Dear Property Owner,

The real estate you own in Franklin County Missouri is listed above. This letter is to notify you that changes in real estate values can affect property taxes which are due Dec. 31st. If you agree with the value below, then you do not need to respond to this notice. If you disagree with the value, or if you have other questions regarding this notice, please follow the instructions in the last paragraph below.

Why did your property value increase? Real estate market values change over time, even if no improvements are made to the property. If no specific reason is listed above, see common reasons provided on back.

IMPORTANT: A property value increase does not necessarily mean that your taxes will go up. Tax rates are set in September of each year by the local taxing entities: School districts, Fire Departments, Road & Bridge districts, Ambulance districts, etc. These taxing entities set their own budgets which determine how much tax money needs to be collected.

NOTE: The Assessor determines the VALUE only; the taxing entities determine the TAX RATES. If you feel that your taxes are too high, then you should involve yourself in the budget process of the taxing entities on your tax bill and make your voice heard at their budget meetings,

#### RESPONDING TO THIS NOTICE: Please read the information below and on the back before calling.

If you believe that the appraised value shown is not correct, and you have recent documentation to back up your claim, then you may challenge the value by contacting the Assessor's office for an informal hearing. Most questions or concerns can be resolved during the informal hearing process, but if yours cannot, formal appeal options are available. (See back for details). Real Estate Department: (636) 583-6348 (Press option 3) Office Hours 8:00 a.m.-4:00 p.m., Monday-Friday.

#### EXPLANATION OF THE VALUE CHANGE NOTICE

Dear Property Owner:

The enclosed Notice of Change in Assessed Value indicates there has been a change in value of your property for one of the following reasons:

- Reassessment: According to Missouri Law, all property in Franklin County is reappraised every two years.
- New Construction: This includes new homes, additions, remodeling or any other new improvement made prior to January
   1st. If your new construction project was not complete by January 1st of the current year, contact our office immediately.
- Changing from Partial Assessment to Full Assessment: A new residential structure partially assessed in the previous year is now assessed at full value.
- New Parcel: The creation of new subdivisions or lots where a new parcel number has been assigned to a property.
- Split or Combination: This is a result of a portion of a larger property being sold to a new owner or combination of two
  adjoining parcels owned by the same person.

#### How Property Values are determined:

All properties except farmland are valued as the property relates to the market. This value is called the Appraised Value and is the price that the property could be expected to bring if offered for sale.

Appraised Values are developed by these common approaches as they apply to the property; (1) recent sales of similar properties; (2) the cost of replacement less depreciation; and (3) the income and expense of operating a building with commercial use, apartments, offices, stores, etc.

#### How Property Taxes are determined:

The Appraised Value is multiplied by the Assessment Rate to determine the Assessed Value. Assessment Rates are established by the State of Missouri for each class of property as follows:

Residential 19% Agricultural 12% All Other 32%

If you have questions about these terms and how they relate to your property, call the Franklin County Assessor's Office within 10 days of receipt of the enclosed Notice.

Estimating Taxes: If you wish to estimate your taxes, you may use the following formula:

New Assessed Value ÷100 x previous year's tax rate (found on paid tax receipt).

To Appeal your Assessment Valuation:

If you wish to appeal the value of your property you must provide proof that the value assigned to your property is incorrect. You may provide the following information to support your claim: sales contracts, appraisals, income and expense information, documented sales of similar properties in your neighborhood (all must be current documentation dated late last year), pictures, blueprints or evidence of significant property data errors regarding your property. Please submit income and expense information on commercial property. There are three methods of appeal:

Informal Hearings: We request that you schedule an informal hearing before proceeding on to the Board of Equalization hearings. This meeting allows for an exchange of information regarding your property. Informal hearings will be conducted Monday through Friday.

Board of Equalization: If after the informal hearing you are not satisfied, you may file a protest with the Board of Equalization, the appeal must be on a BOE form from the assessor's office or downloaded from the website. The form must be submitted to the Board of Equalization before the third monday in June. The property owner is cautioned that failure to file with the BOE prevents any further appeal to the State Tax Commission.

State Tax Commission Hearings: Hearings will be conducted only after you have appeared before the Board of Equalization during the current year, and have filed the proper forms with the State Tax Commission by September 15th or 30 days after the Board of Equalization's decision, whichever is later. This appeal will be conducted on a formal basis.

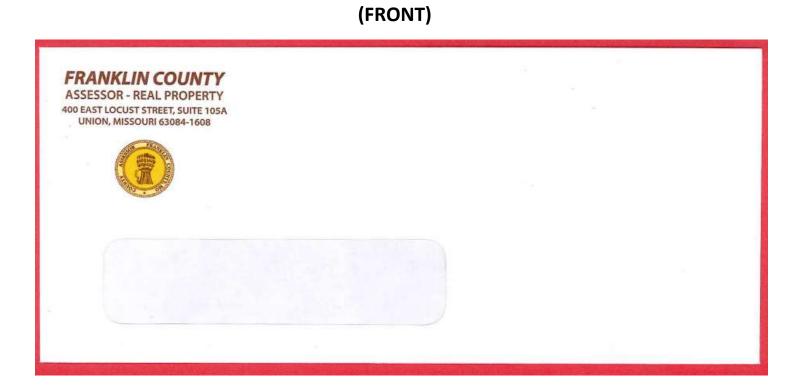

You will be expected to provide a private appraisal. For additional information contact the State Tax Commission of Missouri, P.O. Box 146, Jefferson City, MO 65102-0146, phone (573) 751-2414.

#### NOTICE TO TAXPAYER

IF YOUR ASSESSED VALUE HAS INCREASED, IT MAY INCREASE YOUR REAL PROPERTY TAXES WHICH ARE DUE DECEMBER THIRTY-FIRST. IF YOU DO NOT AGREE THAT THE VALUE OF YOUR PROPERTY HAS INCREASED, YOU MUST CHALLENGE THE VALUE ON OR BEFORE THE THIRD MONDAY IN JUNE BY CONTACTING YOUR COUNTY ASSESSOR.
