RESPONSES TO PROPOSER QUESTIONS

Response Date: March 13, 2024

81. Question: What is the anticipated monthly placement dollar volume?

Answer: Since the City of Kingman does not have a collection agency currently in place for its Utility Billing customers, only an estimate based on historical data can be provided.

The estimated monthly dollar volume for Utility Billing Accounts is: \$8,414

The estimated monthly dollar volume for General Billing Accounts is: \$0 (only one account has been placed historically).
