**DEBRIS HAULING
RFP No. PW2018-09
November 7, 2018**

ADDENDUM #2

This addendum is being issued to clarify the following questions:

1. Page 1 under Qualifications states that we must have previous disaster debris monitoring experience. Please confirm this RFP is for debris removal services and not debris monitoring services.
A. That is correct, please disregard verbiage requiring Disaster Debris Monitoring Experience.
2. Please confirm if we are to submit a bid bond in the amount of \$100,000 with our proposal submittal.
A. Yes, a security bond is the amount of \$100,000 is required with submission of the RFP.
3. Proposal Form - We are a Limited Liability Company. Is it acceptable to write this in lieu of Corporation, Partnership, or Individual?
A. Yes
4. Attachment 2 is a required form, but it does not have a spot for a signature. Does it require a signature?
A. Attachment 2 does not need a signature. Those are Federal regulations that will be incorporated into the final contract.

Please acknowledge receipt of this Addendum, which must be included with your bid.
