 - 2.3.29.4. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.
 - 2.3.29.5. Nothing contained in the forgoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.
 - 2.3.29.6. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If, during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any government entity (Federal, state or local) with commission of any offenses named in this document, the Contractor must provide immediate written notice to the District or other party to this Agreement. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the District or Central Purchasing Officer may terminate the involved contract for cause. - 5.1.1. The District will evaluate responsive proposals and assign a score in each category, not to exceed the maximum allowed score for that category, as determined through the Offeror’s attention to the criteria detailed in the following sections. The amount of discussion to be applied to each listed topic is an individual choice of the Offeror, however, discussion should be detailed enough to inform and educate the evaluators.
- 5.1.2. Proposals will be scored based upon comparison of the information submitted by each Offeror against the evaluation criteria outlined below.

| RFP SECTION | EVALUATION FACTORS | POINTS AVAILABLE |
|---|--|-------------------------|
| 4.1.1.1. | Approach | 20 Points |
| 4.1.1.2. | Company Experience & Staff Qualifications | 20 Points |
| 4.1.1.3. | Description of Work Products | 18 Points |
| 4.1.1.4. | Capacity & Capability | 18 Points |
| 4.1.1.5. | Cost (Attachment No. 1) | 24 Points |
| Total Maximum Allowable Evaluation Factor Points | | 100 POINTS |
| 4.1.4. | New Mexico Resident Business Preference, if applicable | 5 Points |
| 4.1.4. | New Mexico Resident Veteran Business Preference, if applicable | 10 Points |
| | Finalist Interview, if applicable | 50 Points |
| Total Points Possible: | | 100 – 160 POINTS |

- 5.1.3. The evaluation of each Offeror’s Cost Response (Attachment No. 1) will be conducted using the following formula:

Lowest Responsive Offer Cost Proposal

This Offeror's Cost Proposal X 24 = Award Points

5.2. EVALUATION PROCESS

5.2.1. The evaluations process will follow the five steps listed below:

- 5.2.1.1. All Offeror proposals will be reviewed for compliance with the mandatory specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.
- 5.2.1.2. The Procurement Manager may contact the Offeror for clarification of the response, as specified in paragraph 2.2.8.1.
- 5.2.1.3. The Evaluation Committee may use other sources of information to perform the evaluation.
- 5.2.1.4. Responsive proposals will be evaluated on the factors in Section 5 that have been assigned a point value. The responsible Offeror(s) whose proposal is most advantageous to the District, taking into consideration the evaluation factors in Section 5 and successful negotiations, will be recommended for contract award. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score. In the event of oral presentations, responsible Offerors with the highest scores resulting from the written evaluations will be selected as finalist Offerors.
- 5.2.1.4. Points awarded from the oral presentations will be added to the previously assigned points from the written evaluations to attain final scores.
- 5.2.1.5. Ties in ranking shall be scored using the sum of the ranking places, divided by the number of firms in a tie. The following is an example of scoring for a first-place tie:

| Scoring | | Numerical Ranking | | |
|---------|-----|-----------------------|---|-----|
| Firm A | Tie | $(1^{st} + 2^{nd}/2)$ | = | 1.5 |
| Firm B | Tie | $(1^{st} + 2^{nd}/2)$ | = | 1.5 |
| Firm C | 3rd | | = | 3 |

A tie for first, at the end of the final rankings after the completion of short listing and interviews, shall be broken by a separate ranking by the committee members, only ranking the firms involved in the tie. If a tie still exists after ranking only the tied firms, the tie shall be broken by the Procurement Manager.

EXHIBIT NO. 1: SCOPE OF WORK

Los Lunas School District

The following components are required for a 5-year facilities master plan for traditional school districts.

Deliverables

PSFA requires the following in the final deliverables for a completed FMP project:

- The title identifying FMP as five-year plan with active years. PSFA considers a plan good through January 1st of the beginning year to December 31st of the 5th year.

- If a district or charter school starts a plan at the beginning of 2021 and is does not complete the project by July 1st of 2021, the plan's start year shall automatically default to January of the following year (2022). If the plan is not complete within a year, we can revisit the appropriate effective dates. Essentially, a district should get a full five years out of its plan.

- For a more user friendly document, please use traditional pagination (Page 1, 2, 3, 4....)

- Provide PSFA with review draft electronically through upload into PSFA's construction management system (Currently E-Builder) or delivered via email or file sharing in the event of non-PSCOC funded plan.

- Please provide floor plans as separate PDF files.

- Deliver hard copy in three ring binder with labeled tabs delineating each section. Upload the final electronic copy into construction management system in two sections so that Section 5 containing floor plans is its own file. PSFA will post sections without floor plans on its website.

Plan Content

The checklist that follows outline the required sections and content for an FMP document.

COVID-19 Statement

*Guidelines for preparing Facilities Master Plans during the COVID-19 Public Health Crisis

Please note, districts and charter schools may face changes in space needs resulting from the COVID pandemic. At this time, PSFA does not have direction to revise the Adequacy Standards or Adequacy Planning Guide to account for different space needs as part of the global pandemic. PSFA is asking districts and charters to prepare their plans with the anticipation of the situation normalizing within the five-year life of the plan. PSFA, however, will ask FMP consultants to explore and discuss space options for districts and charter schools to consider, should the COVID situation continue for the near future (i.e. utilizing vacant space or re-purposing other space for isolation rooms/increased student health space). Consultants may use virtual/online meeting formats to obtain feedback, identify issues, and present findings/suggestions. Consultants and districts can use in-person meetings to the extent the Governor's public health orders allow and depending on the district and consultant's own comfort level.
