ADDENDUM #1

DATE: August 12, 2019

PROJECT NAME: BID No. CM2019-07 Callaway Public Safety Building Repairs

This addendum is being released to answer questions asked regarding the building repairs.

1. Did you have a cost estimate or range available?
We currently have no basis for cost of repairs. Potential bidders are encouraged to visit site to determine cost of repairs.
2. How many buildings are included in the project?
A. One (1)
3. What is the total square footage or building dimensions?
A. 10,302 sq.ft.
4. How many stories above grade? Below grade?
A. The building is one (1) story and the height is 34' at its peak.
5. What is the structural framing material?
A. The building is constructed of block bays, wood living areas, and standing seam metal Roof construction.
