SYSTEM IMPROVEMENTS**

Date: Georgetown, SC  
Project \_\_\_\_\_  
No. 60554981

**PROPOSAL OF \_\_\_\_\_,**

doing business as a corporation / a partnership / an individual (Strike out inapplicable terms), with its principal office in the City of \_\_\_\_\_, County of \_\_\_\_\_, State of \_\_\_\_\_, (hereinafter called "Bidder").

TO: City of Georgetown  
(hereinafter called "Owner"),

Gentlemen:

The Bidder, in compliance with your invitation for bids for the construction of Historic District Water System Improvements Project Number 1510 having examined the plans and specifications with related documents and the site of the proposed work, and being familiar with all of the conditions surrounding the construction of the proposed project, including the availability of materials and labor, hereby proposes to furnish all labor, materials and supplies, and to construct the project in accordance with the Contract Documents, within the time set forth therein, and at the prices stated below. These prices are to cover all expenses incurred in performing the work required under the Contract Documents, of which this proposal is a part.

Bidder hereby agrees to commence work under this contract on or before a date to be specified in written "Notice to Proceed" of the Owner and to fully complete the project within 180 consecutive calendar days thereafter as stipulated in the specifications. Bidder further agrees to pay as liquidated damages the sum of \$500 for each consecutive calendar day thereafter as hereinafter provided in Paragraph 19 of the General Conditions.

The drawings, specifications and addenda are complementary of each other. What is called for by one shall be as binding as if called for by all. If a conflict between any of the above is discovered by the contractor, the problem shall be referred to the Engineer as soon as possible for resolution by the Engineer. Should a conflict occur which is not resolved before bid time and/or is necessary to comply with mandatory requirements (i.e., codes, ordinances, etc.), it shall be the contractor's responsibility to price and bid the more expensive method.

Bidder acknowledges receipt of the following addendum:
