### Questions and Answers:

- For Round Island Oceanside it includes irrigation maintenance. We noticed on the walk, it looks like the pump is missing a motor. Is there a separate system or is the system defunct?  
**The irrigation at Round Island was disabled so irrigation maintenance is hereby deleted from the scope of work at Round Island Oceanside Park.**
- Palm Trimming – Is this an additional service added to the new scope? It doesn't look like they have been trimmed in a year or so.  
**The palms were in the prior scope and two cycles of trimming were completed in the past year.**
