Due Date: May 12, 2022 by 9:45am

- Quantities: The quantities indicated on the product list are based on estimates of what could potentially be needed. However, Offerors must understand that a quantity stated on an item does not constitute a guarantee to purchase that item.
- Awards for small equipment are by line item and items will only be purchased as needed throughout the school year. The award is not for every item and quantity listed on the bid.
- All items bid are to be NSF certified to meet quality standards. Bidders must bid on the specific brand items requested, unless "or equal" is stated. This is to ensure that lids and bases fit together, as well as parts that would go with items we currently have on-hand.
