<p>System of Award Management (SAM.gov). If grant funded, all vendors must be registered in SAM in order to do business with the County. In order to be considered for the project, the vendor must be registered prior to submitting a bid/proposal with the County. Failure to show proof of SAM.gov registration at time of submitting a bid/proposal may deem the vendors bid/proposal unresponsive. You can register for SAM at the below link: https://sam.gov/content/home. Note it can take some time for a vendor to get registered for the System of Award Management and as such it is important to start the process as soon as possible to qualify as a responsive vendor.</p>
