**CITY OF BELLE MEADE
SNOW & ICE REMOVAL CONTRACT BID SPECIFICATIONS
DECEMBER 1, 2020 – NOVEMBER 30, 2022**

A. Invitation to Bid

Sealed bids for a two-year contract for the removal of snow and ice and salting of streets within the Belle Meade city limits will be accepted at Belle Meade City Hall, 4705 Harding Road, Nashville, TN 37205 (615-297-6041) on or before 10:00 am CST on Tuesday, September 8, 2020, at which time said bids will be publicly opened and read aloud. Specifications and plans will be available on or after 12 noon, Monday, August 24, 2020 at City Hall or online at <https://citybellemeade.org/finance/>. Please contact Larry Smith, Public Works Director or Nathan McVay, Assistant Public Works Director at 615-297-6041, lsmith@citybellemeade.org, or nmcvay@citybellemeade.org for questions or information.

The City reserves the right to waive informalities and to reject any and all bids.

B. Information for Bidders

The City of Belle Meade, Tennessee solicits sealed bids for a two (2) year contract for the removal of snow and ice and salting of all streets, or specific areas within the City as instructed by the Director of Public Works.

1. Sealed bids will be received by the City of Belle Meade, at City Hall, 4705 Harding Road, Nashville, Tennessee, 37205, at or before **10:00 a.m. C.S.T., on Tuesday, September 8, 2020**, at which time they will be publicly opened and read aloud.

2. All bidders must be licensed contractors as required by the Contractors Licensing Act of 1976 (TCA Title 62, Chapter 6). No bid will be opened unless the outside of the sealed envelope containing the bids provides the following information: the contractor's license number, date of the license's expiration, and a quotation of that part of the classification applying to the bid. In the case of joint ventures, each party submitting the bid must provide this information.

3. Bids must be submitted on the Bid Form enclosed, with Schedules I – IV, attached.

4. No bidder may withdraw a submitted bid for a period of 60 days after the date set for the opening of bids. The City reserves the right to accept any bid or reject any and/or all bids.

5. The City may make such investigations as it deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the City all such information and data for this purpose as the City may request. The City reserves the right to reject any bid if the information submitted by, or an investigation of, such bidder fails to satisfy the City that such bidder is properly qualified to carry out the obligations of the Contract and to complete the work stipulated therein.

6. Contractor will provide street salting and snow and ice removal services to the City of Belle Meade as often as deemed necessary by the Director of Public Works. These services will be provided and billed according to the rate schedule proposed by the contractor and approved by the City Board of Commissioners.

7. Any excessive, out of the ordinary, or unusual accumulation of snow and ice is covered by the price quoted in this agreement under the hourly rate.

8. The City requires a two (2) hour maximum response time, unless otherwise directed.

9. Schedules V (Population & Residences Served), VI (City Map) and VII (Snow & Ice Removal Policy) are to be used as a guideline only. Belle Meade roads receiving this service do not include state and federal highway segments, Metro road segments, or any private or institutional road segments. The Public Works Director will identify these areas as well as areas that may need special or priority attention.

10. The contractor is expected to use all caution and to observe all traffic laws during snow and ice removal operations. However, it is not the intent of the City to require the contractor to continue operations when it would be unsafe. Agreement to cease operations due to unsafe conditions will be determined jointly by the contractor and the Director of Public Works.

C. Conditions

1. Indemnity and Insurance Requirements – It is specifically understood and agreed between the parties that the Contractor shall indemnify City, defend and save it harmless against any and all claims, causes of action and/or suits which may be presented or brought, arising out of the conduct of the Contractor or any of its employees, servants or agents or subcontractors, in the performance of this agreement. In furtherance of this agreement for indemnity, but not by way of limitation thereof, Contractor shall obtain and keep in effect during the term hereof, and any extension, at his own expense, policies of insurance, indemnifying itself, and the City against all claims, causes of action and other liabilities or whatsoever kind and nature arising out of, or in any way connected with its activities pursuant to this contract, such insurance to cover:

- Workers Compensation benefits as required under the statutory limits for the State of Tennessee,
- General Liability to include damages for Bodily Injury, Property Damage, and Personal Injury in the amount of one million dollars (\$1,000,000) per occurrence with a two million dollar (\$2,000,000) annual aggregate.
- Automobile Liability to include owned, hired, and non-owned motor vehicles in the amount of one million dollars (\$1,000,000) per occurrence.

IN ADDITION to Insurance Certificates for the above coverages, an ENDORSEMENT NAMING THE CITY OF BELLE MEADE AS AN ADDITIONAL INSURED is required for the Liability and Automobile coverages.

2. Bidder shall be required to satisfy the City Manager that they have adequate equipment and experience to perform the contract. At a minimum, bidder must certify that he has back-up equipment available to replace the equipment normally used to perform the contract

3. Bidder shall keep a sufficient number of full-time employed personnel satisfactory to the City for carrying out the services required.

4. Escalation / De-Escalation – Prices quoted shall be firm for one (1) year following the effective date of the Contract. Requests for price changes after the firm price period expires may be submitted IN WRITING to the City Manager. Any increase will be based on the Contractor's actual cost increase only, as evidenced by written documentation. All requests for price increases must be in writing, must not constitute increases in profit, and must contain certifiable data establishing or supporting the general industry-wide nature of the change.

At the option of the City, (1) the request may be granted, (2) the Contract may be cancelled and awarded to the next lowest responsive and responsible bidder whose bid meets the requirements and criteria set forth in the original Invitation To Bid, (3) the Contract may be cancelled and the commodity/service may be re-advertised and bid, or (4) continue the Contract without any change.

The City will accept or reject all such written requests within thirty (30) days of the date of receipt. If approved, the City will notify the Contractor of the date the increase/decrease will be effective. Contractors must honor all purchase orders dated up to thirty (30) days subsequent to the price change request at the original price.

5. The City has a right to cancel this contract on thirty (30) days written notice for failure of bidder to properly perform the duties herein.

6. The successful bidder shall enter into a written contract prior to December 1, 2020 and provide evidence of insurance at that time (or pre-agreed later date).

7. The term of the initial contract would be for two (2) years, beginning December 1, 2020 and ending November 30, 20. After completion of the initial contract period, the contract may be renewed for a period not to exceed one (1) year per renewal for up to two (2) years upon written confirmation from the City and the Contractor. The salt and/or calcium chloride cost can be adjusted at any of the contract renewal dates following the criteria set forth in section B. (4), Escalation/De-Escalation.

D. Qualifications

Bidder must demonstrate to the City that he has the following:

1. A minimum of three (3) years' experience in the salting and ice and snow removal business and provide three (3) references of same.

2. The Bidder must use operators that possess a valid driver's license for the type vehicle being operated, pass a pre-hire drug screen, and be subject to an annual random drug and alcohol screen.

3. Evidence Bidder has access to repair shop facilities with at least one (1) full time mechanic, and contact names and phone numbers of employees that are available 24 hours per day, seven days a week. Additional telephone numbers and personnel names must be provided in case of an emergency.

4. Certificate of liability insurance and workers' compensation insurance, as described in Section B - Conditions.

5. All equipment used by the contractor in clearing and salt distribution activities shall comply with all specifications and requirements of the Federal, State, Metro and Belle Meade governments or any other entity that has jurisdiction thereover.

6. This agreement shall not be assigned by the Contractor, except upon the express prior written consent of the City.

BID PROPOSAL

Snow and Ice Removal Contract 2020-2022

FOR: City of Belle Meade
September 8, 2020; 10:00 a.m. CST

Gentlemen:

We the undersigned Bidder, in compliance with your advertisement for bids for the Snow and Ice Removal Contract, having examined the specifications with related documents, and being familiar with all of the conditions surrounding the Contract, hereby propose to furnish all labor, materials, and supplies to perform the duties of the Contract in accordance with the Contract Documents at the prices stated below. NOTICE

Tenn. Code Ann. § 12-12-106 requires the chief procurement officer to publish, using credible information freely available to the public, a list of persons it determines engage in investment activities in Iran, as described in § 12-12-105.

For these purposes, the State intends to use the attached list of “Entities determined to be non-responsive bidders/offers pursuant to the New York State Iran Divestment Act of 2012.”

While inclusion on this list would make a person ineligible to contract with the state of Tennessee, if a person ceases its engagement in investment activities in Iran, it may be removed from the list.

If you feel as though you have been erroneously included on this list please contact the Central Procurement Office at CPO.Website@tn.gov.

SNOW & ICE REMOVAL POLICY

**CITY OF BELLE MEADE
PUBLIC WORKS DEPARTMENT**

The Public Works Department has the responsibility for snow and ice removal on City streets. The snow and ice removal is performed by a private service who is under contract with the City. The Public Works Director (PWD) is responsible for direct supervision of the contractor's crew while they are in the City.

The PWD makes every attempt to have the contracted crew on the City streets in the early stages of a storm and will have them work to apply salt and/or remove snow until the situation is under control. Bridges and primary streets are cleaned first, as well as areas where there are hills and curves that could become hazardous with snow and ice. Please refer to the color coded map and the street listing on this page for areas to be treated initially. All other secondary streets are cleaned at the discretion of the PWD and the City Manager, depending on many factors, including the severity of the storm, forecasted temperatures, and the predicted accumulation of snow or ice. When temperatures are below freezing for an extended period, road salt will not activate to induce melting, so there are times when salt is not applied to the streets.

In order for the contractor to perform snow and ice removal effectively, citizens need to be mindful of the following safety tips:

Please don't drive unless you have to, and if you are out on the road, keep away from the snowplows and salt spreaders. Snowplows usually drive slower than other vehicles. While they are in operation, please stay at least 50 feet away from a snowplow or spreader. This will help ensure safety for both you and the driver. Do not travel alongside of the snowplow. The snowplow could encounter a drift and cause the vehicle to move sideways, or their plow blade could hit a manhole cover or other obstruction, causing the vehicle to swerve. If you're approaching a snowplow, move as far away from the centerline of the road as possible.

Please do not park your car in the street during a snowstorm. This hampers the efforts of the City to plow the streets. Abandoned vehicles left within public rights-of-way in such a manner which is obstructive, will be moved at the owner's expense if attempts made to notify the owner are unsuccessful.
