

Vendor questions and responses along with pictures are below.

Would you mind answering a few questions regarding your needs for the Jones High School Football Stadium?

1. Are you anticipating this system to be mounted on the press box? ? **Yes, Speakers will be mounted in south end zone either on the scoreboard or by the scoreboard. The head end will be in the football press box in a cabinet provided by the contractor .**

Or - mounted to the scoreboard or light poles?

2. Do you need any wireless microphones that will need to work from the stands and/or the field?
If so, how many? **Yes, 10**

3. Are there any pictures of the facility that you can provide to help us accurately quote this for you?

If you have any additional specifications, that would be helpful as well! We just want to make sure we quote exactly what you're looking for. **There are no additional specifications.**
