General Information

1. Background and Intent

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for Knox County in Tennessee. KCDC's affordable housing property portfolio includes twenty sites with approximately 3,525 dwelling units.
- b. Definition/Clarification: KCDC uses "suppliers" as inclusive of various words describing interested parties often called "bidders," "suppliers," "contractors," "proposers" and "vendors."
- c. KCDC has fire extinguishers at many of its locations and KCDC needs a supplier to inspect and certify the fire extinguishers. This requires the vendor to enter every apartment with a fire extinguisher.
- d. The successful supplier will furnish inspection services for approximately 3,000 fire extinguishers in KCDC owned apartments and offices at (approximately) twenty locations. Note that from time to time KCDC reassigns managers and this list is current as of this date. KCDC will provide updated lists to the successful supplier after award.

3. **Changes after Award**

It is possible that after award KCDC will need to revise the requirements specified herein. KCDC reserves the right to make such changes after consultation with the supplier. Information obtained from an unauthorized officer, agent, or employee will not affect the risks or obligations assumed by the supplier or relieve the supplier from fulfilling any of the conditions of the resulting award for the purpose of this project. Such contact can disqualify the supplier from the solicitation process.

Responsible means a business with the financial and technical ability to perform the requirements of the solicitation and subsequent contract.
- b. A responsive bid is one that fully conforms in all material respects to the solicitation document and its requirements, including all form and substance.
