RE: CUSTODIAL SUPPLIES BID 20-02 - SAMPLES

Please submit a sample of the products listed below at or before the pre-bid meeting on Tuesday, March 10, 2020 at 11:00 a.m. I would appreciate your immediate cooperation in this matter, as this will expedite the entire process. If samples are not provided, we have no way to verify and compare the quality of your products. This may result in the bid not being awarded to you even if you are the low bidder. Please indicate, **on the sample submitted, not on the packaging (ex: dispenser should be labeled, not the box it came in)**, the vendor, the bid number and Walker County Schools item number of the product. Dispensers and other equipment may be picked up by the vendor **after the bids have been awarded, if it is requested in writing with the samples**; however, we will not be responsible for shipping or delivery of items back to the vendor. Please call to set up a convenient time to pick items up after the bids have been awarded, if you need them back and have made such a request in writing. **Vendor must attend the pre-bid meeting with the products requested below to be able to submit a bid. Bids will be awarded on a per item basis. Please feel free to bid on any or all items.**

**SAMPLES NEEDED**

**If we do not receive a sample, it is likely the bid for that item will go to another vendor. We use samples to compare the quality of the products submitted for bid consideration. Please let us know in writing with your bid packet if you want to pick up your samples. You may pick up samples by appointment only after bid has been awarded.**
