

PROGRESS CLAUSE: Start work after July, 5th 2021 with ending date October 31st.

Each cemetery will be mowed a minimum of 2 times per month. The City has the right to add or subtract a mowing event (Each) due to weather conditions or grass conditions.

Labor Day Holiday (September 6th) – mowing operations must be performed no earlier than 3 days before the holiday weekend.

The city has the right to extend ending date beyond 10/31/21 if weather and grass conditions are warranted. The contractor will be paid an additional each for each time a cemetery is mowed.

Any damage to headstones or other items from mowing activities is considered to be the responsibility of the contractor to fix damage caused.
