Also, County reserves the right to reject the bid of any Bidder if County believes that it would not be in the best interest of the County, to make an award to that Bidder, whether the bid is not responsive, or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by County.
- 1.04.10* County reserves the right to negotiate with the apparent low Bidder including changes in the scope of work if the apparent low bid is greater than the project budget.

- 1.04.14* The County reserves the right to waive any informalities or reject any and all bids, in whole or part, to utilize any applicable state contracts in lieu of or in addition to this bid and to accept the bid that in its judgment will best serve the interest of the County.
- 1.04.15* The Board specifically reserves the right to reject any conditional bid and will normally reject those that made it impossible to determine the true cost of the bid.
- 1.04.16* Bid Protests: Any Bidder or respondent, who is not the awarded Contractor, but is aggrieved in connection with the award of a Contract, may file a Notice of Protest, in writing, with the Board of Commissioners’ Office, within seventy-two (72) hours after Board of Commission approval. - B. If, within twenty-four hours after bids are opened, any Bidder files a duly signed, written notice with County and promptly thereafter demonstrates to the reasonable satisfaction of County that there was a material and substantial mistake in the preparation of its bid, that Bidder may withdraw its bid and the bid security will be returned. Thereafter, that Bidder will be disqualified from further bidding on the work to be provided under the Contract Documents.

1.05 AWARD OF CONTRACTS

- 1.05.2* Notice of Award: If the Contract is to be awarded, County will give the Successful Bidder a written Notice of Award within sixty (60) days after the days of the bid opening.
- 1.05.3* The County reserves the right to award the Contract conditional upon funds being made available for such project.
- 1.05.4* County Obligation to Award: There is no obligation on the part of the County to award the project to the lowest bid price, and the County reserves the right to award the project to a Bidder submitting a bid response with a resulting negotiated agreement which is most advantageous and in

the best interest of Peach County, and to reject any and all bids or to waive any irregularity or technicality in bids received. Peach County shall be the sole judge of the bid and the resulting negotiated agreement that is in its best interest and its decision shall be final.

1.05.5 The County reserves the right to utilize any, all, or none of the Contractors that are awarded pursuant to the County's solicitation for the services contained in this Agreement.

1.05.6 Signing the Agreement: When County gives a Notice of Award to the Successful Bidder, it will be accompanied by the required number of unsigned counterparts of the Agreement with all other written Contract Documents attached. Within ten (10) days thereafter Contractor shall sign and deliver the required number of counterparts of the Agreement and attached documents to County with the required Bonds. Within ten (10) days thereafter, County shall deliver one fully signed counterpart to Contractor.

1.05.7 Subcontractor Approval: If the General or Supplementary Conditions require the identity of certain Subcontractors, Suppliers, and other persons and organizations (including those who are to furnish the principal items of material and equipment) to be submitted to County in advance of the specified date prior to the Effective Date of the Agreement, the apparent Successful Bidder, and any other Bidder so requested, shall within seven days after the bid opening, submit to County, a list of all such Subcontractors, Suppliers and other persons and organizations proposed for those portions of the work for which such identification is required. If County after due investigation, has reasonable objection to any proposed Subcontractor, Supplier, other person or organization, either may before the Notice of Award is given request the apparent Successful Bidder to submit an acceptable substitute without an increase in bid price. If apparent Successful Bidder declines to make any such substitution, County may award the Contract to the next lowest Bidder that proposes to use acceptable Subcontractors, Suppliers and other persons and organizations. The declining to make requested substitutions will not constitute grounds for sacrificing the bid security of any Bidder. Any Subcontractor, Supplier, other person or organization listed and to whom County does not make written objection prior to the giving of the Notice of Award shall be deemed acceptable to County subject to revocation of such acceptance after the Effective Date of the Agreement. No Contractor shall be required to employ any Subcontractor, Supplier, other person or organization against whom Contractor has reasonable objection.
