2 CONTACT INFORMATION

It is the Contractor’s responsibility to obtain clarification of any information contained herein. Contractors must submit all questions or requests for clarification ONLY in writing and ONLY to the contact person identified on the cover of this Request for Bid. The solicitation number must be referenced in all correspondence pertaining to this Solicitation. Bid contact with CCG personnel other than the designated CCG contact may be cause for bid rejection.

3 ADDENDA AND CLARIFICATIONS

- 3.1 CCG may, at its sole discretion, elect to issue changes or clarifications to the Solicitation. CCG will issue changes or clarifications in the form of a written addendum. Written addenda shall be the ONLY FORM of amendment to the Solicitation. Other written information or verbal communications, including but not limited to discussion in a Pre-Bid conference, shall not constitute a change to the requirements of the Solicitation. Addenda, if issued, will be mailed, faxed, and/or emailed to all known prospective Contractors prior to the date and time of the Deadline for Bid Submittal.
- 3.2 It is the Contractor’s responsibility to ensure receipt of any addenda issued. Failure of any Contractor to receive any such addendum or clarification shall not relieve the Contractor from any obligations under its bid as submitted. The Contractor must sign all addenda and return them with their bid. All addenda shall become part of the contract documents.
- 3.3 Clarification to the solicitation will be issued separately and will not become part of the final contract.

4 BID PREPARATION

- 4.1 Submittals: Contractor must submit all Bid Response Forms, plus all addenda, completed forms, and any requested information and documentation as part of its bid. Contractor’s failure to include all submittals may be cause to consider a bid non-responsive.
- 4.2 Endorsing the Bid: An authorized officer of the Contractor Firm must sign the bid. Execution of the bid will signify agreement and compliance with all requirements set forth in this Solicitation except where properly noted in the Bid Response Forms. Contractors that take exception to CCG’s General Terms and Conditions, Special Provisions, and/or Specifications shall do so at the risk of bid rejection.
- 4.3 Acceptance of Specification Requirements: CCG will presume that the product or service offered complies with each requirement of the specifications unless indicated otherwise. If the product or service offered is different than specified, Contractor must note the difference on an attached document that details the exception(s) to specifications. Failure of the Contractor to make the

required acknowledgements may cause the Bid to be considered non-responsive, in the sole determination of CCG. Should any product be delivered, or service performed which is not as the Successful Contractor has purported it to be in its Bid, said Successful Contractor will be required to correct any deficiencies without additional cost to CCG.

- 4.4 Contractor Requirements: The Contractor must have demonstrated experience in the successful completion of Scope of Work / Specifications of a similar nature and scope. - 4.8 Confidential or Proprietary Markings: Any portion of the Bid that Contractor considers confidential or proprietary information, or to contain trade secrets of Proposing Firm, must be marked accordingly. This marking must be explicit as to the designated information. This designation may not guarantee the non-release of the information under the Public Information Act or as otherwise required by law, but does provide CCG with a means to review the issues thoroughly and, if justified, request an opinion by the Texas Attorney General's office prior to releasing any information requested under the Public Information Act.
