Overview

The City of Canton intends to contract with engineering firms for construction oversight for the following project:

- Rebar Ave. NE/US62 Realignment
-

Please note that the above-mentioned project will be a stand-alone contract.

Project Description

Project Name: Rebar Ave. NE/US62 Realignment

- This project is located along the following streets:
 - Rebar Ave. NE
 - Rebar Ave. NE/US62 Intersection
- It will involve replacement of asphalt roadway from new private facility at the north end to the intersection of US62 with new asphalt build-up. This will also include building a new intersection at US62 with temporary traffic signal.
- Construction is estimated to begin February of 2022 with a project duration of approximately 22 weeks. Estimated construction cost is \$3 million.

Professional Services Needed

The professional services needed under this request for qualifications are for construction inspection and quality control only. This includes, but is not limited to, inspection of material, ensure construction is according to plan, and review/manage project inspection documentation. There will be no material testing or tracking of quantities required for this project. There will also be no monitoring of DBE or prevailing wage rates necessary.

Location - See Project Descriptions.
