Reports are due on a monthly basis to be sent to the Manager of Economic Development and Supplier Diversity.

- g. MWVBE Subcontractor Substitution Form: If a MWVBE contractor selected for this project is not able to meet the obligations as assigned, the prime contractor is obligated to replace that MWVBE subcontractor through the Good Faith Efforts steps outlined in this document and to secure another MWVBE contractor with like skills at a comparable contract price. All required forms and documentation for this substitution should be returned to the Manager of Economic Development and Supplier Diversity.

Sole Source

It is agreed that identified sole source expenditures shall also be excluded from the aggregate total of all sums paid in connection with implementation of the contract, and therefore, shall not be subject to the MWVBE goals. All designations as a sole source expenditure must be supported by data that indicates that only one company can perform the services. The following are examples of basis for sole source expenditures:

- a. The supplies or services to be acquired are unique to the contractor.
- b. Time is of the essence and only one known source can meet the FCPS's needs within the required timeframe.

Excluded Expenditure

FCPS and its contractors shall use good faith efforts as set forth herein in order to progress towards the achievements of the MWVBE goals, but FCPS shall not be required to pay any amounts in excess of the lowest responsible and responsive price or highest scored proposal to procure any goods or services, or to delay design, development or construction activities in order to progress towards the achievement of the MWVBE goals.

FCPS agrees the bid requirements shall obligate a contractor to agree to execute a contract by which it is contractually obligated to use good faith efforts as set forth herein, and that for a bid or price to be responsible and responsive, it must have been prepared by a contractor that agrees to be so contractually obligated. In the event that the lowest price or highest scored proposal is not responsible and responsive because the contractor does not agree to be contractually obligated to use good faith efforts as set forth herein, then that bid will be considered non-responsive and FCPS shall re-bid that contract or select the next lowest responsive price or best scored proposal, if permitted by applicable law.

FCPS Manager of Economic Development will be made aware of participation goals of the lowest bidder on all construction projects. The Manager of Economic Development shall be entitled to review any and all bids and requests for proposals to examine whether they are responsible and responsive with regard to good faith efforts as set forth herein. However, but there shall be no

obligation on FCPS to delay the project pending such review, and any if any contractor that becomes contractually obligated to use good faith efforts as provided herein is ultimately determined to have not used such good faith efforts, the remedies of FCPS shall be set forth in this Agreement with respect to such contractor.

Certification

FCPS strongly prefers to work with certified MWVBES. We accept certifications from third-party certifying agencies like the Tri-State Minority Supplier Development Council (TSMSSDC); Women's Business Enterprise Nation Council (WBENC); National Women's Business Owners Council (NWBOC); Kentucky Minority and Women Business Enterprise Certification (KY MWVBE); and any of various certification from the Small Business Administration (SBA). FCPS will rely on certifying agencies to verify certification of any businesses claiming to be certified.
