

CITY OF CALLAWAY  
VETERANS PARK DITCH SHORING  
BID NO.: PW2022-17

ADDENDUM #2

Date Issued: December 13, 2022

This addendum is being released to extend the bid opening date and address the following question:

1. The retaining wall at Veterans Park is calling for TYPE 4 Broadway Infill panel on the steel pedestrian rail. After talking with suppliers and subs that specific Broadway infill option is going to be significantly higher with a much longer wait time on arrival. I see other options on C-903 but it is unclear whether it HAS to be TYPE 4 or if I can be any of the others, TYPE 1 Picket Infill, TYPE 2 Chain-Link Infill, TYPE 3 Sunshine and Type 4 Broadway. Any clarification would be appreciated in order to price further.

**A. Type 3 (sunshine) will also be acceptable. I assume it won't be much of a cost or time savings compared to type 4, but it is a possibility.**

2. Bid opening is extended as follows:

**Thursday, December 22, 2022  
2:00 PM**

Callaway City Hall  
6601 East Highway 22  
Callaway, FL 32404

  
Janice L. Peters, City Clerk
