ADDENDUM #1

Date Issued: August 25, 2020

This addendum is being released to address the following:

1. I am looking over the paperwork provided on the bid posting and I have a question regarding sign count. Do we have an itemized sign count listed somewhere? In these plans there are 953 locations with anywhere from 1-4 signs per location. Does someone have an itemized count of each sign such as the example below.

- xx stop signs
- xx speed limit signs
- xx street name signs

A. Attached is an estimated list of the different signs required, figured to the best of our ability. An Excel Spreadsheet is also available upon request, which was used to tabulate the attached list.

2. A 5% contingency will be allowed for errors and omissions.

Janice L. Peters, City Clerk

This Addendum must be acknowledged and included with the bid packet submission.
