DATE: November 19, 2020
TO: Prospective Respondents
FROM: Gerald Cahalane, Assoc. Procurement Specialist
SUBJECT: Addendum #1 to Quote Request #36353, Rice Creek-Nine Mile Trail Road Trimming

This addendum is to provide information regarding a window for site access.

Responses to this quote request are still due **by no later than 3:00PM on, Monday, November 30, 2020.**

Access to the site will be available from the State Road 100 West access point, as shown on Figure 1 in the quote request packet. Additional location information and a screenshot will be provided on the next page of this addendum.

Site Access will be on the following dates and times:

- Monday, November 23, 2020 – 9:00AM to 4:00PM
- Tuesday, November 24, 2020 – 9:00AM to 4:00PM

There is a gate that will remain locked, but the combination to the lock will be: **2020**. This will allow temporary vendor access. The access point will be flagged or otherwise made clear when accessing the site. Please use due care when accessing and leaving the property to avoid damaging the grounds or surrounding areas.

Please have a copy of this quote request paperwork with you when visiting the site as District staff may be on the property.

Should you have any property specific questions, you may contact the District's Land Manager, Christopher Kinslow, at the following number 386-643-1939.

Any quote/project specific questions should be directed to me via email at gcahalan@sjrwmd.com or my office line at 386-326-3034.

The Rice Creek Conservation Area, which includes Nine Mile, is located on the left side of *State Road 100 West* if traveling from east to west, labeled below as Bolan Ramp Road.

Entering *Rice Creek Conservation Area* into your map application should return result below.

Below is an image of the extent of the Rice Creek Conservation Area, with access shown from both State Road 100 West and State Road 20.

Access from State Road 20 is available on the right side of the roadway when traveling east to west, and it intersects with Motes Island Road.
