## **1. PURPOSE**

The Town of Bluffton, South Carolina (Town) is seeking proposals from interested and qualified firms with past, proven, positive experiences in providing exterior interpretive signage design, fabrication and installation services for the development of interpretive exhibits for the Wright Family Park located in Bluffton, South Carolina, under a fixed price contract. The target start date for performing these services is March 2, 2020.

## **2. BACKGROUND**

The Wright Family Property is located at 111 Calhoun Street in Bluffton, South Carolina. The site originally contained a main house, carriage house and outbuildings of the former summer residence of Squire William Pope. Pope was a wealthy landowner (owner of Coggins Point Plantation) and served in the South Carolina Senate and House of Representatives. The main house was destroyed during the burning of Bluffton by Union Army troops on June 4, 1863. The carriage house (circa 1850) still remains on the property and is scheduled for rehabilitation within the next three to four years depending on availability of funding. Recently, several foundation piers have been located, providing a general location of the former main residence on the May River bluff.

The Town of Bluffton and the Beaufort County Rural and Critical Preservation Land Program jointly purchased the property from the Wright family in March of 2017. The property will be maintained as open space, as a passive park, and gateway to scenic vistas and accesses to the May River.
