ADDENDUM #2

Date Issued: April 1, 2020

This addendum is being released to clarify the following questions.

1. Asbestos surveys are considered a professional service in which our insurance policy would cover. Since the bid is not for general construction service, where a typical bid bond is needed, is a bid bond still required or necessary?

A. The requirement for a Bid Bond associated with this Request for Bids is being rescinded. No Bid Bond will be required.

2. Are the 34 properties vacant or occupied with tenants, and/or homeowners.

A. The properties all suffered major damage during Hurricane Michael and are vacant.

3. If awarded, will the designated properties be all accessible in one time span or will multiple mobilizations over a period of time be required.

A. All properties currently listed are accessible as right-of-entries have been procured. Per #7 of the Scope of Services, Surveyor shall provide a schedule for all property surveys within 5 days of contract award.

Janice L. Peters, City Clerk

This Addendum must be acknowledged and included with the bid packet submission.
