

NOTICE TO CONSULTANT ENGINEERS REGARDING A REQUEST FOR QUALIFICATIONS

August 08, 2014

The City of Columbia, Tennessee, an Equal Opportunity, Affirmative Action Employer, seeks to use local funds to retain the services of a professional consultant engineering firm to provide services related to design and construction of transportation and streetscape improvements along West 7th Street. The projects shall be accomplished in accordance with federal and state requirements. The professional consultant engineering firm must be on TDOT's pre-approved list and must have unlimited status. Responsibilities of the professional consultant engineering firm include, but are not limited to:

- Field Surveying required for the design work (city orthographic maps w/contours will be provided)
- Design of plans and specifications acceptable to TDOT, FHWA, and the City of Columbia
- Design of Streetscape, Pedestrian Facilities, Transportation, Landscaping, Irrigation, Utility, etc.
- Designs shall include compliance with the Manual on Uniform Traffic Control Devices
- Environmental Approval for all projects
- Attend necessary meetings with TDOT and the City of Columbia associated with designs and approvals
- Provide overall project management in accordance with State and Federal guidelines
- Prepare construction documents
- Establish and attend pre-construction conference
- Provide construction engineering and inspection in accordance with TDOT and FHWA requirements, including all testing and reporting
- Identify and write grant applications for possible funding sources

Firms may request consideration by submitting **5 Sets** of statements of qualifications to **Glenn Harper, PE – City Engineer at 700 North Garden Street – Columbia, TN 38401**. All statements of qualifications must be received by the Engineer's Office on or before **3:00 p.m. CST Tuesday September 2, 2014**. The qualifications shall indicate the scope of services to be completed by any sub-consultants.

Prequalification procedures, of pre-qualified firms and certified DBEs, TDOT's standard procurement policy, and additional information can be found at this internet address www.tdot.state.tn.us/consultantinfo.htm.

The City will evaluate the current prequalification statements on file for those submitting qualifications and choose several firms who would make viable candidates from which to invite proposals and/or presentations. The factors that will be considered in evaluation of proposals are:

- a. Past experience in the required disciplines with TDOT and other clients.
- b. Past experience specific to traffic safety improvements and streetscape projects.
- c. Qualification and availability of staff.
- d. Demonstrated ability to meet schedules without compromising sound engineering practice.
- e. Evaluations on prior projects with TDOT and other clients, if available.
- f. Size of project.
- g. Amount of work under contract with TDOT and other clients.

Evaluation proceedings will be conducted within the established guidelines regarding equal employment opportunity and nondiscriminatory action based upon the grounds of race, color, sex, creed or national origin. Interested certified Disadvantaged Business Enterprise (DBE) firms as well as other minority-owned and women-owned firms are encouraged to respond to all advertisements by the City of Columbia. For information on DBE certification, please contact Mr. Ross Webb at (615)741-3681 or Ross.H.Webb@state.tn.us. Details and instructions for DBE certification can be found at the following website: <http://www.tdot.state.tn.us/civil-rights/smallbusiness/>.
