will not affect the risks or obligations assumed by the vendor or relieve the vendor from fulfilling any of the conditions of the resulting award for the purpose of this project. Additionally, such contact can disqualify the vendor from participation in the solicitation process.

4. **CONTACT PERSONNEL**

The vendor will not have more than two persons to handle billing inquiries and service related issues. In the event one or both contacts leave the KCDC account, the successful vendor will introduce the new contacts to KCDC personnel.

5. **EMPLOYEES**

Vendor will:

- a. Only allow personnel thoroughly trained and skilled to work on the KCDC job.
- b. Have sufficient personnel to complete the work in a timely manner.
- c. Enforce strict discipline and good order among his/her employees. Employees may not loiter on the premises before or after job working hours.
- d. Provide at least one employee on every job assignment with the ability to clearly speak, read, write and understand the English language in order for KCDC's representatives to effectively communicate with the vendor.

6. **ENTRANCE TO KCDC SITES**

Vendor employees are not to be on KCDC premises unless they are working on a KCDC project. Acquaintances, family members, assistants or any person not working on KCDC's behalf, will not accompany employees on KCDC sites unless said person is an authorized employee of the vendor.

7. **EQUIPMENT:**

Vendor shall provide all necessary equipment, materials, supplies, et cetera needed for the performance of the work.

8. **EVALUTION:**

KCDC will arrive at the "lowest and best" solution for the final award. This may or may not entail simply awarding to the vendor quoting the lowest cost.

All responses are subject to a determination of "responsive" and "responsible" prior to award. KCDC is the sole judge as to "responsiveness" and "responsibility" of vendors.

KCDC reserves the right to request additional information from vendors to assist in the evaluation process. This includes references and business capacity information.

9. **GENERAL INSTRUCTIONS**

KCDC no longer inserts “General Instructions to Vendors” in the solicitation document. Instead, these instructions are at www.kcdc.org. Click on “Doing Business With KCDC” where you will find a link to the instructions. By submitting a response to this solicitation, the vendor accepts the responsibility for downloading, reading and abiding by the terms and conditions set forth in KCDC’s “General Instructions to Vendors.” Vendors may wish to review certain applicable HUD instructions on KCDC’s webpage.

10. **IDENTIFICATION**

The vendor’s employees shall have proper identification displayed, at all times, while on KCDC property. All employees must wear a company uniform or have picture identification badges or other company identification at all times. Vendor vehicles are to have placards (on the doors or in the windshield) that identify the company name.

11. **INSURANCE**

The vendor shall maintain, at vendor’s sole expense, on a primary and non-contributory basis, at all times during the life of the contract insurance coverages, limits, and endorsements described herein. All insurance must be underwritten by insurers with an A.M. Best rating of A-: VI or better. Upon award, the vendor shall provide Certificate(s) of Insurance to KCDC evidencing said insurance coverages.

The vendor agrees the insurance requirements herein as well as KCDC’s review or acknowledgement, is not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the vendor under this contract

- a. ***Commercial General Liability Insurance:*** occurrence version commercial general liability insurance with a limit of not less than \$1,000,000 each occurrence for bodily injury, personal injury, property damage, and products and completed operations. If such insurance contains a general aggregate limit, it shall apply separately to the work/location in this contract or be no less than \$2,000,000.

Such insurance shall contain or be endorsed to contain a provision that includes KCDC, its officials, officers, employees, and volunteers as additional insureds with respect to liability arising out of work or operations performed by or on behalf of the vendor including materials, parts, or equipment furnished in connection with such work or operations. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed insureds.

The Additional Insured shall read “Knoxville’s Community Development Corporation (KCDC)”. If necessary, umbrella/excess liability insurance can be used in conjunction with the general liability insurance to meet these requirements. Unless the umbrella/excess liability insurance provides coverage on a pure/true follow-form basis, or KCDC is automatically defined as an additional insured, the vendor shall add by endorsement, KCDC, its officials, officers, employees, and volunteers as an additional insured.

- b. **Automobile Liability Insurance:** including vehicles owned, hired, and non-owned, with a combined single limit of not less than \$1,000,000 each occurrence. Such insurance shall include coverage for loading and unloading hazards.
- c. **Workers' Compensation Insurance and Employers Liability Insurance:** with statutory limits as required by the State of Tennessee or other applicable laws.
- d. **Other Insurance Requirements:** Vendor shall:
 - 1. Upon award, furnish KCDC with original Certificates of Insurance and amendatory endorsements effecting coverage required by this section. Certificates of Insurance shall provide a minimum 30-day endeavor to notify KCDC of cancellation when available by vendor's insurance. If the vendor receives a non-renewal or cancellation notice from an insurance carrier affording the required coverage, or receives notice that coverage no longer complies with the insurance requirements herein, vendor shall notify KCDC by email or fax within five (5) business days and provide a copy of the non-renewal for cancellation notice or written specifics as to which coverage is no longer in compliance.

The certificate holder address shall read:
Knoxville's Community Development Corporation
Attn: Contracting Officer
901 Broadway, NE
Knoxville, TN 37917

- 2. Provide certified copies of endorsements and policies if requested by KCDC in lieu of or in addition to Certificates of Insurance.
- 3. Replace certificates, policies, and endorsements for any such insurance expiring prior to completion of services.
- 4. Maintain such insurance from the time services commence until services are completed. Failure to maintain or renew coverage or to provide evidence of renewal may be treated by KCDC as a material breach of contract.
- 5. Require all subcontractors to maintain during the term of the resulting contract commercial general liability insurance, automobile liability insurance, and workers' compensation/employers liability insurance (unless subcontractor's employees are covered by vendor's insurance) in the same manor and limits as specified for the vendor. Vendor shall furnish subcontractor(s)' Certificates of Insurance to KCDC without expense prior to subcontractor(s) commencing work.
- 6. Any deductibles and/or self-insured retentions greater than \$50,000 must be disclosed to and approved by KCDC prior to the commencement of services. Use of large deductibles and/or self-insured retentions will require proof of financial ability as determined by KCDC.

7. Provide a waiver of subrogation for each required policy herein. When required by the insurer, or should a policy condition not permit vendor to enter into a pre-loss agreement to waive subrogation without an endorsement, the policy should be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This waiver of subrogation requirement shall not apply to any policy which includes a condition specifically prohibiting such an endorsement, or voids coverage should vendor enter into such an agreement on a pre-loss basis.
8. All policies must be written on an occurrence basis.
- e. **Right to Revise or Reject:** KCDC reserves the right, but not the obligation, to review or revise any insurance requirement, not limited to limits, coverages and endorsements based on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work / specifications affecting the applicability of coverage.
- f. **No Representation of Coverage Adequacy:** The coverages, limits or endorsements required herein protect the primary interests of KCDC, and the vendor agrees in no way should these coverages, limits or endorsements required be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect the vendor against any loss exposures, whether as a result of the project or otherwise.

12. **INVOICING/ORDERING**

- a. Until a purchase order is in place, work is not to be performed nor are goods to be delivered. As purchase orders authorize work and obligate payment, if a vendor performs work without a purchase order in place, KCDC does not have a legal obligation to pay for the work.
- b. Invoices must:
 1. Be numbered
 2. Have a date on them that is after the work is completed or goods delivered
 3. Show the purchase order number
 4. Breakdown pricing according to the award structure. For instance, if the award is priced by the hour, then the invoice needs to show the hours and rates. This is important so that KCDC can quickly compare the rates charged with the approved rates. For example:

ACME Company 123 Any Street Sometown, TN 37999 865.555.1212			
Invoice Date	01-10-16		
Invoice Number	12345		
Purchase Order Number	123456-123456		
Service/Delivery Date	12-31-15		
Service/Goods Details			
Item	Rate	Quantity	Total
Labor Hours-Laborer (per bid)	\$20.00	6	\$120.00
Labor Hours-Technician (per bid)	\$25.00	4	\$100.00
Rock (per ton with 8% discount)	\$50.00	1	\$50.00
Dumping Fee	\$100.00	1	\$100.00
Boards, 2 x 4, pressure treated (per bid)	\$1.00	75	\$75.00
Grand Total			\$445.00

5. Be suitable for scanning since KCDC does not maintain paper records.

Note: KCDC strongly encourages vendors to supply computer generated or otherwise typed invoices instead of hand completed invoices.

- c. Invoices must be submitted within 90 days of the date the goods or services were. KCDC reserves the right to not pay invoices submitted after the 90-day threshold.
- d. KCDC is exempt from all taxes levied by the State of Tennessee, its cities and counties, as well as most federally imposed taxes. However if vendors purchase goods for KCDC, the vendor must pay sales or “use tax.” Upon the placement of a purchase order or the award of a contract, KCDC will provide a State of Tennessee Governmental Sales Tax Exemption form to the vendor. Taxes shown on KCDC’s invoices will not be paid.
- e. KCDC normally pays by electronic transfer (ACH) only. KCDC does not issue checks. Vendors will need to set up their access to KCDC’s Vendor Portal to track actual payments made.

13. **LENGTH OF AWARD**

The length of the award will initially be 12 months. The award has four one-year optional renewals that can be exercised upon KCDC's request.

14. **PRICE STRUCTURE**

- a. At the end of award year, the successful vendor may request a price increase. Proof of increased cost to the successful vendor must accompany price increase requests. KCDC may, at its option:

1. Accept the proposed price increase.
2. Reject the proposed price increase.
3. Suggest an alternative price increase.

b. If KCDC rejects a proposed price the successful vendor may:

1. Continue with the existing pricing.
2. Suggest an alternative price increase.
3. End the award.

15. **QUESTIONS**

Submit questions pertaining to this document via email with “Questions about Medical Alert Monitoring” in the subject line, at least five days prior to the due date to purchasinginfo@KCDC.org.

16. **SAMPLE UNIT**

For evaluation purposes, vendors may be required to submit a working unit of the model proposed for KCDC. The purpose will be for the staff of The Manor to evaluate the suitability of the unit. The vendor may be present at such meeting.

17. **SCOPE OF WORK**

- a. Provide personal response equipment and services twenty-four hour a day, 365 days per year, for each resident at The Manor.
- b. KCDC is looking for units with basic features. Currently KCDC uses a 6900 model by Philips Lifeline. KCDC would also be interested in advanced style units if the base price for those units is reasonable and within KCDC’s allotted budget.
- c. KCDC will handle testing of units as well as practice with the apartment dweller.
- d. Communication (problems, lack of activities, options, et cetera) is to be between the successful vendor and KCDC-not to the residents.
- e. The battery life must be for a minimum of twelve hours.
- f. The unit must perform a self-check and alert the monitoring center if the pendant or the battery starts to go low.
- g. KCDC does not desire to use this unit as a speakerphone.
- h. KCDC wants one spare unit (including the pendant) in its possession at all times so that it can be substituted quickly for a unit and/or pendant that fails.
- i. KCDC wants units that reset after use instead of expecting the resident to reset the unit.

- j. The monitoring company must be capable of handling a deaf client.
- k. The pendant must be waterproof and an adjustable necklace type is preferred. However wristband style pendants may also be required.
- l. The monthly invoice will come to KCDC and not the resident.
- m. The monthly bill will be prorated to reflect actual time of usage. This is important since a resident may move in or out at any time during the month.
- n. During business hours two KCDC staff members are on the responder list for each resident. The service provider must be able to designate this so that they know not to attempt to reach KCDC staff during their off hours.
- o. With a new vendor, KCDC needs the vendor to install the units during the switch over (input information, change out machines, process new set up...). However, once the units are installed and staff understands the installation/set up, KCDC staff will handle the occasional swap out of units and resulting installations.
