Information obtained from an unauthorized officer, agent, or employee will not affect the risks or obligations assumed by the supplier or relieve the supplier from fulfilling any of the conditions of the resulting award for this project. Such contact can disqualify the supplier from the solicitation process.

6. Contract Approval

The resulting contract is subject to KCDC’s Board approval if it exceeds \$100,000.

The supplier is responsible for all damage to buildings, equipment, grounds, premises and all other types of potential damage resulting from the provision of the services requested herein.
