Questions and Answers

1. Will any materials resulting from Phase 2 of the project, is the contractor responsible for removing these materials from the work site?
NO - Fence contractor will be responsible for removing and placing all existing fence materials into the roll-off dumpsters staged on site. There will be two types of dumpsters provided by the IRC-SWDD. One set for metals only (old fence) and a second set for yard debris. NO GARBAGE or TRASH will be allowed in these dumpsters. IRC-SWDD will also be responsible for removing and replacing dumpsters as needed.
