JCSS STANDARD TERMS AND CONDITIONS

The following Standard Terms and Conditions are common to all JCSS Solicitation documents. Taking exception to these terms and conditions or submitting conflicting language may be cause for rejection of supplier's response.

1.0 PREPARATION OF PROPOSALS

- 1.1** Suppliers are instructed to read all terms, conditions and specifications as set forth in the Solicitation carefully. Responses must be either typed or written in ink. Any correction made within the SOLICITATION submission (white out or strike through) must be initialed by an authorized representative of the company submitting the proposal or the proposal may be rejected by JCSS.
- 1.2** Due to the large number of suppliers listed in certain categories of the JCSS Supplier's List, not all suppliers will necessarily be sent a notice each time an Solicitation is issued. All Solicitations that require competitive purchasing will be posted within the Georgia Procurement Registry and Vendor Registry. A link to those sites can be found on JCSS website www.jones.k12.ga.us under the Maintenance Department.
- 1.3** Each supplier is responsible for having knowledge and understanding of any Federal laws, Georgia laws, Department of Education regulations or policies, and JCSS policies and/or regulations pertaining to JCSS procurement.
- 1.4** JCSS assumes no responsibility or obligation to the suppliers. JCSS will make no payment for any costs associated with the preparation or submission of a response. This provision applies whether or not a dispute arises.
- 1.5** The terms Bidder, Vendor, Supplier, Contractor and/or Offeror are synonymous in this document and refer to the person, entity or firm that submits a response to any Solicitation.
- 1.6** All responses submitted become the property of the JCSS and are subject to applicable open records policies and laws.

2.0 COMMUNICATIONS WITH JCSS STAFF

- 2.1** All communications concerning Solicitations must be submitted in writing to the JCSS. Email to raymond.brazil@jones.k12.ga.us is the preferred method of communication. Only written questions submitted via email or fax will be accepted. No response other than written, distributed by the Issuing Officer, will

JONES COUNTY SCHOOL SYSTEM
GRAY, GEORGIA

JCSS STANDARD TERMS AND CONDITIONS

be binding upon JCSS. The Issuing Officer, in its discretion, may call upon user departments for clarification in their area of expertise.

- 2.2** From the issue date of this Solicitation until completion of the entire Solicitation process and announcement of award notification, all supplier communication must be authorized by the Issuing Officer including but not limited to communications with school system employees and/or contracted agents related to this Solicitation. Violation of this provision may result in rejection of the supplier's response.
- 2.3** It is the supplier's responsibility to check the JCSS Purchasing website for any addenda, responses to supplier questions, or other communications that may be issued or released during the Solicitation period. Following receipt of supplier responses to a Solicitation, it is the supplier's responsibility to be available via email, phone and/or fax during the review process in the event that clarification or additional information is required. If clarification or additional information is requested, the responsibility rests on the supplier to ensure that JCSS receives said information prior to the deadline(s) indicated. In the event clarification or additional information is provided via email or fax, a signed, original hard copy of this information should be submitted to the Issuing Officer no later than the next business day after the information's due date. The hard copy will serve as the legal document and must match the fax/email copy.

3.0 **AUTHORITY**

Each party warrants that such party has full power and authority to enter into and perform this contract. The person signing on behalf of each party represents that such person is duly authorized to enter into this Contract on behalf of such party.

4.0 **SPECIFICATIONS**

- 4.1** For Goods: Manufacturers listed as "Model Equivalence" or "JCSS Approved Equivalent" in the Solicitation are to establish the general quality required. Items of other manufacturers of equal or better specifications may be considered. The JCSS will be the sole determiner as to whether the substituted item is of equal or better specification.
- 4.2** Any deviation from the specifications must be clearly identified by the supplier on the appropriate proposal form(s). If the supplier wishes to provide additional detail regarding the deviations in an accompanying letter, it should be noted on the appropriate proposal form(s). The furnishing of cuts, catalogs or printed descriptions will not relieve the supplier of this requirement. JCSS shall

GRAY, GEORGIA

JCSS STANDARD TERMS AND CONDITIONS

determine in its sole discretion whether substitutions or modifications of the requested specifications are comparable to those contained within the Solicitation. If JCSS determines that the modifications or deviations from the specifications are not in compliance, the proposal may be rejected.

- 4.3** A supplier's failure to deliver any items/services according to specifications set forth in their proposal may result in cancellation of the purchase and permanent removal from the supplier's list. If any items do not meet these specifications, the items will be picked up at supplier's expense and removed from the premises of the JCSS at the sole cost of the supplier.
- 4.4** If there is an error in the description or specifications contained in the solicitation, JCSS reserves the right to notify each supplier separately from the solicitation of such specification or description change and may require all proposals to be in compliance with such modification. In the case of an error in the specifications or the descriptions, JCSS further reserves the right to cancel the solicitation and re-issue.
- 4.5** If an awarded brand/model is discontinued during the award period, the awarded supplier may offer a replacement item. The replacement brand/model must meet or exceed minimum specifications listed in the awarded supplier's proposal as well as current industry standards. Replacement item must be offered at the same or better discount/fee structure level as the originally awarded item, or at a lower price than the original item. Replacement units must be made available to JCSS for review and approval prior to the end of life of the awarded model. JCSS reserves the right to accept or reject the proposed replacement item and to negotiate with awarded supplier the purchase of different brands/models when in the best interest of the District.

5.0 PRICES QUOTED

- 5.1** Unless specifically consented to in writing by JCSS, prices must remain firm for a period of one year from the award date, or for any renewal period, under the same terms and conditions as the solicitation. The JCSS reserves the option to renew any contract award at its sole discretion.
- 5.2** Quantities/amounts shown in the solicitation are estimates. Suppliers are advised that the actual number purchased/required may vary from those in the solicitation, depending upon the needs of the JCSS and the availability of funds.
- 5.3** Proposals that contain minimum order amounts will not be accepted unless called for in the Special Terms and Conditions.

C.F.R. Section 180.300 requires that when the School District enters into a covered transaction with an entity at a lower tier, the School District must verify that the entity is not suspended, debarred or otherwise excluded. The supplier understands that collusive bidding is a violation of State and Federal law and can result in fines, prison sentences, and civil damage awards.

10.0 OBLIGATION TO MAINTAIN CONFIDENTIALITY

10.1 Supplier acknowledges that some material and information which may come into its possession or knowledge in connection with the solicitation, or the performance hereof, may consist of confidential and private information of JCSS, its students, or employees, the disclosure of which to or use by third parties may be damaging or in violation of applicable law. Supplier therefore agrees to hold such material and information in strictest confidence, not to make use thereof other than as is necessary for performance of this contract, and not to release or disclose any information to any other party except as may be required by law. Supplier hereby expressly agrees to immediately remove any subcontractor or any of Supplier's employees from performing any work in connection with this contract upon JCSS giving notice to Supplier that JCSS reasonably believes such person has failed to meet the confidentiality obligations or standards of this contract. Any employee or subcontractor so removed shall be replaced as provided under the staffing requirements of this contract.

The Supplier represents and warrants that the concepts, materials, goods and services provided by Supplier to JCSS and JCSS's use of same shall not infringe upon any other work or violate the rights of publicity or privacy of, or constitute a libel or slander against, any person, firm or corporation and that the concepts, materials and works will not infringe upon the copyright, trademark, trade name, trade dress patent, literary, dramatic, statutory, common law or any other rights of any person, firm or corporation or other entity.

12.0 **RECORDS**

- 14.6** During the evaluation phase, discussions may be conducted with suppliers who submit proposals determined to be reasonably likely to be selected for award. These discussions are for the purpose of negotiations, clarification, and to assure full understanding of and responsiveness to the Solicitation requirements. Suppliers will be accorded fair and equal treatment with respect to an opportunity for discussion and revision of proposals. which attempts to impose any conditions at variance with or in addition to the terms and conditions contained in the JCSS Solicitation, the JCSS purchase order related to this Solicitation or contract. Submitting terms and conditions that are considered by JCSS to be in conflict with JCSS terms and conditions may deem a supplier non-responsive.

15.5 Time is of the essence in this Contract.

15.6 Choice of Law and Venue – The Laws of the State of Georgia shall govern this contract in all respects. Under no circumstances shall any term or provision of this contract be governed by the Uniform Computer Information Transactions Act (UCITA), as that statute may be enacted in any state. Supplier agrees to pay for JCSS's costs, including any attorney's fees and expenses of litigation, incurred in any litigation should JCSS be a prevailing party. JCSS shall be considered to be a prevailing party if the supplier's lawsuit against JCSS is dismissed at any time for any reason, including a dismissal without prejudice, or if JCSS receives a jury verdict in its favor or an appellate decision in its favor.

16.0 SHIPPING

16.1 All prices are to include delivery to the location(s) specified in the solicitations or the Purchase Order. All delivery for goods must be FOB Destination, and no delivery dock unless specified otherwise in the Special Terms and Conditions, with delivery to the location specified by the JCSS.

16.2 Inside delivery is required for all goods. At no time should goods be left outside of any building. For large, heavy items, suppliers are encouraged to call ahead to the delivery location to give prior notice and ascertain any deliver details particular to that location (i.e. loading dock availability, which entrance provides access to loading dock, etc.).

16.3 If the goods/services have not been delivered/completed by the specified delivery date and no written extension of such delivery date has been granted by JCSS, JCSS reserves the right to cancel the purchase of the items/services and/or any other pending purchase orders to the same supplier and/or permanently remove the supplier from JCSS's Supplier List. - 17.1** Payment will be made by the JCSS after final delivery and acceptance of all items/services. 18.0 COMPLIANCE

Final inspection of all products/services for acceptance or rejection will be made by JCSS. Final inspection resulting in acceptance or rejection of the products/services will be made as soon as practicable, but failure to inspect shall not be construed as a waiver by JCSS of its rights to reject such products/services or to claim reimbursement or damages for such products/services which are later found to be defective, not in conformance with the required specifications, or not to perform as claimed by the supplier.

JCSS STANDARD TERMS AND CONDITIONS

19.0 RIGHTS AND REMEDIES

- 19.1** As permitted by law, in lieu of canceling the purchase order, the JCSS may levy a charge if the successful supplier fails to deliver the item(s). Such charge is not a penalty, rather it is the agreed upon liquidated damages representing the estimated damages that will be incurred by the JCSS as a result of the supplier's failure to deliver the item(s) as required.

JCSS does not waive any of its rights under contract law. Supplier acknowledges and agrees that if the supplier breaches this agreement, then JCSS may cover such goods by contracting to purchase goods in substitution for those due from the seller. JCSS may recover from the supplier as damages the difference between the cost of cover and the contract price together with any incidental or consequential damages. Failure of the JCSS to effect cover does not bar it from any other remedy. In such circumstances that JCSS is not able to cover or chooses not to cover the goods purchased under this Solicitation, then the supplier acknowledges and agrees that JCSS can recover the difference between the market price of the goods at the time JCSS learned of the breach and the contract price of the goods, including any incidental and consequential damages. If JCSS has accepted non-conforming goods purchased under this Solicitation, then supplier acknowledges and agrees that JCSS can recover the value of the goods promised by the supplier and the value of the non-confirming goods provided. The foregoing remedies are not exclusive of any other remedies permitted to JCSS under Georgia law. Supplier acknowledges and agrees that JCSS is owed its reasonable attorney's fees and costs incurred with the exercise of its rights in connection with the foregoing remedies.

Partial completion on a purchase order will not exempt a supplier from this charge. JCSS further has the right after assessing such charge, after the continuing failure of the supplier to complete, to terminate the purchase order.

- 19.2 Warranty and Support Requirements** – The JCSS is not waiving, amending, or abridging any warranty rights/contractual rights provided to the JCSS under state or federal law. The JCSS is not bound by any terms or conditions in any supplier's contract, packaging, invoices, service catalogue, brochure, technical data sheet or other document which attempts to impose any conditions that waive, amend, abridge, abrogate, are in conflict with or are in addition to JCSS's contractual rights as provided under state or federal law. In addition to the foregoing warranty and contractual rights of the JCSS, the Supplier further warrants and agrees as follows:

JONES COUNTY SCHOOL SYSTEM

JCSS STANDARD TERMS AND CONDITIONS

This express warranty shall not be waived by reason of acceptance of the goods or payment thereof by JCSS.
- 19.2.2** For Goods: Upon request by JCSS, the Supplier further agrees to immediately correct, without charge to JCSS, any defects in the goods, which develop during the life of the warranty after acceptance and payment by JCSS. Supplier further agrees to indemnify JCSS against damages of any sort resulting from faulty workmanship or materials by Supplier while performing any warranty or guaranty work hereunder (or by any third party performing such work for and on behalf of Supplier). Any goods or parts thereof, corrected or furnished in replacement under this clause, shall also be subject to the terms of this clause to the same extent as goods initially delivered.
- 19.2.3** For Goods: Supplier is fully aware of JCSS's business requirements and intended uses of the product(s) and warrants that the product(s) shall be fit for such intended uses.
- 19.2.4** JCSS shall give written notice to the Supplier of any breach of warranties in this section and such notice shall contain information concerning the deficiencies found, the location of the nonconforming good(s), and the quantity involved, including JCSS's notification of the remedy for the non-conforming or defective good(s).

20.0 **TERMINATION**

- 20.1** If the JCSS or the successful supplier(s) wish to cancel this contract following award, written notice thirty (30) days in advance will be required of either party. JCSS reserves the right to terminate the contractual relationship with Supplier at any time without cause and without penalty on 30 days' written notice to Supplier. JCSS shall pay supplier for the work performed prior to the date of notice of termination. Supplier shall not be paid for any work performed or incurred after the receipt of the notice of termination, nor for costs incurred by its suppliers. In addition, JCSS may terminate the contract with Supplier in the event Supplier breaches any of its duties and obligations under this contract and Supplier fails to cure such breach within thirty (30) days after receiving notice from JCSS specifying the breach.

Notice of termination shall include a certification by JCSS of the unavailability or insufficiency of funding, and such certification shall constitute an agreement by JCSS not to replace the services covered hereunder in whole or in part with any service obtained from a provider other than the supplier before the earlier of the end of the calendar year following the year in which the notification of such certification is received by the supplier or the date this Agreement expires on its own terms, whichever first occurs. JCSS shall be obligated for payments to the supplier through the date of termination.

- 20.4 Termination for Cause** – The occurrence of any one or more of the following events shall constitute cause for JCSS to declare the Supplier in default of its obligations under the contract:
- 20.4.1** The Supplier fails to deliver or has delivered nonconforming goods or services or fails to perform, to JCSS's satisfaction, any material requirement of the contract or is in violation of a material provision of the contract, including, but without limitation, the express warranties made by the Supplier;
 - 20.4.2** JCSS determines that satisfactory performance of the contract is substantially endangered or that a default is likely to occur;
 - 20.4.3** The Supplier fails to make substantial and timely progress toward performance of the contract;
 - 20.4.4** The Supplier becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Supplier terminates or suspends its business; or JCSS reasonably believes that the Supplier has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;

- 20.4.8 Notice of Default** – If there is a default event caused by the Supplier, JCSS shall provide written notice to the Supplier requesting that the breach or noncompliance be remedied within the period of time specified in JCSS's written notice to the Supplier. - 20.4.8.1** Immediately terminate the contract without additional written notice; and/or
