**GP-3. RELATIONSHIP BETWEEN PARTIES.** This Contract does not create an employee-employer relationship between the City and Vendor. Vendor is an independent Vendor of the City and will be in control of the means and the methods in which the requested work is performed. As an independent Vendor, Vendor will be solely responsible for payment of all federal, state and local income tax, and self-employment taxes, arising from this Contract, and Vendor agrees to indemnify and hold harmless the City from any obligations relating to such taxes. **GP-6. TERMINATION OF CONTRACT.**

A. The City may by written notice to Vendor terminate this Contract, in whole or in part, at any time, either for the City's convenience or because of the failure of the Vendor to fulfill its Contractual obligations.

1. Before terminating for convenience, City must provide Vendor at least 30 days advance notice of termination. This Contract will terminate automatically and without need for further notice upon the expiration of the notice period.

2. Except as provided in Section 10(a)(3), before terminating due to Vendor's material breach of its Contractual obligations, City must provide Vendor prior written notice, specifying the breach and demanding Vendor remedy the breach within 10 days of the notice, or within such longer period as may be reasonably required if the nature of the breach is that it cannot be remedied within 10 days of notice. This Contract will terminate automatically and without need for further notice if Vendor fails to remedy the material breach within the period described in the City's notice of breach.

3. The City may terminate this Contract upon Vendor's breach without providing Vendor an opportunity to remedy the breach as referenced immediately above, if Vendor or any of Vendor's personnel, in connection with the Services or rights provided herein, commit a criminal act or engage in activity that poses a material risk of injury to persons or damage to property. Such termination will be effective immediately upon providing Vendor written notice.

B. If the termination is for convenience, Vendor will be paid compensation for goods accepted or Services performed to the date of termination. If termination is due to Vendor's material breach, the City

reserves all rights and remedies it may have under law due to such breach. Among other things, the City may take over the work and prosecute the same to completion by other agreements or otherwise; and in such case, the Vendor will be liable to the City for all reasonable additional costs occasioned to the City thereby.

C. If after notice of termination for the Vendor's failure to fulfill Contractual obligations it is judicially determined by a court of law that the Vendor had not so failed, the termination will be conclusively deemed to have been effected for the City's convenience. In such event, adjustment in payment to Vendor will be made as provided in GP-6(b) for a termination for convenience.

D. The rights and remedies of City provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Contract.

E. Subject to Odebrecht Constructions, Inc., vs Prasad and Odebrecht Construction, Inc. v. Secretary, Florida Department of Transportation and their progeny, this paragraph applies to any Contract for services or Items of \$1 million or more. Vendor certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in §287.135, Fla. Stat., as may be amended or revised. City may terminate this Contract at the City's option if Vendor is found to have submitted a false certification as provided under subsection (5) of , or been placed on the Scrutinized Companies §287.135, Fla. Stat., as may be amended or revised or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in §287.135, Fla. Stat., as may be amended or revised.

**GP-7. SEVERABILITY.** If one or more of the provisions contained in this Contract are held to be invalid, illegal or unenforceable for any reason in any respect, such invalidity, illegality or unenforceability will not affect any other provisions of this Contract, and this Contract will then be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

**GP-8. LIMITATION ON WAIVERS.** Neither the City's review, approval, or acceptance of, or payment for, any of the Services provided by Vendor, will be construed to operate as a waiver of the City's rights under this Contract. Vendor will be and always remain liable to the City in accordance with applicable law for any and all damages to the City caused by the Vendor's negligent or wrongful provision of any of the Services furnished under this Contract.

Failure of the City to exercise any right or option arising out of a breach of this Contract will not be deemed a waiver of any right or option with respect to any subsequent or different breach, or the continuance of any existing breach. Furthermore, the failure of the City at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein will not be construed as a waiver or relinquishment of the City's right to insist upon strict performance of the same condition, promise, agreement or understanding at a future time.

**GP-9. DISPUTE RESOLUTION.** If a dispute exists concerning this Contract, the Parties agree to use the following procedure prior to pursuing any judicial remedies.

A. Negotiations. A Party will request in writing that a meeting be held between representatives of each Party within 14 calendar days of the request or such later date that the Parties may agree to. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization. The purpose of this meeting is to negotiate in the matters constituting the dispute in good faith. The Parties may mutually agree in writing to waive this step and proceed directly to mediation as described below.

B. Non-Binding Mediation. Mediation is a forum in which an impartial person, the mediator, facilitates communication between parties to promote reconciliation, settlement, or understanding among them. Within 30 days after the procedure described in Subsection (a) proves unsuccessful or the Parties mutually

waive the subsection (a) procedure, the Parties will submit to a non-binding mediation. The mediation, at a minimum, will provide for (i) conducting an on-site investigation, if appropriate, by the mediator for fact gathering purposes, (ii) a meeting of all Parties for the exchange of points of view and (iii) separate meetings between the mediator and each Party to the dispute for the formulation of resolution alternatives. The Parties will select a mediator trained in mediation skills and certified to mediate by the Florida Bar, to assist with resolution of the dispute. The Parties will act in good faith in the selection of the mediator and give consideration to qualified individuals nominated to act as mediator. Nothing in this Contract prevents the Parties from relying on the skills of a person who also is trained in the subject matter of the dispute or a Contract interpretation expert. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization.

If the Parties fail to reach a resolution of the dispute through mediation, then the Parties are released to pursue any judicial remedies available to them.

**L. Failure to Enforce.** Failure by the City at any time to enforce the provisions of this Contract will not be construed as a waiver of any such provisions. Such failure to enforce will not affect the validity of the Contract or any part thereof or the right of the City to enforce any provision at any time in accordance with its terms.

**M. Non-Exclusive Contract.** This is not an exclusive Contract. Award of this Contract will impose no obligation on the part of the City to use the successful Bidder for all work of this type that may be required during the Contract period. The City specifically reserves the right to concurrently Contract with other companies for similar work if the City deems such action to be in the City's best interests. In the case of multiple TERM Contracts, this provision will apply separately to each Contract.

Whenever this Contract imposes a deadline for performing upon a Party, the deadline will be extended by one day for each day that a Force Majeure event prevents the Party from performing; provided, however, that the Party charged with performing and claiming delay due to a Force Majeure event will promptly notify the other Party of the Event and will use its best efforts to minimize any resulting delay.

Before me, the undersigned authority, personally appeared \_\_\_\_\_, who, being by me first duly sworn, made the following statements:

1. The business address of \_\_\_\_\_ (*insert name of Bidder*), hereinafter the "Bidder," is \_\_\_\_\_.

2. My relationship to Bidder is \_\_\_\_\_ (*relationship such as "sole proprietor," "partner," "president," "vice president," etc.*)

3. I understand that a "public entity crime" as defined in Section 287.133(1)(g), *Florida Statutes*, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including, but not limited to, any Bid or Contract for goods or Services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

6. I understand that a "person" as defined in Paragraph 287.133(1)(e), *Florida Statutes*, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding Contract and which Bids or applies to Bid on Contracts for the provision of goods or Services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. There has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing; and

*(if Paragraph 7.B. applies, check or initial one of the following)*

- \_\_\_ There has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing. - \_\_\_ There has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the Final Order entered by the Hearing. The Final Order **placed** the Bidder or any affiliate of Bidder on the convicted Vendor list, but the Bidder (or as applicable the affiliate of Bidder) has since been **removed from the convicted Vendor list** in accordance with *Florida Statutes Section 287.133(3)(f)*. *(Attach a copy of the final order, and a copy of the order/official agency document granting the petition to remove.)*
