Request for Qualifications

City of Havelock Engineering Services Sanitary Sewer Line Project

Introduction: The City of Havelock is currently under a Special Order of Consent (SOC) with the State. In order for the City to comply with the terms of the SOC, the City of Havelock, North Carolina requests proposals from qualified Engineering Firms for the final design, cost estimates construction, preparation of bid package, and CA/CO services for the Sanitary Sewer Line Project. Upon review of proposals received in response to this Request for Qualifications (RFQ), the City of Havelock anticipates awarding a single contract for the engineering services as required.

Project Description: The preliminary concept for the sanitary sewer line project involves sewer line replacement, pipe upsizing, regrading of lines, addition of new lines, possible abandonment of manholes, and installation of new manholes from MH G244 to a new manhole (north side of Fontana Boulevard) off of Hwy 70/Main Street. The Consultant is responsible for developing alternatives for discussion. Final design selection by City staff. The existing sewer line may be a source of inflow and infiltration (I&I) into the sewer system which limits the system's capacity. Engineering services are required to develop design and construction drawings to replace the sewer line system to eliminate I&I, improve flow capacity, and comply with the terms of the SOC.

Project Schedule: The following is a preliminary milestone date list for this project:

Task	Date
Accept RFQs	October 21, 2020
Interview Engineering Firms (three (3) if needed)	November 4, 2020
Award Engineering Service Project	November 18, 2020

Proposal Format: A written proposal must be submitted in the format outlined herein. Each proposal will be reviewed to determine if it is complete prior to actual evaluation. If submitting by mail or hand delivering a total of five (5) copies of the proposal shall be submitted to the City of Havelock.

Proposal Content: The written proposal should provide background information about the company, its employees, and its experience with related projects, related clients and experience with successfully submitting grant/loan applications. The City will give preferably consideration to North Carolina local government related project references. It should cover the experience of the firm, as well as any consultants on the proposed team. For the purposes of the RFQ, the term "company" shall refer to the prime respondent of this RFQ, or in other words, the company with whom the City of Havelock will contract.

The term "consultant" shall refer to any and all consultants with whom the prime respondent will be including on the project team. The proposal shall clearly delineate any experience, background, etc. between the prime "company" and "consultants."

Specifically, the proposal should address the following information in order:

- 1: Company profile listing: name, address, year established, type of ownership, size of company and staff, and an organization chart. If company has multiple offices, please list where the work for this project will be performed.

- 2: Information about the overall makeup of the project team, including: the identity of all key personnel, a description of their respective responsibilities and duties, and each team members experience with municipality public services including engineering design projects, preparing cost estimates, bid packages, and administering of CA/CO.
- 3: Information about any consultants to be included on the team. Identify consultant company name, address, telephone number, contact person, and names and job descriptions of key personnel. Identify consultants experience with municipalities public services including engineering design projects, preparing cost estimates, bid packages, and administering of CA/CO.
- 4: Company's experience as prime engineer on a project team.
- 5: Provided resumes on those consultants and individuals proposed to be assigned to the project team.
- 6: Within the last ten (10) years, summary of at least five (5) similar projects for which the engineer was responsible. Each of the project summaries should include the following:
 - a: Description of the project, including: size, functions, and year completed.
 - b: Degree of involvement (principals or consultant).
 - c: Consulting firms involved and their assigned responsibilities.
- 7: Current company workload, and ability to perform work for this project.
- 8: Proposed design approach by company for this project. including a proposed task timeline indicating number of calendar days to start/complete each proposed task.
- 9: Company proximity to, and familiarity with the area where the project is located.
- 10: Please provide references of clients for whom company and consultants have provided similar services. Include name, title, company or agency, and telephone number for each reference.
- 11: A list identifying project, year and project cost amount in regards to the company's experience in submitting grant/loan applications and/or administrating federal funded program projects.
- 12: A copy of the company's current rate and/or service fee schedule. (This section should be in a separate sealed envelope or separate file attachment marked "Cost Estimate". The City of Havelock intends to evaluate the qualifications of all firms submitting proposals before considering the Cost Estimate.)
- 13: Additional information the respondent believes to be relevant to the selection efforts of the City of Havelock.

Evaluations/Selection Process: The engineering firm will be selected by a committee selected by the City Manager or his designee. In fair and uniform manner, the committee will make a recommendation based in part on appropriate qualifications, experience for the project type and current workload. The City of Havelock intends to select the most qualified firm(s) on the basis of best overall qualifications package that, in its sole opinion, is the most advantageous to the City.

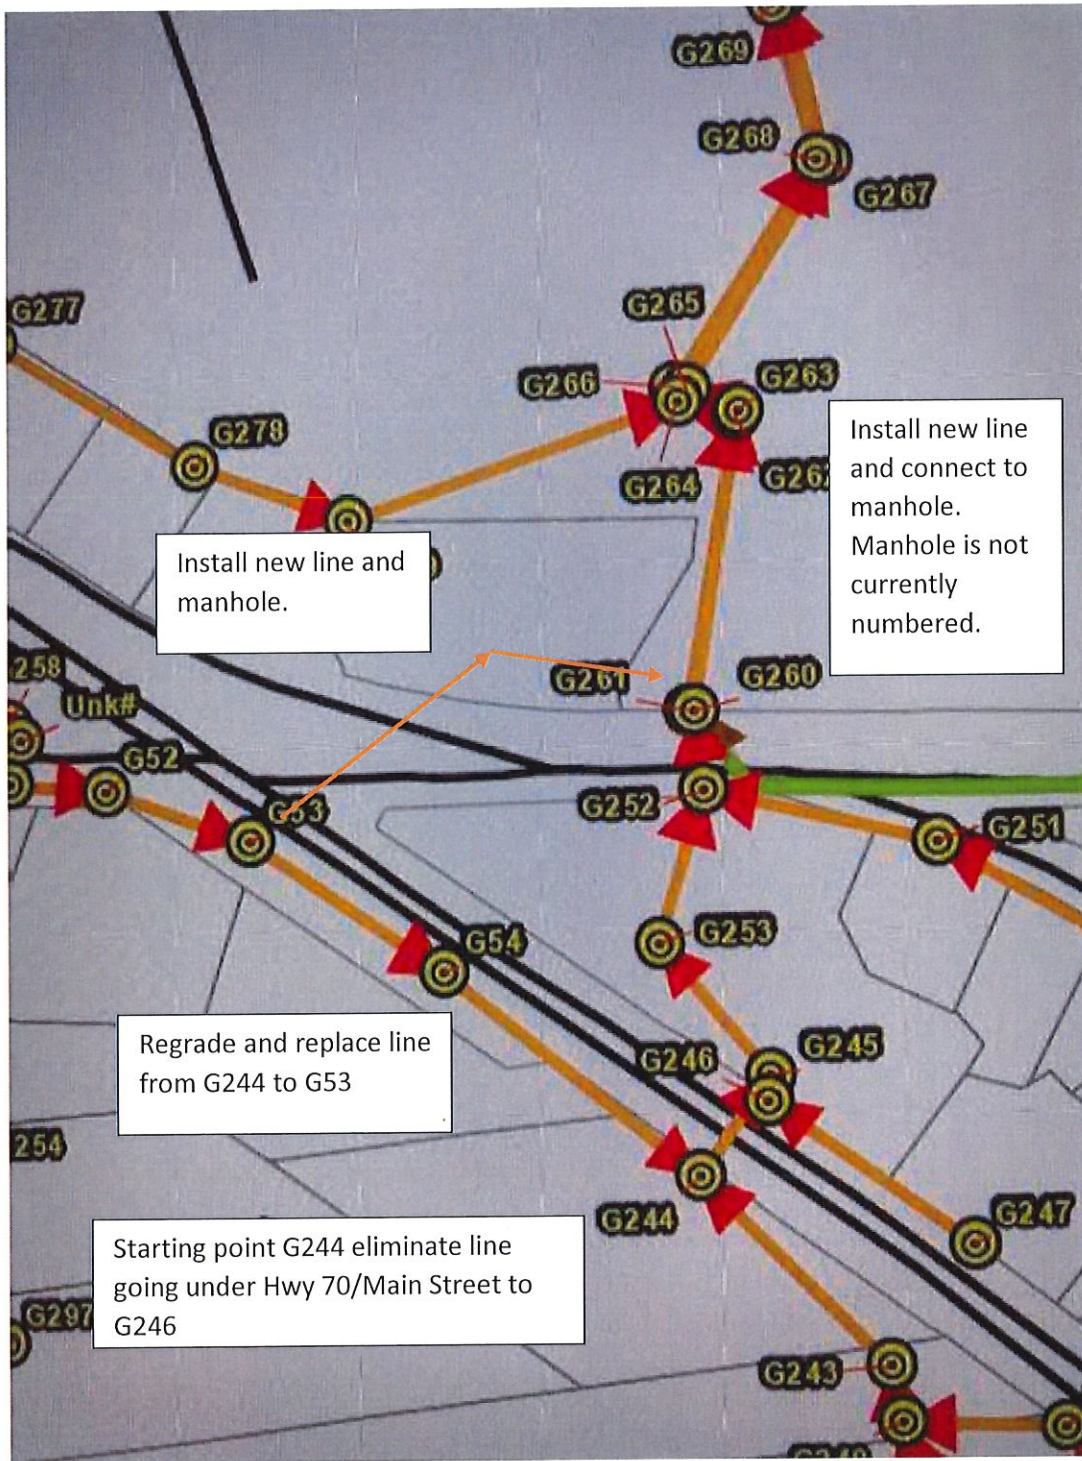

Proposal Submission: If bid is submitted by mail or hand delivered submit one (1) unbound copy, three (3) bound copies and one (1) electronic copy of the written proposal for a total of five (5) proposals. If submitting bid by email include a separate file attachment titled Cost Estimate. The City of Havelock intends to evaluate the qualifications of all firms submitting proposals before considering the Cost Estimate. Bids will be accepted until **2:00 p.m. (EST) Wednesday, October 21 2020**. No proposals will be accepted after this date and time. The City of Havelock reserves the right to refuse any or all packages received.
