2.0 AUTHORITY:

- 2.01 Equal Weight and Force.** The instructions herein contained are given for the purpose of guidance in properly preparing an applicable bid. These directions have equal weight and force with the specifications and strict compliance is required with all of the provisions. Unless otherwise stated in the special instructions of the bid, these general instructions shall apply.
- 2.02 Written Explanations.** Only written information from the procurement manager or an authorized representative of the purchasing division is binding; therefore no verbal instructions or verbal information from any other source shall be binding on the City. The City shall not be responsible for any other explanation or interpretation and the decision of the procurement manager or an authorized representative of the purchasing division shall be final and binding upon each Bidder.
- 2.03 Disputes with Written Explanations.** The written specifications are considered clear and complete. Failure of the Bidder to call attention in writing to any disputes, definitions, discrepancies, inconsistencies or incompleteness before the opening of the bid in the time and manner set forth herein is a waiver of right to do so upon opening of the bids. Clarifications requested by Bidders must be in writing not less than three (3) days before date and time set for receipt of bids.
- 2.04 Written Addenda.** Should the procurement manager deem it necessary to alter bid specifications, those alterations shall be made in the form of written addenda that shall be posted on the City website, and may be advertised in the South Carolina Business Opportunities (SCBO) online publication and the local newspaper. The Bidder is responsible for monitoring all of these sources and should not rely on a single source for updates. These addenda shall then be considered as part of these specifications. No interpretations of the meaning of the bid specifications shall be made orally.

3.0 REQUIREMENTS FOR WRITTEN DOCUMENTS:

- 3.01 Availability of Documents.** Bid documents may be obtained through the City of Myrtle Beach website (www.cityofmyrtlebeach.com), or in person at the City of Myrtle Beach Purchasing Office, 3231 Mr. Joe White Avenue, Myrtle Beach, SC 29577, Monday through Friday (excluding City holidays), from 8:00 AM to 5:00 PM. Bid documents may be mailed or sent via e-mail by vendor request only.
- 3.02 Responsive Bids.** The City of Myrtle Beach will review bids on a pass/fail basis to determine whether the bid is “responsive” to this IFB. A responsive bid will contain all required documents and forms that are completed in their entirety. Documents and forms must be unaltered, legible, signed, sealed appropriately, and free from errors without noted corrections. The City reserves the right (at its sole discretion) to determine whether a bid is responsive.

- 3.03 Non-Responsive Bids.** Bids that are incomplete, unsigned, improperly signed or sealed, conditional, illegible, obscure, contain arithmetical errors, corrections without initials, ambiguities, alterations, and/or irregularities of any kind, may be declared non-responsive.
- 3.04 Document Completion.** A bid and signature document is provided as part of the solicitation. This form must be used in submitting a bid and all pages of the bid document must be completely filled out in blue or black ink and signed by the Bidder. No bid shall be accepted unless submitted on the forms furnished herein. The format of the bid documents shall not be altered in any way. Written errors made on the bid documents prior to submission must be corrected by marking through the entry in blue or black ink and making the correct entry adjacent to the written error and initialed by the Bidder in blue or black ink.
- 3.05 Contents of Bid Packet.** The general instructions, scope of work and/or specifications, and the bid and signature document constitute the bid packet. By submitting a bid, the Bidder is deemed to have accepted all of the terms and conditions set forth in the bid packet documents. Alternative bids shall not be considered. All bid packet documents, after completion by the Bidder, must be returned with the bid in the same order as received by the Bidder.
- 3.06 Single Package Requirement.** Unless otherwise stated in the special instructions section of this bid request, submit one complete bid package using the attached form(s), if applicable, for bid pricing.
- 3.07 Bid Submission.** Each bid must be enclosed in a sealed envelope, clearly marked on the outside with the company name/address in the upper left-hand corner and bid number/name and time/date of opening in the lower left-hand corner. This sealed envelope must be delivered to the procurement buyer. If the required information is not clearly stated on the outside of the envelope, the bid is considered nonresponsive. It is the Bidder's responsibility to ensure that the bid is delivered by the official opening date and time. Bids submitted after the date and time set for receipt shall be considered late, regardless of the degree of lateness or the reason related thereto, including causes beyond the control of the Bidder. Late bids shall not be opened and will be returned to the Bidder unopened. The City of Myrtle Beach is not responsible for late or misdirected mail.
- 3.08 Bid Delivery/Opening.** All bids must be sealed, marked and delivered in accordance with these instructions to Purchasing Division, City of Myrtle Beach, 3231 Mr. Joe White Avenue, Myrtle Beach, SC 29577. Bids received prior to the advertised hour of opening shall be securely kept sealed. Bids shall be opened and read publicly at the time so specified on the front cover sheet.
- 3.09 Bid Opening/Emergency Conditions.** In the event of a present, immediate, and/or existing danger that threatens the public's health or safety, the City Procurement Office will be closed to the public. Any scheduled public bid openings will be held in the most responsible and legal manner possible, as dictated by the emergency. If City employees

are able to report to work, then Bidders who are interested in attending a public bid opening shall report to the front door of the Bid Opening Location building as listed in the IFB. Anyone who has arrived by the designated bid opening time will be escorted to the proper area for bid opening. If employees are not able to report to work, then the public bid opening will be rescheduled. Every effort will be made to announce the rescheduled date prior to the published bid opening. If emergency conditions persist beyond the published bid opening date, then Bidders will be notified via addendum as soon as possible with a revised bid opening date.

- 3.10 Document Ownership.** All documents, reports, bids, submittals, working papers or other material submitted to the City from the Bidder shall become the sole and exclusive property of the City, in the public domain, and are not the property of the Bidder. The Bidder shall not copyright, or cause to be copyrighted, any portion of any of said documents submitted to the City as a result of this solicitation.

4.0 FULL EXAMINATION:

- 4.01 Thorough Investigation.** Bidders shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment and/or service to be performed as required by the bid conditions. No plea of ignorance by the Bidder of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the Bidder to make the necessary examination and investigations, or failure to fulfill in every detail the requirements of the contract documents, shall in no way relieve the Bidder from any obligation in respect to the bid.
- 4.02 Pre-Bid Meetings.** When Bidders are required to make site visits or attend mandatory pre-bid meetings, all expenses shall be paid for by the Bidder, unless previous written arrangements are made with the City. Bidder must be physically present at the sign-in location with the Buyer at the start of the scheduled meeting time. The official start of each pre-bid meeting will be determined by the Buyer with an announcement of the time and the final closing for contractors to sign-in. Any contractor arriving after the declared time announcement and closing of sign-in shall not be admitted to the pre-bid meeting, and any bid received shall be considered non-responsive.
- 4.03 Evidence of Examination.** Submission of a bid shall be considered as conclusive evidence of the Bidder's complete examination, understanding and acceptance of the specifications.

5.0 PRICING:

- 5.01 Unit Pricing.** Unit pricing shall govern over extended prices unless otherwise stated in the special instructions in this bid request. All prices quoted should be firm. In those cases where a firm bid cannot be made, consideration shall still be given to all Bidders. Also, maximum or ceiling prices should be quoted where possible when bid contains non-firm prices.

- 5.02 Cash Discounts.** Cash discounts, if allowed, should be so stated on the bid form. Prices must, however, be based upon payment thirty (30) calendar days after delivery.
- 5.03 Changes in Cost.** If during the term of the contract entered into as a result of this bid, the cost of material(s) is/are increased through no act on the part of the contractor other than to comply with any prevailing rise in the market price(s) of material(s) used, it shall be the contractor's responsibility to notify the City of Myrtle Beach Purchasing Office in writing of the price increase(s) and the effective date of the increase(s). Price(s) shall be increased only to the point of absorbing additional cost(s) of material(s) paid for by the contractor. At any time during the term of the contract, the City may request that the contractor provide written documentation from the manufacturer/supplier of the material(s) to substantiate price increase(s). If during the term of the contract, the cost of material(s) to the contractor is reduced, then the contractor shall reduce the contract price(s) and notify the procurement buyer in writing.
- 5.04 Price Evaluation.** The City of Myrtle Beach shall evaluate the Bidder's price proposal for completeness, price reasonableness, price realism, and unbalanced pricing. Price reasonableness shall be established by competition and determined primarily by comparison with other bids submitted. Price realism shall be established by analysis of the unit price submitted to determine whether the bid price reflects a clear understanding of the requirements, are realistic for the work to be performed, and are consistent with the methods of performance and materials described in the bid response. Unbalanced pricing exists when, despite an acceptable total evaluated price, the price of one or more contract line items is significantly overstated or understated and poses an unacceptable risk to the City. The City may determine that a bid is unacceptable if the proposed price is materially unbalanced between line items.

6.0 TAX INFORMATION:

- 6.01 Sales Tax/Federal Tax.** The City of Myrtle Beach pays South Carolina State Sales Tax. The City is exempt from Federal Excise Tax and shall issue exemption certificates if required. All prices should be quoted without tax applied. Tax will be applied at the time of invoicing according to the current state sales tax rate.
- 6.02 Payment of Taxes.** The contractor agrees to pay all taxes and license fees of whatever nature applicable to conduct business and furnish the City of Myrtle Beach, if requested, with duplicate receipts or other satisfactory evidence showing the prompt payment of all taxes and fees when referred to and showing that all licenses are in effect.

7.0 MATERIAL ASSESSMENT:

- 7.01 Product Documentation.** Bid shall include adequate brochures, latest printed specification and advertising literature describing the product(s) offered in such a fashion as to permit ready comparison with the specifications on an item-by-item basis where applicable.

- 7.02 Safety Data Sheet (SDS).** If so requested in the bid documents, a completed SDS for the item(s) indicated must be provided with the bid documents. Failure to submit this form upon request may result in rejection of bid.
- 7.03 Evidence of Work/Product.** All Bidders must be prepared to present suitable evidence of similar work recently completed or goods supplied. Products are to be brand name or equal unless otherwise specified. If submitting an equal product, supporting documents must be provided with bid.
- 7.04 Sample Submission.** When samples are required with a bid, they must be submitted with the bid unless approved by the purchasing manager or purchasing manager's authorized representative.
- 7.05 Sample Ownership.** Samples submitted shall become the property of the City of Myrtle Beach. The entire cost of the sample(s) shall be paid for by the Bidder unless previous written arrangements are made with the City.
- 7.06 Furnished Items.** Bidders are required to state exactly what they intend to furnish; otherwise, they shall be required to furnish the items as specified.
- 7.07 Quality of Items.** Bidders shall submit, with their bid, data necessary to evaluate and determine the quality of the item(s) they are bidding. Unless otherwise specified, the Bidder shall unconditionally guarantee the items and workmanship being bid. If any defects or signs of deterioration are noted which, in the City's opinion, are due to faulty workmanship or material, the Bidder, upon notification and at the expense of the Bidder, shall replace the items to the complete satisfaction of the City. Upon the Bidder's failure to replace items, the City may return the rejected items to the Bidder at the Bidder's risk and expense, or the City may dispose of them as its own property.

8.0 CHANGES IN SPECIFICATIONS:

- 8.01 Authority of Specifications.** It shall be understood that in all cases the terms and conditions, as detailed in the specifications, shall supersede terms and conditions, as detailed in the general instructions. No verbal agreement or conversation with any officer, agent, or employee of the City shall affect or modify any of the terms and conditions.
- 8.02 Equipment.** If this bid is for the purchase of equipment, the Bidder guarantees that the equipment offered is standard new equipment, latest model or regular stock product, with parts regularly used for the type of equipment offered; also that no attachment or part has been substituted or applied contrary to the manufacturer's recommendations and standard practices.
- 8.03 Deviation from Specifications.** Any deviation from specifications must be noted in detail and submitted in writing with this bid. Complete specifications should be attached for any substitutions offered, or when amplifications are desirable or necessary. The

absence of a specification deviation statement and accompanying specifications shall hold the Bidder strictly accountable to the specifications as written herein.

- 8.04 Material Preference.** The specifications, as listed herein, represent our preference in material; however, we are fully cognizant that no two pieces of comparable material are identical and/or same in size, function, and operation; and some of the specifications will not completely coincide with ours as listed. Please list your exceptions and explanations separately. It is not our intent to write specifications for any project on which only one proponent can submit a bid.
- 8.05 Changes after Award.** Any changes in specifications, after the purchase order/contract has been awarded, must be with the written consent of the purchasing division; otherwise, the responsibility for such changes shall be with the Bidder.
- 8.06 Equivalent Items.** For items identified in this bid as “brand name or equal,” the Bidder’s offer must indicate each product that is being offered as an “equal” product by providing the following information:

 - B. A clear identification of the item by brand name and make/model number (if any)
 - C. Descriptive literature such as illustrations, drawings, photographs, or a clear reference to previously furnished descriptive data or information that is readily available to the purchasing buyer
 - D. A clear description of any modifications the Bidder plans to make in a product so that it conforms to the bid requirements

Compliance verification is performed by the City purchasing buyer and their requestor(s). The purchasing buyer is required to evaluate “equal” products on the basis of information furnished by the Bidder, or identified in the bid. The buyer is not responsible for locating, obtaining, or researching any information that is not provided. A Bidder’s product shall not be considered as an “equal” product if there is an inadequate description of how the “equal” product meets the salient characteristics specified in the bid.

9.0 MODIFICATIONS:

- 9.01 Additional Work.** The bid shall not contain any unauthorized additions. No additional work shall be allowed or paid for unless such extra or additional work is ordered in writing by the purchasing division and with the price for such established and agreed upon before such extras are delivered or work is performed.
- 9.02 Adjustments to Items/Work.** The City of Myrtle Beach shall have the right, without invalidating the contract, to make additions to or deductions from the items or work covered by the specifications. In case such deductions or additions are made, an equitable price adjustment shall be made between the City and the contractor. Any such adjustments in price shall be made in writing.

10.0 BOND REQUIREMENTS:

10.01 Bid Bonds. If required, Bidder shall supply a bid bond of 5% of the total bid amount to be submitted with the bid package. Bonds are required if the contract work is valued at \$25,000.00 or more for construction and/or any type of service related requirement.

10.02 Performance/Payment Bonds. The successful Bidder at its own cost and expense shall furnish, if required, a valid performance and payment bond (payable to the City of Myrtle Beach.) The bond shall be in the full amount of this agreement conditioned on the full and faithful performance of the work under this agreement in accordance with the specifications and contract documents. Bonds are required if the contract work is valued at \$25,000.00 or more for construction and/or any type of service related requirement. The performance and payment bonds shall be executed by the contractor and a bonding company authorized to do business in the State of South Carolina and approved by the State of South Carolina to issue such performance and payment bonds. 11.02 Dates. The delivery date as stated in the bid shall be the time required to deliver the complete item(s) after the receipt of the order or award of the contract. Where multiple items appear on a bid request, the Bidder shall, unless otherwise stated by the City, show delivery date for each item separately. If only a single delivery date is shown, it shall be assumed to mean that all items included in the bid can and will be delivered on or before the specified date. The Bidder certifies that the delivery shall be completed in the time the Bidder states, starting at the time the order is placed, provided that the time between the bid opening and the placing of the order does not exceed the number of days stipulated in the bid. The right is reserved to reject any bid on which the delivery time indicated is considered sufficient to delay the operation for which the commodity is intended. Successful Bidder(s) shall be responsible for making any and all claims against carriers for missing or damaged items.

11.03 Delivery Price. Bid prices are to be Delivered Price (FOB Destination). Bid prices must include all delivery costs, including but not limited to, loading and unloading cost(s), transportation charge(s) and fuel surcharge(s). 11.05 Wrong Deliveries. In the event that materials, supplies, etc. are delivered which do not comply with specifications and have not been approved by the purchasing division, the contractor, upon notification, shall immediately remove from the premises any such materials, supplies, etc. and replace them with materials, supplies, etc. in full accordance with the specifications.

12.0 AWARD CRITERIA/TIMELINE:

12.01 Award Criteria. For service and supply-related requirements, the award shall be made within the time specified to the responsible Bidder meeting the specifications and having the lowest possible cost consistent with the quality and service needed for effective use. The following criteria may also be used in making this determination:

- D. Guarantees and warranties
- E. Company's reputation and financial status
- F. Past experience and cost with similar or like equipment or service

- H. Performance of proponent's equipment by other agencies, plants, and firms

Evaluation factors, if required, shall be stated in either a percent basis or a numerical format.

12.02 Contract Issuance. The award of a contract is accomplished by executing a written agreement that incorporates the entire bid, Bidder's response, clarifications, addenda, and additions. All such materials constitute the contract documents. The Bidder agrees to accept the contract terms unless substantive changes are made without the approval of the Bidder. Bidder shall not add any provisions reserving the right to accept or reject an award. The procurement office is the sole point of contact for the issuance of the contract.

12.03 Commencement of Work. Upon execution and delivery of the contract and insurance certificates, the Bidder shall be notified to proceed with the work of the contract. The work of the contract shall be commenced within one (1) City business day following such notification, or as otherwise specified in the Notice to Proceed. The performance period shall be from date of issuance of Notice to Proceed through three hundred sixty-five (365) calendar days. Contract prices shall remain firm for the duration of the contract period. The City of Myrtle Beach reserves the right to adjust the performance period to meet the best interests of the City. Any such adjustment will be made in writing through the Purchasing Office.

12.04 Contract Timeline. In the event the successful Bidder fails or refuses to execute a formal written contract with the City of Myrtle Beach in form and content acceptable to the City, within ten (10) City business days after notice of acceptance of the bid, the bid may be revoked, and all obligations of the City in connection with the bid may be

canceled.

12.05 Notification. Bid tabulations shall be available on-line at www.cityofmyrtlebeach.com/purchasing.html. Winning Bidder shall be notified five (5) City business days after bid tabulations are posted.

12.06 City Business License. The successful Bidder must obtain a City of Myrtle Beach business license in order to conduct business within our city. A business license is not required to submit a bid; however, any bidder that receives an award under this bid shall be required to obtain a City business license before work can begin. For further information on obtaining a city business license, contact the City Business License Office at 843-918-1200.

13.0 BIDDER RESPONSIBILITIES:

13.01 Duration of Bid. Bid prices, terms and conditions shall be firm for a period of at least one hundred twenty (120) calendar days from the deadline for receipt of submittal, or until such time as established in the bid. The successful bid shall not be subject to future price escalation or changes of terms if accepted during the one hundred twenty (120) day period, or the specified bid time. Price decreases or changes in terms by others after the acceptance of a bid shall not be considered.

13.02 Transfer of Responsibilities. The contractor shall not assign or otherwise transfer any of its responsibilities or obligations under the contract to any other person or entity without prior written consent of the City.

13.03 Drug-Free Workplace. In accordance with the provisions of the Drug-Free Workplace Act, the City of Myrtle Beach shall promote a drug-free workplace. Illegal drugs or narcotics in the workplace are strictly prohibited. The manufacture, possession, use, and/or distribution of a controlled substance of any kind while working on City property is subject to disciplinary action up to and including immediate discharge. As such, Bidders are required to insure that a drug-free workplace is provided in the performance of any City contracts. By submitting a bid, Bidder certifies that, if awarded the contract, they and their subcontractors shall comply with the City's Drug-Free Workplace Policy. The failure of any Bidder to uphold and enforce this policy is subject to termination of contract.

13.04 Subcontractors. The contractor shall be wholly responsible for the performance of all subcontractors and for their acts and omissions, and those of persons either directly or indirectly employed by the contractor, and the fact that subcontractors are subject to the approval of the City of Myrtle Beach shall not affect the contractor's responsibility in this regard. The Bidder shall bind every subcontractor to all terms and conditions anywhere contained in the contract documents as far as applicable to the work of such subcontractor so that the subcontractor assumes toward the contractor and toward the work all the obligations and responsibilities that the contract assumes toward the City as to the performance of the subcontractor's portion of the work.

13.05 Coordination and Contact. The selected Bidder shall be required to assume responsibility for coordination, engineering, delivery, installation, and maintenance of all equipment, software and services offered in their bid, whether they are the manufacturer or producer of them. Only service and equipment offered by Bidders who have installed similar systems of comparable size shall be considered. All service and equipment offered shall be in current standard production and of the latest design.

13.06 Liquidated Damages. If the City terminates the contract, in whole or in part, the contractor is liable for liquidated damages accruing until the City reasonably obtains delivery or performance of similar supplies or services from an alternate bidder. These liquidated damages are in addition to excess costs of repurchase due to contract termination. The Bidder shall not be charged with liquidated damages when the delay in delivery or performance is documented to be beyond the control and without the fault or negligence of the Bidder.

13.07 Force Majeure. Neither party shall be held responsible for failure to perform the responsibilities imposed by this bid due to circumstances beyond reasonable control, including natural forces (fires, floods, tsunamis, hurricanes, tornadoes, earthquakes), political unrest (military action, embargoes, acts of terrorism, war), civil unrest (insurrections, riots, strikes, rebellions), public health crises (epidemics, pandemics), acts of God, and/or orders of any governmental authority having jurisdiction over such.

This obligation shall extend to and include, all litigation costs, court costs, and reasonable attorney fees incurred by the City in response to such claims.

14.02. Failure to Enforce. Failure by the City at any time to enforce the provisions of the bid shall not be construed as a waiver of any provisions. The failure to enforce shall not affect the validity of any part of the bid.

15.0 FEDERAL AND STATE LAWS:

15.01 Employment Regulations. Bidders shall comply with all local, state, and federal directives, orders, and laws as applicable to this bid and subsequent contract(s) including, but not limited to Equal Employment Opportunity (EEO), in compliance with executive Order 11246, Minority Business Enterprise (MBE), and Occupational Safety and Health Act (OSHA), as applicable to this contract and Immigration Bill H4400 which states that every contractor doing business with the City of Myrtle Beach for the physical performance of services with the total value of the contract to be performed in a twelve-month period exceeding fifteen thousand dollars (\$15,000.00) must agree to the following:

- A. Register and participate in the federal work authorization program to verify the employment authorization of all new employees; and require agreement from its sub-contractors to do the same; or

15.02 Employment Discrimination. During the performance of this bid, the Bidder agrees not to discriminate against any employee or applicant for employment because of race, religion, color, sex, LGBTQ, age, disability, or national origin; however, some conditions may be a bona fide occupational qualification reasonably necessary for the completion of this bid. Furthermore, the Bidder agrees that this non-discriminatory agreement shall be incorporated by the Bidder in all contracts entered into with suppliers, subcontractors, and all labor organizations furnishing skilled, unskilled, and craft union skilled labor, or who may perform any such labor or services.

15.03 Compliance with Laws. The Bidder shall, in the performance of work under this bid, fully comply with all applicable federal, state, county, or municipal laws, rules, regulations, or ordinances, and shall hold the City harmless from any liability resulting from failure of such compliance.

16.0 FINANCIAL ACCOUNTING:

16.01 Availability of Funds. Unless cancelled prior to the bid opening date, all bids received on time will be opened as indicated in the solicitation and the names will be indicated on the bid tab. The City's obligation under this requirement is contingent upon the availability of funds from which payment for contract purposes can be made. No legal liability on the part of the City for any payment may arise until funds are made available and until the Bidder receives notice of such availability from the City's Purchasing Division. If funding is not made available, the IFB will be cancelled.

16.02 Payment. Inspection and acceptance of the material, goods, and/or service by an authorized representative of the City shall be required prior to any payment. After acceptance by the City, payments shall be made to the contractor within thirty (30) calendar days of receipt of invoice.

If the account representative is removed by the Bidder, the new representative must be acceptable to the City.

17.0 BID REJECTION/DISQUALIFICATION/WITHDRAWAL:

17.01 Reasons for Rejection. The City of Myrtle Beach may reject a bid if:

- A. The Bidder misstates or conceals any material fact in the bid; or if,
- B. The bid does not strictly conform to the law or requirements of the bid; or if,
- C. The bid is conditional, except that the Bidder may qualify his/her bid for acceptance by the City on an “all or none” basis, or a “low item” basis. An “all or none” basis bid must include all items upon which bids are invited.

17.02 Best Interest of City of Myrtle Beach. The City may, however, reject all bids whenever it is deemed in the best interest of the City to do so, and may reject any part of a bid unless the bid has been qualified as provided in statement. The City may also waive any minor informalities or irregularities in any bid.

17.03 Determination of Responsibility. The City may make such investigation as it deems necessary to determine the ability of a Bidder to furnish the required goods/services, and the Bidder shall furnish to the City any requested information and data for this purpose at the Bidder’s expense. Information requested may include, but not be limited to: financial statements, credit ratings, criminal histories, references, records of past performance, and/or on-site inspections. The City reserves the right to reject any Bidder if the evidence fails to satisfy the City that such Bidder is properly qualified to carry out the terms of this bid.

17.04 Disqualification. Any of the following factors may be considered just cause to disqualify a bid without further consideration: evidence of either direct or indirect collusion among bidders in regard to the amount, terms, or conditions of the bid; attempts to improperly influence any member of the evaluation team; evidence of bidder’s inability to successfully complete required responsibilities and obligations of the bid; existence of any lawsuit, unresolved contractual claim, or dispute between the bidder and the City; and/or default under any previous agreement with the City that resulted in the termination of the agreement.

- 17.05 Withdrawal Timeline.** Bids may be withdrawn on a written request, received from Bidders prior to the bid closing date and time. Negligence on the part of the Bidder in preparing the bid creates no right for withdrawal of the bid after the bid has been opened. No modifications, clarifications, or explanations of any bids shall be allowed after the date and time of closing.

18.0 DISPUTES AND PROTESTS:

- 18.01 Informal Dispute Resolution.** A Bidder who has a concern with a decision made by the Purchasing Agent or designee, shall first inform the Purchasing Agent, or designee, within five (5) calendar days after the date the City posts a bid tab on the City's website stating its intention to make a contract award, or the contract is awarded, whichever occurs first, unless the bid document specified a shorter time period. The Purchasing Agent or designee shall discuss the issue(s) with the Bidder in an attempt to resolve the dispute.

In a case where the protestor did not submit a bid, the administrative fee will be calculated as five percent (5%) of the lowest responsive and responsible bid received by the City. The Administrative fee shall be returned if the protest is upheld; otherwise the fee is non-refundable.
- D. Within five (5) calendar days of discussing the dispute with the Purchasing Agent or designee, the written protest and administrative fee must be received by the Purchasing Agent or designee. A protest received after the five (5) calendar days, or without the appropriate administrative fee, will not be considered.
- E. The written protest shall include:

1. The name and address to which certified mail is received on behalf of the protestor.
 2. An appropriate identification of the solicitation, and if a contract has been awarded, the contract number.
 3. A complete statement of the reasons for the protest, including exhibits, documents, or other evidence in support of the reasons for the protest.

When a protest has been timely and appropriately filed before the award of a contract or agreement, the contract or agreement shall not be awarded unless the Purchasing Agent or designee determines that the award of the contract or agreement during the pendency of the protest is necessary to protect substantial interests of the City.

When a protest has been timely and appropriately filed after the award of a contract or agreement, the Purchasing Agent or the designee shall direct the contractor not to engage in any further performance of the contract or agreement, unless the Purchasing Agent or designee determines that the performance under the contract or agreement during the pendency of protest is necessary to protect substantial interest of the City.

18.05 Confidentiality of Information. The Purchasing Agent or designee shall, upon written request, make available to any other interested party information submitted that bears on the substance of the protest, except where information is proprietary, confidential, or otherwise permitted or required to be withheld from disclosure by law or regulation. Persons or other entities that are involved in the protest that want to keep information submitted by them as confidential should request that the information not be disclosed by specifically identifying the confidential information within the documents submitted by indicating on the front page of each document that it contains confidential information.

The Purchasing Agent or designee will render a decision on the merits of the protest after engaging in some or none of the activities listed above.

18.07 Formal Protest Decision Timeline and Notification. A decision on a protest shall be made by the Purchasing Agent or designee as expeditiously as possible, but no later than ten (10) City of Myrtle Beach business days after receiving the protest. In determining the protest, the Purchasing Agent or designee may terminate the contract or agreement, issue a new solicitation or other request for contract or agreement, or award a contract or agreement. The protest decision shall be mailed to the protester by certified mail, return receipt requested.

18.08 Appeals. To the extent permitted by law or court rules regarding appeals, an appeal of the decision regarding the protest may be made to a court of competent jurisdiction within the time set forth in the Rules.

19.03 Clarification. The City of Myrtle Beach reserves the right to obtain clarification on any point in the Bidder's bid. The failure of the Bidder to make additional information available could result in the rejection of the response. Such clarification might involve the delivery of demonstration equipment to the City for evaluation purposes. Such hardware shall be provided at no cost to the City. The City is not obliged to evaluate any or all products.

19.04 Price Increase. The City of Myrtle Beach reserves the right to accept or reject any price increase(s) and to cancel any and all item(s) under the contract for which price increase(s) is/are considered unacceptable.

Such a remedy is in addition to other remedies that might be available to the City. Moreover, the City reserves the right to terminate the contract if the Bidder exceeds the five (5) calendar days of non-performance without the approval of the purchasing manager.

Any such termination shall be communicated by a written notice of default, delivered to the Bidder, at least fifteen calendar (15) days before the date of termination, specifying the extent to which performance of the work is terminated, and the date upon which such termination becomes effective. - 19.09 Correction of Minor Informalities.** Prior to the notice of award to any bidder, the City of Myrtle Beach may elect to waive minor informalities or allow the bidder to correct them.
