RE: Request for Quote – Install Runway Lights

Dear Prospective Bidder:

The City of Wilson is receiving bids to Install Runway Lights at the Wilson Industrial Air Center. The contractor is responsible for providing all labor, equipment, survey and precast materials. The city will provide runway lights, conduit, 5kv cable, ground rods and light base cans to be precast by the contractor. The lights to be installed are ADB Safegate L-861(L) and L-861E (L) and the 5KV Cable will be installed in 2” conduit. The price for installation shall include connection to the existing vault, two can plaza (L-867B), and construction layout, and as built plans. The contractor shall comply with and adhere to current FAA rules and regulations associate with runway lighting.

If interested, please return a bid, on the attached bid for, by 2:00 p.m. on **Tuesday, August 1, 2023**, to the office of the Director of Public Works, 1800 Herring Avenue, Wilson, North Carolina or by e mail to bbass@wilsonnc.org .

If you have any questions regarding this matter, please feel free to contact me at 399-2467 or by e mail bbass@wilsonnc.org

Sincerely,

CITY OF WILSON
